10 Be It Enacted by the Legislature of the State of Florida:

11
12 Section 1. Subsection (1) of section 186.021, Florida
13 Statutes, is amended to read:

14 186.021 State agency strategic plans.--

15 (1) A state agency strategic plan shall be a statement
16 of the priority directions an agency will take to carry out
17 its mission within the context of the state comprehensive plan
18 and any other statutory mandates and authorizations given to
19 the agency. Each state agency strategic plan must identify
20 infrastructure needs, capital improvement needs, and
21 information resources management projects or initiatives that
22 involve more than one agency, that have an outcome that
23 impacts another agency, or that exceed \$500,000 in total cost
24 over a 1-year period, except for those projects that are a
25 continuation of hardware or software maintenance or software
26 licensing agreements, or that are for desktop replacement that
27 is similar to the technology currently in use. Each agency
28 strategic plan shall specify those objectives against which
29 will be judged the agency's achievement of its goals and the
30 goals of the state comprehensive plan. The state agency
31

1 strategic plan shall be consistent with and shall further the
2 goals of the state comprehensive plan.

3 Section 2. Subsection (4) of section 216.181, Florida
4 Statutes, is amended to read:

5 216.181 Approved budgets for operations and fixed
6 capital outlay.--

7 (4) All amendments to the original approved operating
8 budgets, regardless of funding source, are subject to the
9 notice and review procedures set forth in s. 216.177 and must
10 be approved by the Governor and Administration Commission as
11 provided in this chapter for the executive branch and the
12 Chief Justice for the judicial branch if the amendment is for
13 an information resources management project or initiative that
14 involves more than one agency, has an outcome that impacts
15 another agency, or exceeds \$500,000 in total cost over a
16 1-year period, except for those projects that are a
17 continuation of hardware or software maintenance or software
18 licensing agreements, or that are for desktop replacement that
19 is similar to the technology currently in use.

20 Section 3. Subsection (9) of section 186.022, Florida
21 Statutes, is amended to read:

22 186.022 State agency strategic plans; preparation,
23 form, and review.--

24 (8) Each agency shall submit by September 1 of each
25 year an annual performance report to the Executive Office of
26 the Governor, with copies to the President of the Senate, the
27 Speaker of the House of Representatives, and the Auditor
28 General. The purpose of this report is to evaluate the
29 attainment of the agency objectives in the agency strategic
30 plan.

31

1 (9) By March 1 of each year, the Geographic
2 Information Board, the Financial Management Information Board,
3 the Criminal and Juvenile Justice Information Systems Council,
4 and the Health Information Systems Council shall each develop
5 a strategic plan following the general statutory requirements
6 that are applicable to agencies pursuant to s. 186.021(1),
7 (2), and (3). The strategic plan shall be subject to the
8 requirements, and the review and approval processes, set forth
9 in subsections (2) through (8)~~(7)~~, with the following
10 exceptions:

11 (a) The Executive Office of the Governor, after
12 consultation with the President of the Senate and the Speaker
13 of the House of Representatives, may prescribe a specific
14 format and content for the strategic plans of coordinating
15 boards and councils.

16 (b) The time periods for review and return of any
17 required strategic plan revisions, incorporation of such
18 revisions by the boards or councils, and resolution of
19 disputes shall be established by the Executive Office of the
20 Governor, after consultation with the President of the Senate
21 and the Speaker of the House of Representatives.

22 Section 4. Subsection (1) of section 282.3063, Florida
23 Statutes, is amended to read:

24 282.3063 Agency Annual Information Resources
25 Management Report.--

26 (1) By September 1 ~~November 1~~ of each year, and for
27 the State University System within 90 days after completion of
28 the expenditure analysis developed pursuant to s. 240.271(4),
29 each Chief Information Officer shall prepare and submit to the
30 State Technology Office an Agency Annual Information Resources
31 Management Report. Following consultation with the State

1 Technology Council and the Chief Information Officers Council,
2 the Executive Office of the Governor and the fiscal committees
3 of the Legislature shall jointly develop and issue
4 instructions for the format and contents of the report.

5 Section 5. Subsections (1) and (2) of section 282.310,
6 Florida Statutes, are amended to read:

7 282.310 State Annual Report on Information Resources
8 Management.--

9 (1) By January 15 ~~March 1~~ of each year, the State
10 Technology Office shall develop a State Annual Report on
11 Information Resources Management.

12 (2) The State Annual Report on Information Resources
13 Management shall contain, at a minimum, the following:

14 (a) The state vision for information resources
15 management.

16 (b) A forecast of the state information resources
17 management priorities and initiatives for the ensuing 2 years.

19 by the State Technology Council for information resources
20 management.

