13 computed as the average rates charged by the carriers

3 with the department.

4 2. The converted policyholder fails to provide the
5 information requested pursuant to paragraph (a).

6 3. Fraud or intentional ~~material~~ misrepresentation in
7 applying for any benefits under the converted policy.

9 ~~under Medicare or under any other state or federal law~~

17 department, within 14 days after an individual who is eligible
18 for a converted policy gives notice to the insurer that the
19 individual is considering applying for the converted policy or
20 otherwise requests such information. The outline of coverage
21 must contain a description of the principal benefits and
22 coverage provided by the policy and its principal exclusions
23 and limitations, including, but not limited to, deductibles

3 coverage unit.

4 (b) "Annual limit" means, with respect to benefits
5 under a group health plan or health insurance coverage, a
6 dollar limitation on the total amount of benefits that may be
7 paid with respect to such benefits in a 12-month period under
8 the plan or health insurance coverage with respect to an
9 individual or other coverage unit.

10 (c) "Medical or surgical benefits" means benefits with
11 respect to medical or surgical services, as defined under the
12 terms of the plan or coverage, but does not include mental
13 health benefits.

14 (d) "Mental health benefits" means benefits with
15 respect to mental health services, as defined under the terms
16 of the plan or coverage, but does not include benefits with
17 respect to treatment of substance abuse or chemical
18 dependency.

19 (e) "Health insurance coverage" means coverage
20 provided by an authorized insurer or by a health maintenance
21 organization.

22 (2) BENEFITS.--

23 (a)1. In the case of a group health plan, or health
24 insurance coverage offered in connection with such a plan,
25 which provides both medical and surgical benefits and mental
26 health benefits:

27 a. If the plan or coverage does not include an
28 aggregate lifetime limit on substantially all medical and
29 surgical benefits, the plan or coverage may not impose any
30 aggregate lifetime limit on mental health benefits.

31

1 b. If the plan or coverage includes an aggregate
2 lifetime limit on substantially all medical and surgical
3 benefits, the plan or coverage must:

4 (I) Apply that applicable lifetime limit both to the
5 medical and surgical benefits to which it otherwise would
6 apply and to mental health benefits and not distinguish in the
7 application of such limit between such medical and surgical
8 benefits and mental health benefits; or

9 (II) Not include any aggregate lifetime limit on
10 mental health benefits which is less than that applicable
11 lifetime limit.

12 c. For any plan or coverage that is not described in
13 sub-subparagraph a. or sub-subparagraph b. and that includes
14 no or different aggregate lifetime limits on different
15 categories of medical and surgical benefits, the department
16 shall establish rules under which sub-subparagraph b. is
17 applied to such plan or coverage with respect to mental health
18 benefits by substituting for the applicable lifetime limit an
19 average aggregate lifetime limit that is computed taking into
20 account the weighted average of the aggregate lifetime limits
21 applicable to such categories.

22 2. In the case of a group health plan, or health
23 insurance coverage offered in connection with such a plan,
24 which provides both medical and surgical benefits and mental
25 health benefits:

26 a. If the plan or coverage does not include an annual
27 limit on substantially all medical and surgical benefits, the
28 plan or coverage may not impose any annual limit on mental
29 health benefits.

30
31

1 b. If the plan or coverage includes an annual limit on
2 substantially all medical and surgical benefits, the plan or
3 coverage must:

4 (I) Apply that applicable annual limit both to medical
5 and surgical benefits to which it otherwise would apply and to
6 mental health benefits and not distinguish in the application
7 of such limit between such medical and surgical benefits and
8 mental health benefits; or

9 (II) Not include any annual limit on mental health
10 benefits which is less than the applicable annual limit.

11 c. For any plan or coverage that is not described in
12 sub-subparagraph a. or sub-subparagraph b. and that includes
13 no or different annual limits on different categories of
14 medical and surgical benefits, the department shall establish
15 rules under which sub-subparagraph b. is applied to such plan
16 or coverage with respect to mental health benefits by
17 substituting for the applicable annual limit an average annual
18 limit that is computed taking into account the weighted
19 average of the annual limits applicable to such categories.

