10 Be It Enacted by the Legislature of the State of Florida:

11  
12 Section 1. Section 403.88, Florida Statutes, is  
13 created to read:

14 403.88 Classification of water and wastewater  
15 treatment facilities and facility operators.--

16 (1) The department shall classify water and wastewater  
17 treatment plants by size, complexity, and level of treatment  
18 necessary to render the wastewater or source water suitable  
19 for its intended purpose in compliance with this chapter and  
20 department rules.

21 (2) The department shall establish the levels of  
22 certification and the staffing requirements for water and  
23 wastewater operators certified under ss. 403.865-403.876  
24 necessary to carry out subsection (1).

25 (3) The department shall adopt rules necessary to  
26 carry out this section.

27 Section 2. This act shall take effect upon becoming a  
28 law.
