Senator Clary moved the following amendment:

**Senate Amendment (with title amendment)**

On page 15, between lines 16 and 17,

insert:

Section 11. Section 481.222, Florida Statutes, is created to read:

481.222 Architects performing building code inspector duties.--Notwithstanding any other provision of this part, a person currently licensed to practice as an architect under this part may provide building inspection services described in s. 468.603(6) and (7) to a local government or state agency upon its request, without being certified by the Board of Building Code Administrators and Inspectors under part XIII of chapter 468. When performing these building inspection services, the architect is subject to the disciplinary guidelines of this part and s. 468.621(1)(c)-(q). The complaint processing, investigation, and discipline shall be conducted by the Board of Architecture and Interior Design rather than the Board of Building Code Administrators and

1 Inspectors. An architect may not perform plans review as an  
2 employee of a local government upon any job that the architect  
3 or the architect's company designed.

4 Section 12. Section 471.0381, Florida Statutes, is  
5 created to read:

6 471.0381 Professional engineers performing building  
7 code inspector duties.--Notwithstanding any other provisions  
8 of this part, a person currently licensed to practice as a  
9 professional engineer under this part may provide building  
10 inspection services described in s. 468.603(6) and (7) to a  
11 local government or state agency upon its request, without  
12 being certified by the Board of Building Code Administrators  
13 and Inspectors under part XIII of chapter 468. When performing  
14 these building inspection services, the professional engineer  
15 is subject to the disciplinary guidelines of this chapter and  
16 s. 468.621(1)(c)-(g). The complaint processing, investigation,  
17 and discipline shall be conducted by the Board of Professional  
18 Engineers rather than the Board of Building Code  
19 Administrators and Inspectors. A professional engineer may not  
20 perform plans review as an employee of a local government upon  
21 any job that the professional engineer or the professional  
22 engineer's company designed.