20 (b) This section may not be construed:

21 1. As requiring a group health plan, or health
22 insurance coverage offered in connection with such a plan, to
23 provide any mental health benefits; or

24 2. In the case of a group health plan, or health
25 insurance coverage offered in connection with such a plan,
26 which provides mental health benefits, as affecting the terms
27 and conditions, including cost-sharing, limits on numbers of
28 visits or days of coverage, and requirements relating to
29 medical necessity, relating to the amount, duration, or scope
30 of mental health benefits under the plan or coverage, except
31 as specifically provided in paragraph (a) with respect to

1 parity in the imposition of aggregate lifetime limits and
2 annual limits for mental health benefits.

3 (3) EXEMPTIONS.--

4 (a) This section does not apply to any group health
5 plan, or group health insurance coverage offered in connection
6 with a group health plan, for any plan year of a small
7 employer as defined in s. 627.6699.

8 (b) This section does not apply with respect to a
9 group health plan, or health insurance coverage offered in
10 connection with a group health plan, if the application of
11 this section to such plan or coverage results in an increase
12 in the cost under the plan or for such coverage of at least 1
13 percent.

14 (4) SEPARATE APPLICATION TO EACH OPTION OFFERED.--For
15 any group health plan that offers a participant or beneficiary
16 two or more benefit-package options under the plan, the
17 requirements of this section apply separately with respect to
18 each such option.

19 (5) DURATION.--This section does not apply to benefits
20 for services furnished on or after September 30, 2001.

21 (6) CONFLICTING PROVISIONS.--The provisions of this
22 section prevail over any conflicting provision of s. 627.668.

26 627.674 Minimum standards; filing requirements.--

27 (2)(a) The department must adopt rules establishing
28 minimum standards for Medicare supplement policies that, taken
29 together with the requirements of this part, are no less
30 comprehensive or beneficial to persons insured or covered
31 under Medicare supplement policies issued, delivered, or

1 issued for delivery in this state, including certificates
2 under group or blanket policies issued, delivered, or issued
3 for delivery in this state, than the standards provided in 42
4 U.S.C. Section 1395ss, or the most recent version of the NAIC
5 Model Regulation To Implement the NAIC Medicare Supplement
6 Insurance Minimum Standards Model Act adopted by the National
7 Association of Insurance Commissioners on July 31, 1991, or
8 the Omnibus Budget Reconciliation Act of 1990 (Pub. L. No.
9 101-508).

10 (d) For policies issued on or after January 1, 1991,
11 the department may adopt rules to establish minimum policy
12 standards to authorize the types of policies specified by 42
13 U.S.C. Section 1395ss(p)(2)(c) and any optional benefits to
14 facilitate policy comparisons.

15 (3) A policy may not be filed with the department as a
16 Medicare supplement policy unless the policy meets or exceeds,
17 ~~either in a single policy or, in the case of nonprofit health~~
18 ~~care services plans, in one or more policies issued in~~
19 ~~conjunction with one another,~~ the requirements of 42 U.S.C.
20 Section 1395ss, or the most recent version of the NAIC
21 Medicare Supplement Insurance Minimum Standards Model Act,
22 adopted by the National Association of Insurance Commissioners
23 on July 31, 1991, and the Omnibus Budget Reconciliation Act of
24 1990 (Pub. L. No. 101-508).

25 Section 10. Section 627.6741, Florida Statutes, is
26 amended to read:

27 627.6741 Issuance, cancellation, nonrenewal, and
28 replacement.--

29 (1) An insurer issuing Medicare supplement policies in
30 this state shall offer the opportunity of enrolling in a
31 Medicare supplement policy, without conditioning the issuance

1 or effectiveness of the policy on, and without discriminating
2 in the price of the policy based on, the medical or health
3 status or receipt of health care by the individual:

4 (a) To any individual who is 65 years of age or older
5 and who resides in this state, upon the request of the
6 individual during the 6-month period beginning with the first
7 month in which the individual has attained 65 years of age and
8 is enrolled in Medicare part B; or

9 (b) To any individual who is 65 years of age or older
10 and is enrolled in Medicare part B, who resides in this state,
11 upon the request of the individual during the 2-month period
12 following termination of coverage under a group health
13 insurance policy.†

14
15 A Medicare supplement policy issued to an individual under
16 paragraph (a) or paragraph (b) may not exclude benefits based
17 on a pre-existing condition if the individual has a continuous
18 period of creditable coverage, as defined in s. 627.6561(5),
19 of at least 6 months as of the date of application for
20 coverage.

