17 created to read:

18 626.7355 Temporary license as customer representative
19 pending examination.--

20 (1) The department shall issue a temporary customer
21 representative's license with respect to a person who has
22 applied for such license upon finding that the person:

23 (a) Has filed an application for a customer
24 representative's license or a limited customer
25 representative's license and has paid any fees required under

2 state shall be deemed to meet the residence requirement of
3 this paragraph, notwithstanding the existence at the time of
4 application for license, of a license in his name on the
5 records of another state as a resident licensee of such other
6 state, if the applicant furnishes a letter of clearance
7 satisfactory to the department that his or her resident
8 licenses have been canceled or changed to a nonresident basis
9 and that he or she is in good standing.

10 (d) Has such business reputation as would reasonably
11 assure that the applicant will conduct his or her business as
12 a temporary customer representative fairly and in good faith
13 and without detriment to the public.

15 license, and at all times throughout the existence of the
16 temporary license, by only one general lines agency or
17 licensed general lines agent.

19 general lines agent who will oversee the work of the applicant
20 and be responsible for the applicant's acts under this

23 be permitted to act as the designated supervising general
24 lines agent to supervise the activities of a temporary
25 licensee.

27 found guilty or pleaded nolo contendere to a felony or a crime

29 any municipality, county, state, territory, or country,
30 whether or not a judgment of conviction has been entered.

8 in a pre-trial intervention program or on administrative
9 probation by the department.

10 (2) There must be no more than one temporary customer
11 representative licensee in the general lines agency location
12 where the temporary licensee is housed and the temporary
13 licensee shall be housed wholly and completely within the
14 actual confines of the office of the agent or agency whom he
15 or she represents. Such agency must be in compliance with the
16 provisions of s. 626.592, commonly referred to as the Primary
17 Agent Law, for the most recent reporting period. No such
18 temporary licensee may be employed from any location except
19 where his or her designated supervising general lines agent
20 spends his or her full time. No general lines agency location
21 may employ more than two temporary customer representative
22 licensees in one calendar year.

23 (3) The temporary licensee cannot be the only person
24 conducting the business of insurance in the office at any
25 time.

26 (4) The applicant's employer and supervising general
27 lines agent shall be responsible for the acts of any licensee
28 under this section.

29 (5) The applicant shall furnish the following with his
30 application:

31

1 (a) Evidence that the applicant is enrolled in a
2 customer representative educational qualification course which
3 has been approved by the department.

4 (b) A certificate of employment and a report as to the
5 applicant's integrity and moral character on a form prescribed
6 by the department and executed by the supervising general
7 lines insurance agent.

8 (6) Under the temporary license, the licensee shall
9 have the authority to handle only such classes of business as
10 his or her supervising general lines agent is licensed and
11 appointed to handle except as provided herein. A temporary
12 licensee shall not transact life or health insurance business
13 under this license.

14 (7) In no event shall a temporary licensee licensed
15 under this section perform any of the functions for which a
16 customer representative or general lines agent's license is
17 required after expiration of the temporary license without
18 having passed the written examination as for a regular
19 customer representative or general lines agent's license and
20 have subsequently been licensed and appointed as such by the
21 department.

22 (8) The temporary license shall be effective for a
23 period of 90 days, but shall be subject to earlier termination
24 at the request of the employer or if suspended or revoked by
25 the department.

26 (9) The department shall not issue a temporary
27 customer representative's license to any individual who has
28 ever held such a temporary license in this state.

29 (10) Applicants licensed as temporary customer
30 representatives pursuant to this section shall be appointed as
31

1 such in accordance with the provisions of ss. 626.112 and
2 626.451.

3 (11) The temporary customer representative's license
4 shall expire 90 days after issuance. The effective date of
5 the license and appointment shall be the date the supervising
6 general lines agent certifies that the applicant is an
7 employee of the agent or agency, provided the applicant meets
8 the requirements for the license as provided in this section.
9 The application for license and supporting documentation shall
10 be mailed to the department within 48 hours after the
11 supervising agent certifies that the applicant is an employee
12 of the agent or agency for purposes of obtaining a license
13 under this section.

14 (12) The department shall have the authority to take
15 administrative action against the license of a temporary
16 licensee or supervising general lines insurance agent for
17 conduct which is a violation of any provision of this section
18 or other provisions of the Insurance Code or rules of the
19 department.
