

Bill No. CS for SB 1426

Amendment No. \_\_\_\_

1 Accountability shall present a recommendation to the Secretary  
2 of Transportation for the designation of a site for the  
3 relocation of the Turnpike District headquarters. Sumter  
4 County shall be considered as a possible site. Any such  
5 relocated headquarters facility shall be the most  
6 cost-effective and operationally efficient site and be in the  
7 best interest of the public and the state. By December 31,  
8 1999, the department shall submit a plan to relocate the  
9 Turnpike District headquarters to the Governor, Senate and  
10 House Transportation Committees. In order to provide for  
11 efficient operations and to expedite the decisionmaking  
12 process, the department shall provide for maximum  
13 decentralization to the districts. However, before making a  
14 decision to centralize or decentralize department operations  
15 ~~or relocate the turnpike district,~~ the department must first  
16 determine if the decision would be cost-effective and in the  
17 public's best interest. The department shall periodically  
18 evaluate such decisions to ensure that they are appropriate.