21
22 ~~the opportunity of enrolling in a Medicare supplement policy,~~
23 ~~without conditioning the issuance or effectiveness of the~~
24 ~~policy on, and without discriminating in the price of the~~
25 ~~policy based on, the medical or health status or receipt of~~
26 ~~health care by the individual.~~

27 (2) For both individual and group Medicare supplement
28 policies:

29 (a) An insurer shall neither cancel nor nonrenew a
30 Medicare supplement policy or certificate for any reason other
31 than nonpayment of premium or material misrepresentation.

1 (b) If it is not replacing an existing policy, a
2 Medicare supplement policy shall not limit or preclude
3 liability under the policy for a period longer than 6 months
4 because of a health condition existing before the policy is
5 effective. The policy may not define a preexisting condition
6 more restrictively than a condition for which medical advice
7 was given or treatment was recommended by or received from a
8 physician within 6 months before the effective date of
9 coverage.

10 (c) If a Medicare supplement policy or certificate
11 replaces another Medicare supplement policy or certificate or
12 creditable coverage as defined in s. 627.6561(5)~~a group~~
13 ~~health insurance policy or certificate~~, the replacing insurer
14 shall waive any time periods applicable to preexisting
15 conditions, waiting periods, elimination periods, and
16 probationary periods in the new Medicare supplement policy for
17 similar benefits to the extent such time was spent under the
18 original policy, subject to the requirements of s.
19 627.6561(6)-(11).

20 (3) For group Medicare supplement policies:

21 (a) If a group Medicare supplement insurance policy is
22 terminated by the group policyholder and not replaced as
23 provided in paragraph (c), the insurer shall offer
24 certificateholders an individual Medicare supplement policy.
25 The insurer shall offer the certificateholder at least the
26 following choices:

27 1. An individual Medicare supplement policy that
28 provides for continuation of the benefits contained in the
29 group policy.

30
31

1 2. An individual Medicare supplement policy that
2 provides only the benefits required to meet the minimum
3 standards.

4 (b) If membership in a group is terminated, the
5 insurer shall:

6 1. Offer the certificateholder conversion
7 opportunities specified in paragraph (a); or

8 2. At the option of the group policyholder, offer the
9 certificateholder continuation of coverage under the group
10 policy.

11 (c) If a group Medicare supplement policy is replaced
12 by another group Medicare supplement policy purchased by the
13 same policyholder, the succeeding insurer shall offer coverage
14 to all persons covered under the old group policy on its date
15 of termination. Coverage under the new group policy may not
16 result in any exclusion for preexisting conditions that would
17 have been covered under the group policy being replaced.

18 (4) If a policy is canceled, the insurer must return
19 promptly the unearned portion of any premium paid. If the
20 insured cancels the policy, the earned premium shall be
21 computed by the use of the short-rate table last filed with
22 the state official having supervision of insurance in the
23 state where the insured resided when the policy was issued.
24 If the insurer cancels, the earned premium shall be computed
25 pro rata. Cancellation shall be without prejudice to any
26 claim originating prior to the effective date of the
27 cancellation.

28 (5) The department shall by rule prescribe standards
29 relating to the guaranteed issue of coverage, without
30 exclusions for preexisting conditions, for continuously

31

1 covered individuals consistent with the provisions of 42
2 U.S.C. Section 1395ss(s)(3).

3 Section 11. Section 627.9403, Florida Statutes, is
4 amended to read:

5 627.9403 Scope.--The provisions of this part shall
6 apply to long-term care insurance policies delivered or issued
7 for delivery in this state, and to policies delivered or
8 issued for delivery outside this state to the extent provided
9 in s. 627.9406, by an insurer, a fraternal benefit society as
10 defined in s. 632.601, a health care services plan as defined
11 in s. 641.01, a health maintenance organization as defined in
12 s. 641.19, a prepaid health clinic as defined in s. 641.402,
13 or a multiple-employer welfare arrangement as defined in s.

