22 Be It Enacted by the Legislature of the State of Florida:

23

24 Section 1. Section 236.08106, Florida Statutes, is  
25 created to read:

26

236.08106 Excellent Teaching Program.--

27

(1) The Legislature recognizes that teachers play a  
28 critical role in preparing students to achieve the high levels  
29 of academic performance expected by the Sunshine State  
30 Standards. The Legislature further recognizes the importance  
31 of identifying and rewarding teaching excellence and of

1 encouraging good teachers to become excellent teachers. The  
2 Legislature finds that the National Board of Professional  
3 Teaching Standards (NBPTS) has established high and rigorous  
4 standards for accomplished teaching and has developed a  
5 national voluntary system for assessing and certifying  
6 teachers who demonstrate teaching excellence by meeting those  
7 standards. It is therefore the Legislature's intent to provide  
8 incentives for teachers to seek NBPTS certification and to  
9 reward teachers who demonstrate teaching excellence by  
10 attaining NBPTS certification and sharing their expertise with  
11 other teachers.

12 (2) The Excellent Teaching Program is created to  
13 provide categorical funding for monetary incentives and  
14 bonuses for teaching excellence. The Department of Education  
15 shall allocate and distribute to each school district an  
16 amount as prescribed annually by the Legislature for the  
17 Excellent Teaching Program. Unless otherwise provided in the  
18 General Appropriations Act, each school district's annual  
19 allocation shall be the sum of the amounts earned for the  
20 following incentives and bonuses:

21 (a) A fee subsidy to be paid by the school district to  
22 the NBPTS on behalf of each individual who is an employee of  
23 the district school board or a public school within that  
24 school district, who is certified by the district to have  
25 demonstrated satisfactory teaching performance pursuant to s.  
26 231.29 and, who satisfies the prerequisites for participating  
27 in the NBPTS certification program, and who agrees, in  
28 writing, to pay 10 percent of the NBPTS participation fee and  
29 to participate in the NBPTS certification program during the  
30 school year for which the fee subsidy is provided. The fee  
31 subsidy for each eligible participant shall be an amount equal

1 to 90 percent of the fee charged for participating in the  
2 NBPTS certification program, but not more than \$1,800 per  
3 eligible participant. The fee subsidy is a one-time award and  
4 may not be duplicated for any individual.

5 (b) A portfolio-preparation incentive of \$150 for each  
6 teacher employed by the district school board or a public  
7 school within the district who is participating in the NBPTS  
8 certification program. The portfolio-preparation incentive is  
9 a one-time award paid during the school year for which the  
10 NBPTS fee subsidy is provided.

11 (c) An annual bonus equal to 10 percent of the prior  
12 fiscal year's statewide average salary for classroom teachers  
13 to be paid to each individual who holds NBPTS certification  
14 and is employed by the district school board or by a public  
15 school within that school district. The district school board  
16 shall distribute the annual bonus to each individual who meets  
17 the requirements of this paragraph and who is certified  
18 annually by the district to have demonstrated satisfactory  
19 teaching performance pursuant to s. 231.29. The annual bonus  
20 may be paid as a single payment or divided into not more than  
21 three payments.

22 (d) An annual bonus equal to 10 percent of the prior  
23 fiscal year's statewide average salary for classroom teachers  
24 to be paid to each individual who meets the requirements of  
25 paragraph (c) and agrees, in writing, to provide the  
26 equivalent of 12 workdays of mentoring and related services to  
27 public school teachers within the district who do not hold  
28 NBPTS certification. The district school board shall  
29 distribute the annual bonus in a single payment following the  
30 completion of all required mentoring and related services for  
31 the year. It is not the intent of the Legislature to remove

1 excellent teachers from their assigned classrooms, therefore,  
2 credit may not be granted by a school district or public  
3 school for mentoring or related services provided during the  
4 regular school day or during the 196 days of required service  
5 for the school year.

6 (e) The district shall receive an amount equal to 50  
7 percent of the teacher bonuses provided under paragraph (c)  
8 and (d), which shall be used by the district for professional  
9 development of teachers. The district must give priority to  
10 using all funds received pursuant to this paragraph for  
11 professional development of teachers employed at schools  
12 identified as performing at critically low levels.

13  
14 A teacher for whom the state pays the certification fee and  
15 who does not complete the certification program or does not  
16 teach in a public school of this state for a least 1 year  
17 after completing the certification program must repay the  
18 amount of the certification fee to the state. However, a  
19 teacher who completes the certification program but fails to  
20 be awarded NBPTS certification is not required to repay the  
21 amount of the certification fee if the teacher meets the  
22 1-year teaching requirement. Repayment is not required of a  
23 teacher who does not complete the certification program or  
24 fails to fulfill the teaching requirement because of the  
25 teacher's death or disability or because of other extenuating  
26 circumstances as determined by the State Board of Education.

27 Section 2. Paragraph (a) of subsection (5) of section  
28 236.081, Florida Statutes, as amended by chapter 97-380, Laws  
29 of Florida, is amended to read:

31 allocation from the Florida Education Finance Program to each

4 follows:

7 programs to assist in the development and maintenance of

10 general and transitional categorical programs. It is the

13 of original authorization. Such programs are as follows:
