Senator Hargrett moved the following amendment:

Senate Amendment (with title amendment)

On page 2, between lines 2 and 3,

insert: (2) If no specific legislation is passed during the 1999 legislative session to direct the department to implement a motor vehicle inspection program, the department may issue a Request for Proposal and enter a contract for a biennial inspection program for vehicles five model years and older using the basic test for hydrocarbon emissions and carbon monoxide emissions. The requirements for the program included in the proposals must be based on the requirements under chapter 325, Florida Statutes, unless those requirements conflict with this section. No contract entered into under this subsection may be for longer than 2 years.

Notwithstanding the provisions of s. 325.214, if the fee for motor vehicle inspection proposed by the Department of Highway Safety and Motor Vehicles will exceed \$10 per inspection, the department may impose the higher fee if such fee is approved through the budget amendment process set forth in chapter 216