15 a long-term care policy and as a Medicare supplement policy
16 shall meet the requirements of this part and the requirements
17 of ss. 627.671-627.675 and, to the extent of a conflict, be
18 subject to the requirement that is more favorable to the
19 policyholder or certificateholder. The provisions of this
20 part shall not apply to a continuing care contract issued
21 pursuant to chapter 651 and shall not apply to guaranteed
22 renewable policies issued prior to October 1, 1988. Any
23 limited benefit policy that limits coverage to care in a
24 nursing home or to one or more lower levels of care required
25 or authorized to be provided by this part or by department
26 rule must meet all requirements of this part that apply to
27 long-term care insurance policies, except s. 627.9407(3)(c),
28 (9), (10)(f), and (12), and s. 627.9407(2)~~s. 627.9407(3)(c)~~
29 ~~and (9)~~. If the limited benefit policy does not provide
30 coverage for care in a nursing home, but does provide coverage
31

1 for one or more lower levels of care, the policy shall also be
2 exempt from the requirements of s. 627.9407(3)(d).

3 Section 12. Subsection (1) of section 627.9404,
4 Florida Statutes, is amended, present subsections (7), (8),
5 (9), and (10) of that section are renumbered as subsections
6 (8), (9), (10), and (11), respectively, and a new subsection
7 (7) is added to that section, to read:

8 627.9404 Definitions.--For the purposes of this part:

9 (1) "Long-term care insurance policy" means any
10 insurance policy or rider advertised, marketed, offered, or
11 designed to provide coverage on an expense-incurred,
12 indemnity, prepaid, or other basis for one or more necessary
13 or medically necessary diagnostic, preventive, therapeutic,
14 curing, treating, mitigating, rehabilitative, maintenance, or
15 personal care services provided in a setting other than an
16 acute care unit of a hospital. Long-term care insurance shall
17 not include any insurance policy which is offered primarily to
18 provide basic Medicare supplement coverage, basic hospital
19 expense coverage, basic medical-surgical expense coverage,
20 hospital confinement indemnity coverage, major medical expense
21 coverage, disability income protection coverage, accident only
22 coverage, specified disease or specified accident coverage, or
23 limited benefit health coverage.

24 (7) "Limited benefit policy" means any policy that
25 limits coverage to care in a nursing home or to one or more
26 lower levels of care required or authorized to be provided by
27 this part or by department rule.

28 Section 13. Paragraph (a) of subsection (4) of section
29 627.9407, Florida Statutes, is amended, and subsection (13) is
30 added to that section, to read:

31

1 627.9407 Disclosure, advertising, and performance
2 standards for long-term care insurance.--

3 (4) PREEXISTING CONDITION.--

4 (a) A long-term care insurance policy or certificate,
5 other than a policy or certificate issued to a group referred
6 to in s. 627.9405(1)(a), may not use a definition of
7 "preexisting condition" which is more restrictive than the
8 following: "Preexisting condition" means ~~the existence of~~
9 ~~symptoms which would cause an ordinarily prudent person to~~
10 ~~seek diagnosis, care, or treatment, or~~ a condition for which
11 medical advice or treatment was recommended by or received
12 from a provider of health care services within 6 months
13 preceding the effective date of coverage of an insured person.

14 (13) ADDITIONAL DISCLOSURE.--A limited benefit policy
15 qualified under s. 7702B of the Internal Revenue Code must
16 include a disclosure statement within the policy and within
17 the outline of coverage that the policy is intended to be a
18 qualified limited benefit insurance contract. A limited
19 benefit policy that is not intended to be a qualified limited
20 benefit insurance contract must include a disclosure statement
21 within the policy and within the outline of coverage that the
22 policy is not intended to be a qualified limited benefit
23 insurance contract. The disclosure must be prominently
24 displayed and must read as follows: "This limited benefit
25 insurance policy is not intended to be a qualified limited
26 benefit insurance contract. You need to be aware that benefits
27 received under this policy may create unintended, adverse
28 income tax consequences to you. You may want to consult with a
29 knowledgeable individual about such potential income tax
30 consequences."

