27 section 372.57, Florida Statutes, are amended, paragraph (g)
28 is added to said subsection, and subsection (7), paragraphs

1 372.57 Licenses and permits; exemptions; fees.--No
2 person, except as provided herein, shall take game, freshwater
3 fish, or fur-bearing animals within this state without having
4 first obtained a license, permit, or authorization and paid
5 the fees hereinafter set forth, unless such license is issued
6 without fee as provided in s. 372.561. Such license, permit,
7 or authorization shall authorize the person to whom it is
8 issued to take game, freshwater fish, or fur-bearing animals
9 in accordance with law and commission rules. Such license,
10 permit, or authorization is not transferable. Each license or
11 permit must bear on its face in indelible ink the name of the
12 person to whom it is issued and other information requested by
13 the commission. Such license, permit, or authorization issued
14 by the commission or any agent must be in the personal
15 possession of the person to whom issued while taking game,
16 freshwater fish, or fur-bearing animals. The failure of such
17 person to exhibit such license, permit, or authorization to
18 the commission or its wildlife officers, when such person is
19 found taking game, freshwater fish, or fur-bearing animals, is
20 a violation of law. A positive form of identification is

23 based upon economic compensation desired by the landowner,
24 game population levels, desired hunter density, and
25 administrative costs. The permit fee shall be set by
26 commission rule on a per-acre basis. On property currently in
27 the private landowner payment program, the prior year's

29 fee so as to decrease the permit fee for the users of that
30 property. The spouse and dependent children of a permittee are

8 license must be in the possession of the licenseholder or
9 aboard the vessel and shall be subject to inspection at any
10 time that harvesting activities for which a license is

28 the income of the person, firm, or corporation is attributable

3 attributable to work, employment, entrepreneurship, pensions,
4 retirement benefits, and social security benefits. To renew an
5 existing restricted species endorsement, marine aquaculture

2 verification of income and sales value at the person's retail
3 seafood market and/or restaurant and in his or her saltwater
4 products enterprise by affidavit and shall thereupon be issued
5 a restricted species endorsement.

6 2. Exceptions from income requirements shall be as
7 follows:

8 a. A permanent restricted species endorsement shall be
9 available to those persons age 62 and older who have qualified
10 for such endorsement for at least 3 out of the last 5 years.

11 b. Active military duty time shall be excluded from
12 consideration of time necessary to qualify and shall not be
13 counted against the applicant for purposes of qualifying.

14 c. Upon the sale of a used commercial fishing vessel
15 owned by a person, firm, or corporation possessing or eligible
16 for a restricted species endorsement, the purchaser of such
17 vessel shall be exempted from the qualifying income
18 requirement for the purpose of obtaining a restricted species
19 endorsement for a period of 1 year after purchase of the
