5 the early retirement precedes the normal retirement date of
6 age 62 for a regular member, a member of the Senior Management
7 Service Class, or a member of the Elected State and County

14 member's beneficiary shall be calculated in accordance with
15 subsection (1) and ss. 121.052(10) and 121.055(4) as

18 computed shall be reduced by five-twelfths of 1 percent for
19 each complete month by which death precedes the normal
20 retirement date specified above or the date on which the
21 member would have attained 30 years of creditable service had
22 he or she survived and continued his or her employment,
23 whichever provides a higher benefit. Effective January 1,
