 - (5)
-

I. SUMMARY:

This bill authorizes municipal governing bodies to expend public funds to attract and retain business enterprises.

The bill specifies that such use of public funds constitutes a public purpose, and the bill defines economic development activities as including but not limited to the following:

- developing or improving local infrastructure;
- issuing bonds to finance or refinance the cost of capital projects for industrial or manufacturing plants;
- leasing or conveying real property and
- making grants to private enterprises for the expansion of businesses to the community

This bill does not expand the rulemaking authority of a state agency and has no fiscal impact.