31

1 Section 14. Subsection (2) of section 627.94073,
2 Florida Statutes, is amended to read:
3 627.94073 Notice of cancellation; grace period.--
4 (2) A long-term care policy may not be canceled for
5 nonpayment of premium unless, after expiration of the grace
6 period in subsection (1), and at least 30 days prior to the
7 effective date of such cancellation, the insurer has mailed a
8 notification of possible lapse in coverage to the policyholder
9 and to a specified secondary addressee if such addressee has
10 been designated in writing by name and address by the
11 policyholder. For policies issued or renewed on or after
12 October 1, 1996, the insurer shall notify the policyholder, at
13 least once every 2 years, of the right to designate a
14 secondary addressee. The applicant has the right to designate
15 at least one person who is to receive the notice of
16 termination, in addition to the insured. Designation shall not
17 constitute acceptance of any liability on the third party for
18 services provided to the insured. The form used for the
19 written designation must provide space clearly designated for
20 listing at least one person. The designation shall include
21 each person's full name and home address. In the case of an
22 applicant who elects not to designate an additional person,
23 the waiver shall state: "Protection against unintended
24 lapse.--I understand that I have the right to designate at
25 least one person other than myself to receive notice of lapse
26 or termination of this long-term care/limited benefit
27 ~~long-term care~~ insurance policy for nonpayment of premium. I
28 understand that notice will not be given until 30 days after a
29 premium is due and unpaid. I elect NOT to designate any person
30 to receive such notice." Notice shall be given by first class
31 United States mail, postage prepaid, and notice may not be

1 given until 30 days after a premium is due and unpaid. Notice
2 shall be deemed to have been given as of 5 days after the date
3 of mailing.

21 Section 16. Section 641.285, Florida Statutes, is
22 amended to read:

23 641.285 Insolvency protection.--

24 (1) ~~Unless otherwise provided in this section,~~ Each
25 health maintenance organization shall deposit with the
26 department cash or securities of the type eligible under s.
27 625.52, which shall have at all times a market value in the
28 amount set forth in this subsection. The amount of the
29 deposit shall be reviewed annually, or more often, as the
30 department deems necessary. The market value of the deposit
31 shall be a minimum of \$300,000.~~the greater of:~~

1 ~~(a) Twice its reasonably estimated average monthly~~
2 ~~uncovered expenditures; or~~

3 ~~(b) \$100,000.~~

4 (2) If securities or assets deposited by a health
5 maintenance organization under this part are subject to
6 material fluctuations in market value, the department may, in
7 its discretion, require the organization to deposit and
8 maintain on deposit additional securities or assets in an
9 amount as may be reasonably necessary to assure that the
10 deposit will at all times have a market value of not less than
11 the amount specified under this section.

12 ~~(a)~~ If for any reason the market value of assets and
13 securities of a health maintenance organization held on
14 deposit in this state under this code falls below the amount
15 required, the organization shall promptly deposit other or
16 additional assets or securities eligible for deposit
17 sufficient to cure the deficiency. If the health maintenance
18 organization has failed to cure the deficiency within 30 days
19 after receipt of notice thereof by registered or certified
20 mail from the department, the department may revoke the
21 certificate of authority of the health maintenance
22 organization.

23 ~~(b) A health maintenance organization may, at its~~
24 ~~option, deposit assets or securities in an amount exceeding~~
25 ~~its deposit required or otherwise permitted under this code by~~
26 ~~not more than 20 percent of the required or permitted deposit,~~
27 ~~or \$20,000, whichever is the larger amount, for the purpose of~~
28 ~~absorbing fluctuations in the value of securities and assets~~
29 ~~deposited and to facilitate the exchange and substitution of~~
30 ~~securities and assets. During the solvency of the health~~
31 ~~maintenance organization, any excess shall be released to the~~

1 ~~organization upon its request. During the insolvency of the~~
2 ~~health maintenance organization, any excess deposit shall be~~
3 ~~released only as provided in s. 625.62.~~

