21  
22           Section 1. Subsection (4) of section 24.115, Florida  
23 Statutes, is amended to read:

24           24.115 Payment of prizes.--

25           (4)(a) It is the responsibility of the appropriate  
26 state agency and of the judicial branch to identify to the  
27 department, in the form and format prescribed by the  
28 department, persons owing an outstanding debt to any state  
29 agency or owing child support collected through a court. Prior  
30 to the payment of a prize of \$600 or more to any claimant  
31 having such an outstanding obligation, the department shall

1 transmit the amount of the debt to the agency claiming the  
 2 debt and shall authorize payment of the balance to the prize  
 3 winner after deduction of the debt.

4 (b) It is the responsibility of the appropriate state  
 5 agency to identify to the department, in a form and format  
 6 prescribed by the department, persons who have received any  
 7 public assistance on or after January 1, 1999. Prior to the  
 8 payment of a prize of a net amount of \$100,000 or more to any  
 9 claimant identified as receiving any public assistance on or  
 10 after January 1, 1999, the department shall reduce the amount  
 11 of the prize by the lesser of one-half of the total amount of  
 12 the prize prior to any deductions or the total amount of such  
 13 public assistance received, shall transmit such amount to the  
 14 agency reporting the payment of the public assistance, and  
 15 shall authorize payment of the balance to the prize winner  
 16 after deduction of the amount of the public assistance.

17 (c) If a prize winner owes multiple debts or has  
 18 received public assistance subject to offset under this  
 19 subsection and the prize is insufficient to cover all such  
 20 debts or public assistance, the amount of the prize shall be  
 21 transmitted first to the agency claiming that past due child  
 22 support is owed. If a balance of lottery prize remains after  
 23 payment of past due child support, the remaining lottery prize  
 24 amount shall be transmitted to other agencies claiming debts  
 25 owed to the state, on a pro rata basis, based upon the ratio  
 26 of the individual debt to the remaining debt owed to the  
 27 state. If a balance of lottery prize remains after payment of  
 28 all such debts, the remaining lottery prize amount shall be  
 29 transmitted to other agencies reporting payment of public  
 30 assistance, on a pro rata basis.

1           (d) If any error in payment is made pursuant to  
2 paragraph (b) constituting an overpayment to a person who  
3 receives public assistance, the amount of the overpayment  
4 shall be deducted from future public assistance payments to  
5 such person.

6           (e) A state agency shall not be subject to any  
7 liability in the event of any mistake which may occur in any  
8 determination made under paragraph (b) or for any damages if a  
9 person brings an action against an agency for identifying the  
10 person as a recipient of public assistance.

11           (f) For purposes of this section, "public assistance"  
12 is limited to payments of state money made to or on behalf of  
13 a recipient after January 1, 1999, for assistance received  
14 under chapter 414 and the Medicaid program.

15           Section 2. Subsections (1), (2), (6), and (8) of  
16 section 414.28, Florida Statutes, 1996 Supplement, are  
17 amended, and subsection (11) is added to said section, to  
18 read:

19           414.28 Public assistance payments to constitute debt  
20 of recipient.--

21           (1) CLAIMS.--The acceptance of public assistance  
22 creates a debt of the person accepting assistance, which debt  
23 is enforceable only after the death of the recipient or upon  
24 receipt of a lottery prize of \$1,500 or more. The debt  
25 thereby created is enforceable only by claim filed against the  
26 estate of the recipient after his or her death or by suit to  
27 set aside a fraudulent conveyance, as defined in subsection  
28 (3), or as specified in s. 24.115(4). After the death of the  
29 recipient and within the time prescribed by law, the  
30 department may file a claim against the estate of the  
31 recipient for the total amount of public assistance paid to or

1 for the benefit of such recipient, reimbursement for which has  
2 not been made. Claims so filed shall take priority as class 7  
3 claims as provided by s. 733.707(1)(g).

4 (2) DISCHARGE OF DEBT.--The debt created by this  
5 section shall be discharged as specified in s. 24.115(4) or  
6 pursuant to s. 733.710 unless the department institutes  
7 probate proceedings as a creditor, files a timely claim  
8 against the estate of the debtor, or institutes a suit to set  
9 aside a fraudulent conveyance as defined in subsection (3).

10 (6) NOTICE.--The department shall notify all persons  
11 receiving or applying for public assistance that all public  
12 assistance grants paid constitute a claim against the estate  
13 or lottery winnings of a net amount of \$100,000 or more of  
14 each recipient. The notice may be given by letter mailed to  
15 the last known address of each recipient, but the failure to  
16 give such notice does not affect the validity of the claim.

17 (8) DISPOSITION OF FUNDS RECOVERED.--Except for funds  
18 collected pursuant to s. 24.115(4),all funds collected under  
19 this section shall be deposited with the Department of Banking  
20 and Finance and a report of such deposit made to the  
21 department. After payment of costs the sums so collected  
22 shall be credited to the department and used by it.

23 (11) The department shall provide a record of amounts  
24 withheld under this section to the Child Support Enforcement  
25 Program of the Department of Revenue. Such record shall  
26 contain the claimant's name, social security number, any  
27 public assistance family number, and any amount retained  
28 toward public assistance.

29 Section 3. This act shall take effect October 1 of the  
30 year in which enacted.
