2. Unless otherwise provided in this section, an absentee ballot must be mailed directly to the elector at the address shown on the registration books or to an address outside of the county as designated by the elector. No more than two absentee ballots may be mailed to the same address unless the address is that shown on the registration books or the address is for a hospital, assisted-living facility, nursing home, short-term medical or rehabilitation facility, or correctional facility and the supervisor is satisfied that the mailing of the absentee ballot to an address, other than as shown on the registration books, will not compromise the integrity of the election.

Section 2. This act shall take effect January 1, 1999.
