I. Amendments Contained in Message

House Amendment #1 - 934829 (body)

II. Summary of Amendments Contained in Message

House Amendment 1 allows the work group to make the final determination, rather than the President of the Senate and the Speaker of the House, concerning the use or disposition of the AEI facility. However, any use or disposition of the facility would be subject to legislative objection criteria routinely used for budget amendments under s. 216.177, F.S., and/or would be effectively contingent upon operational funding provided by the 1999 Legislature.