21 (d) A summary of memoranda issued by the Executive
22 Office of the Governor.

23 (e) An assessment of the overall progress on state
24 information resources management initiatives and priorities
25 for the past fiscal year.

26 (f) A summary of major statewide issues related to
27 improving information resources management by the state.

28 (g) An inventory list, by major categories, of state
29 information technology resources.

30 (h) A summary of the total expenditures for
31 information resources management by each state agency.

1 (i) A summary of the opportunities for government
2 agencies or entities to share information resources management
3 projects or initiatives with other governmental or private
4 sector entities.

5 (j) A list of the information resources management
6 issues that have been identified as statewide or critical
7 issues for which the State Technology Council could provide
8 leadership or assistance.

9
10 The state annual report shall also include information
11 resources management information from the annual reports
12 prepared by the Board of Regents for the State University
13 System, from the State Board of Community Colleges for the
14 State Community College System, from the Supreme Court for the
15 judicial branch, and from the Justice Administrative
16 Commission on behalf of the ~~each state attorneys attorney~~ and
17 public defenders ~~defender~~. Expenditure information shall be
18 taken from each agency's annual report as well as the annual
19 reports of the Board of Regents, the State Board of Community
20 Colleges, the Supreme Court, and the Justice Administrative
21 Commission ~~the state attorneys, and the public defenders~~.

22 Section 6. Subsection (3) of section 282.3091, Florida
23 Statutes, is amended tor read:

24 282.3091 State Technology Council; creation.--

25 (3) The council shall be composed of nine members as
26 follows:

27 (a) The director of the Governor's Office of Planning
28 and Budgeting, who shall serve as chair of the council.

29 (b) The Comptroller.

30 (c) The Commissioner of Education.

31 (d) The Secretary of State.

1 (e) The secretary of the Department of Management
2 Services.

3 (f) Two state agency heads appointed by the Governor.

4 (g) Two private sector representatives, one appointed
5 by the Speaker of the House of Representatives and one
6 appointed by the President of the Senate, who are not current
7 members of the Legislature. Private sector representatives
8 shall, at a minimum, have a general knowledge of or experience
9 in managing information technology resources. However,
10 representatives of information technology resource vendors or
11 any of their subsidiaries that sell products or services to
12 the state shall not be appointed to serve as a private sector
13 representative.

14

17 directly to the member.

18 Section 7. Section 282.322, Florida Statutes, is
19 amended to read:

20 282.322 Special monitoring process for designated
21 information resources management projects.--For each
22 information resources management project which is designated
23 for special monitoring in the General Appropriations Act, with
24 a proviso requiring a contract with a project monitor, the
25 Technology Review Workgroup established pursuant to s.
26 216.0446, in consultation with each affected agency, shall be
27 responsible for contracting with the project monitor. Upon
28 contract award, funds equal to the contract amount shall be
29 transferred to the Technology Review Workgroup upon request
30 and subsequent approval of a budget amendment pursuant to s.
31 216.292. With the concurrence of the Legislative Auditing

1 Committee, the office of the Auditor General shall be the
2 project monitor for other projects designated for special
3 monitoring. However, nothing in this section precludes the
4 Auditor General from conducting such monitoring on any project
5 designated for special monitoring. In addition to monitoring
6 and reporting on significant communications between a
7 contracting agency and the appropriate federal authorities,
8 the project monitoring process shall consist of evaluating
9 each major stage of the designated project to determine
10 whether the deliverables have been satisfied and to assess the
11 level of risks associated with proceeding to the next stage of
12 the project. The major stages of each designated project shall
13 be determined based on the agency's information systems
14 development methodology. At the end of each quarter and within
15 20 days after an agency has completed a major stage of its
16 designated project, the project monitor shall issue a written
17 report, including the findings and recommendations for
18 correcting deficiencies, to the agency head, for review and
19 comment. Within 20 days after receipt of the project monitor's
20 report, the agency head shall submit a written statement of
21 explanation or rebuttal concerning the findings and
22 recommendations of the project monitor, including any
23 corrective action to be taken by the agency. The project
24 monitor shall include the agency's statement in its final
25 report which shall be forwarded, within 7 days after receipt
26 of the agency's statement, to the agency head, the inspector
27 general's office of the agency, the Executive Office of the
28 Governor, the appropriations committees of the Legislature,
29 the Joint Legislative Auditing Committee, the Technology
30 Review Workgroup, ~~and~~ the Legislative Information Technology
31 Resource Committee, and the Office of Program Policy Analysis

1 and Government Accountability. The Auditor General shall also
2 receive a copy of the project monitor's report for those
3 projects in which the Auditor General is not the project
4 monitor.
