Amendment No. \_\_\_\_

1 basis. State premium tax moneys shall not be used to provide  
2 benefits for members hired after the municipality or special  
3 fire control district revokes participation under this  
4 chapter. Premium tax moneys previously received shall continue  
5 to be used for the sole and exclusive benefit of firefighters,  
6 or firefighters and police officers where included, and no  
7 amendment, legislative act, ordinance, or resolution shall be  
8 adopted that has the effect of reducing the then-vested  
9 accrued benefits of the firefighters, retirees, or their  
10 beneficiaries. The municipality or special fire control  
11 district shall continue to furnish an annual report to the  
12 division as provided in s. 175.261. If the municipality or  
13 special fire control district subsequently terminates the  
14 defined benefit plan, it must do so in compliance with s.  
15 175.361.
