A bill to be entitled
An act relating to solid waste management;
amending s. 403.7045, F.S.; authorizing the
Department of Environmental Protection to allow
recycling and reuse of ash residue which meets
department standards adopted by rule; providing
an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Subsection (5) of section 403.7045, Florida
Statutes, is amended to read:

403.7045 Application of act and integration with other
acts.--

(5) Ash residue generated by a solid waste management
facility from the burning of solid waste ~~must~~ shall be
disposed of in a properly designed solid waste disposal area
that complies with standards developed by the department for
the disposal of such ash residue. ~~Rulemaking shall be~~
~~initiated and at least one public hearing held by February 1,~~
~~1989.~~ The department shall work with solid waste management
facilities that ~~which~~ burn solid waste to identify and develop
methods for recycling and reuse of ~~incinerator~~ ash residue or
treated ash residue, and the department may allow such
recycling or reuse by an applicant who demonstrates that no
significant threat to public health will result and that
applicable department standards and criteria will not be
violated. The Division of Waste Management shall direct the
district offices and bureaus on matters relating to the
interpretation and applicability of this subsection. The
department may adopt rules necessary for administering this

1 subsection, but the department is not required to amend its
2 existing rules.

3 Section 2. This act shall take effect upon becoming a
4 law.