4 (3) Whenever the department determines that the
5 financial condition of a health maintenance organization has
6 deteriorated to the point that the policyholders' or
7 subscribers' best interests are not being preserved by the
8 activities of a health maintenance organization, the
9 department may require such health maintenance organization to
10 deposit and maintain deposited in trust with the department
11 for the protection of the health maintenance organization's
12 policyholders, subscribers, and creditors, for such time as
13 the department deems necessary, securities eligible for such
14 deposit under s. 625.52 having a market value of not less than
15 the amount that the department determines is necessary, which
16 amount must not be less than \$100,000 or greater than \$2
17 million. The deposit required under this subsection is in
18 addition to any other deposits required of a health
19 maintenance organization pursuant to subsections (1) and (2).
20 ~~The department shall waive the deposit requirements set forth~~
21 ~~in subsection (1) whenever it is satisfied that:~~

22 ~~(a) The health maintenance organization has sufficient~~
23 ~~surplus and an adequate history of generating net income to~~
24 ~~assure its financial viability for the next year;~~

25 ~~(b) The performance and obligations of the health~~
26 ~~maintenance organization are guaranteed by a guaranteeing~~
27 ~~organization of the type and subject to the same provisions as~~
28 ~~outlined in s. 641.225; or~~

29 ~~(c) The assets of the health maintenance organization~~
30 ~~or its contracts with any insurer, health care provider,~~
31 ~~governmental entity, or other person are reasonably sufficient~~

1 ~~to assure the performance of the obligations of the~~
2 ~~organization.~~

3 (4) All income from deposits shall belong to the
4 depositing health maintenance organization and shall be paid
5 to it as it becomes available. A health maintenance
6 organization that has made a securities deposit may withdraw
7 that deposit, or any part thereof, after making a substitute
8 deposit of cash or eligible securities or any combination of
9 these or other acceptable measures of equal amount and value.

10 ~~(5)(a) The requirements of this section do not apply~~
11 ~~to an applying or licensed health maintenance organization~~
12 ~~which has a plan, approved by the department, for handling~~
13 ~~insolvency which provides for continuation of benefits and~~
14 ~~payments to unaffiliated providers for services rendered both~~
15 ~~prior to and after insolvency for the duration of the contract~~
16 ~~period for which payment has been made, except that benefits~~
17 ~~to members who are confined on the date of insolvency in an~~
18 ~~inpatient facility shall be continued until their discharge.~~
19 ~~This plan shall include at least one of the following:~~

20 1. ~~Contracts of insurance or reinsurance on file with~~
21 ~~the department that will protect subscribers in the event the~~
22 ~~health maintenance organization is unable to meet its~~
23 ~~obligations. Each agreement between the organization and an~~
24 ~~insurer shall be subject to the laws of this state regarding~~
25 ~~reinsurance. Each agreement and any modification thereto~~
26 ~~shall be filed with and approved by the department. Each~~
27 ~~agreement shall remain in full force and in effect until~~
28 ~~replaced or for at least 90 days following written~~
29 ~~notification to the department by registered mail of~~
30 ~~cancellation or termination by either party. The department~~

31

1 ~~shall be endorsed on the agreement as an additional insured~~
2 ~~party.~~

3 ~~2. Contractual arrangements with health care providers~~
4 ~~that include a guarantee by the provider to continue providing~~
5 ~~health care services to any subscriber of the health~~
6 ~~maintenance organization, upon insolvency of the organization,~~
7 ~~until the end of the contract period for which payment by or~~
8 ~~on behalf of the subscriber has been made or the discharge of~~
9 ~~the subscriber from an inpatient facility, whichever occurs~~
10 ~~later; or~~

11 ~~3. Other measures acceptable to the department.~~

12 ~~(b) The department shall reduce the deposit~~
13 ~~requirements specified in subsection (1) whenever the~~
14 ~~department has determined that the health maintenance~~
15 ~~organization has a plan for handling insolvency which~~
16 ~~partially meets the requirements of this section. The amount~~
17 ~~of the deposit reduction shall be based on the extent to which~~
18 ~~the organization meets the requirements of this section.~~

19 Section 17. Section 641.26, Florida Statutes, is
20 amended to read:

21 641.26 Annual report.--

15 that such reserves are understated to the extent of materially
16 misstating the financial position of the health maintenance
17 organization. Workpapers in support of the statement of the
18 updated actuarial certification must be provided to the
19 department upon request.

20 (3)(2) Every health maintenance organization shall
21 file quarterly, within 45 days after each of its quarterly
