5 accountability. Once an account is established within a trust
6 fund, the Comptroller shall authorize payment from that
7 account only upon determining that there is sufficient cash
8 and releases at the level of the account.

9 2. In order to maintain a minimum number of trust
10 funds in the State Treasury, each state agency or the judicial

18 3. All such moneys are hereby appropriated to be

31 (c),

1
2 to the Executive Office of the Governor, the Comptroller, the
3 Auditor General, the Chief Justice of the Supreme Court, and
4 each state agency. The statement of intent constitutes a
5 manifestation of how the Legislature, in its considered
6 opinion as a representative of the people, thinks
7 appropriations should be spent. The statement of intent is
8 not a law and may not allocate or appropriate any funds, or
9 amend or correct any provision, in the General Appropriations
10 Act, but the statement of intent may provide additional
11 explanation to the Executive Office of the Governor, the
12 judicial branch, the Governor ~~Administration Commission~~, and
13 each affected state agency relative to the purpose,

17 branch or the recommendation of the Governor to the funds
18 appropriated for the purpose of establishing intent in the
19 development of the approved operating budget. A request for
20 additional explanation and direction regarding the legislative
21 intent of the General Appropriations Act during the fiscal
22 year may be made only by and through the Executive Office of
23 the Governor for state agencies, and by and through the Chief
24 Justice of the Supreme Court for the judicial branch, as is

26 further clarification of legislative intent pursuant to the
27 Comptroller's responsibilities related to his or her preaudit
28 function of expenditures.

29 (2)(a) Whenever notice of action to be taken by the
30 Executive Office of the Governor, the Chief Justice of the
31 Supreme Court, or the Governor ~~commission~~ is required by this

1 chapter, such notice shall be given to the chairs of the
2 legislative appropriations committees in writing, and shall be
3 delivered to both such chairs at least 14 consecutive days
4 prior to the action referred to, unless a shorter period is
5 approved in writing by both such chairs. Action shall not be
6 taken on any budget item for which this chapter requires
7 notice to the legislative appropriations committees without
8 such notice having been provided, even though there may be
9 good cause for considering such item.

10 (b) If the chairs of the legislative appropriations
11 committees or the President of the Senate and the Speaker of
12 the House of Representatives timely advise, in writing, the
13 Executive Office of the Governor, the Chief Justice of the
14 Supreme Court, or the Governor ~~Administration Commission~~ that
15 an action or a proposed action subject to the notice and
16 review requirements of this chapter exceeds the delegated
17 authority of the Executive Office of the Governor for the
18 executive branch, the Chief Justice for the judicial branch,
19 or the Governor ~~Administration Commission~~, respectively, or is
20 contrary to legislative policy and intent, the Governor or,
21 the Chief Justice of the Supreme Court, ~~or the Administration~~
22 ~~Commission~~ shall void such action and instruct the affected
23 state agency or entity of the judicial branch to change
24 immediately its spending action or spending proposal until the
25 Legislature addresses the issue. The written documentation
26 shall indicate the specific reasons that an action or proposed
27 action exceeds the delegated authority or is contrary to
28 legislative policy and intent.

29 (c) The House of Representatives and the Senate shall
30 provide by rule that any member of the House of
31 Representatives or Senate may request, in writing, of either

1 the President of the Senate or the Speaker of the House of
2 Representatives or the chair of the respective legislative
3 appropriations committee to initiate the procedures of
4 paragraph (b).

5 (3) The Legislature may annually specify any
6 incentives and disincentives for agencies operating programs
7 under performance-based program budgets pursuant to this
8 chapter in the General Appropriations Act or legislation
9 implementing the General Appropriations Act.

10 Section 28. Section 216.179, Florida Statutes, is
11 amended to read:

12 216.179 Reinstatement of vetoed appropriations by
13 administrative means prohibited.--After the Governor has
14 vetoed a specific appropriation for an agency or the judicial
15 branch, neither the Governor, ~~the Administration Commission,~~
16 nor the Chief Justice of the Supreme Court, in their various
17 statutory and constitutional roles, may authorize expenditures
18 for or implementation in any manner of the programs that were
19 authorized by the vetoed appropriation.

11 Chief Justice for the judicial branch:

12 (a) The amendment must be consistent with legislative
13 policy and intent.

14 (b) The amendment may not initiate or commence a new
15 program, except as authorized by this chapter, or eliminate an
16 existing program.

17 (c) Except as authorized in s. 216.292 or other
18 provisions of this chapter, the amendment may not provide
19 funding or increased funding for items which were funded by
20 the Legislature in an amount less than that requested by the
21 agency or Governor in the legislative budget request or which
22 were vetoed by the Governor.

23 (d) For amendments that involve trust funds, there
24 must be adequate and appropriate revenues available in the
25 trust fund and the amendment must be consistent with the laws
26 authorizing such trust funds and the laws relating to the use
27 of the trust funds. However, a trust fund shall not be

3 legislative budget request and not funded in the General
4 Appropriations Act.

5 (g) The amendment must include a written description
6 of the purpose of the proposed change, an indication of why
7 interim budget action is necessary, and the intended recipient
8 of any funds for contracted services.

9 (h) The amendment must not provide general salary
10 increases which the Legislature has not authorized in the
11 General Appropriations Act or other laws.

12 (4)

13 (b) The Executive Office of the Governor may amend,
14 without approval of the Governor ~~Administration Commission~~,
15 state agency budgets to reflect the transferred funds based on
16 the approved plans for lump-sum appropriations.

17

 12 subject to the notice, review, and objection procedures set
 13 forth in s. 216.177.

14 (10) Where any reorganization has been authorized by
