17 amended to read:

18 260.012 Declaration of policy and legislative
19 intent.--

20 (1) In order to recognize the benefits ~~provide the~~
21 ~~public with access to the use, enjoyment, and appreciation of~~
22 the outdoor areas of Florida, and in order to conserve,
23 develop, and use the natural resources of this state for
24 healthful and recreational purposes, it is declared to be the
25 public policy of this state and the purpose of ss.
26 260.011-260.018 to provide the means and procedures for
27 establishing and expanding a statewide system of greenways and
28 trails for recreational and conservation purposes which shall
29 be designated as the "Florida Greenways and Trails System."
30 The standards by which the greenways and trails system shall
31 be acquired, designated,administered, maintained, used, and

1 expanded shall be consistent with the provisions of ss.
2 260.011-260.018. It is the intent of the Legislature that
3 these greenways and trails will serve to implement the
4 concepts of ecosystems management while providing, where
5 appropriate, recreational opportunities, including, but not
6 limited to, horseback riding, hiking, bicycling, canoeing,
7 jogging, and historical and archeological interpretation,
8 thereby improving the health and welfare of the people.

9 (2) It is the intent of the Legislature that a
10 statewide system of greenways and trails be established to
11 provide open space benefiting environmentally sensitive lands
12 and wildlife and providing people with access to healthful
13 outdoor activities. It is also the intent of the Legislature
14 to acquire or designate lands to facilitate the establishment
15 of a statewide system of greenways and trails; to encourage
16 the multiple use of public rights-of-way and use to the
17 fullest extent existing and future scenic roads, highways,
18 park roads, parkways, greenways, trails, and national
19 recreational trails; to encourage the development of greenways
20 and trails by counties, cities, and special districts and to
21 assist in such development by any means available; to
22 coordinate greenway and trail plans and development by local
23 governments with one another and with the state government and
24 Federal Government; ~~and~~ to encourage, whenever possible, the
25 development of greenways and trails on federal lands by the
26 Federal Government; and to encourage the owners of private
27 lands to protect the existing ecological, historical, and
28 cultural values of their lands, including those values derived
29 from working landscapes.

30 (3) It is the intent of the Legislature that greenways
31 and trails be located on public lands and on private lands

1 where the private landowner has agreed in writing to have
2 those private lands designated as a greenway or trail. Such
3 greenway may or may not provide for public access. Private
4 landowners should be encouraged to enter into agreements for
5 the use of their lands as part of the statewide system of
6 greenways and trails through positive incentives developed
7 pursuant to s. 260.016(3).

8 (4) It is the intent of the Legislature that
9 information produced for the purpose of the identification of
10 lands, both public and private, that are suitable for
11 greenways and trails be used only for the purposes of:

12 (a) Setting priorities for acquisition, planning, and
13 management of public lands for use as greenways and trails;
14 and

15 (b) Identification of private lands which are eligible
16 for designation as part of the greenways and trails system and
17 are thereby eligible for incentives.

18 ~~(5)(3)~~ The planning, development, operation, and
19 maintenance of the Florida Greenways and Trails System
20 authorized by ss. 260.011-260.018 is declared to be a public
21 purpose, and the Department of Environmental Protection,
22 together with other ~~governments~~ and agencies of this state and
23 all counties, municipalities, and special districts of this
24 state, is authorized to spend public funds for such purposes
25 and to accept gifts and grants of funds, property, or property
26 rights from public or private sources to be used for such
27 purposes.

28 ~~(4) The provisions of s. 375.251 relating to the~~
29 ~~liability of persons making lands available for outdoor~~
30 ~~recreational purposes shall be applicable to ss.~~
31 ~~260.011-260.018.~~

1 ~~(6)(5)~~ It is the intent of the Legislature to
2 officially recognize the Florida National Scenic Trail as
3 Florida's official statewide trail from the Florida Panhandle
4 to the Everglades. It is also the intent of the Legislature
5 to encourage all state, regional, and local agencies who
6 acquire lands to include in their land-buying efforts the
7 acquisition of sufficient legal interest in the lands over
8 which the trail passes to ensure its continued existence in a
9 permanent location.

10 Section 3. Section 260.0125, Florida Statutes, is
11 created to read:

12 260.0125 Private landowners; rights and benefits.--

15 subservient interests, making lands available for outdoor
16 recreational purposes shall also be applicable to persons
17 whose lands are designated as greenways and trails pursuant to
18 s. 260.016(2)(d). The liability protections afforded by s.
19 375.251 shall also be applicable to lands adjacent to and
20 accessed by use of such greenways or trails. Any landowner who

24 volunteer under s. 110.501 and covered by state liability

26 and the provisions of s. 768.28.

27 (b) Incentives granted by any unit of government to
28 private landowners, including tax incentives, grants, or other
29 financial consideration specific to the development or
30 management of greenways and trails shall not be construed as a
31 charge for use or profit derived from patronage for purposes

1 of s. 375.251 and shall not be construed as monetary or
2 material compensation for purposes of s. 110.501. When a
3 landowner agrees to make private land available for public use
4 as a greenway or trail, the department or its designee shall
5 post notices along the boundary of the greenway or trail which
6 inform the public that the land adjacent to the greenway or
7 trail is private property upon which unauthorized entry for
8 any purpose is prohibited. The notices shall constitute a
9 warning to unauthorized persons to remain off of the private
10 property and not to depart from the greenway or trail. Any
11 person who commits such an unauthorized entry is guilty of a
12 trespass as provided in s. 810.09.

13 (2) Persons whose private lands are designated for
14 inclusion in the statewide system of greenways and trails
15 pursuant to s. 260.016(2)(d) shall be held harmless for any
16 injury or damage incurred by third parties arising out of the
17 use of lands so designated. However, this section does not
18 relieve any person of liability which would otherwise exist
19 for deliberate, willful, or malicious injury to persons or
20 property. The provisions of this section shall not be deemed
21 to create or increase the liability of any person.

22 Section 4. Section 260.013, Florida Statutes, is
23 amended to read:

1 greenways and trails pursuant to a formal public process,
2 including the specific written consent of the landowner. When
3 the department determines that public access is appropriate
4 for greenways and trails, written authorization must be
5 granted by the landowner to the department permitting public
6 access to all or a specified part of the landowner's property.

7 (4)(2) "Greenway" means a linear open space
8 established along either a natural corridor, such as a
9 riverfront, stream valley, or ridgeline, or over land along a

11 a scenic road, or other route; any natural or landscaped
12 course for pedestrian or bicycle passage; an open space

25 system of greenways and trails which shall consist of
26 individual greenways and trails and networks of greenways and
27 trails which may be designated as a part of the statewide
28 system by the department. Mapping or other forms of
29 identification of lands as suitable for inclusion in the
30 system of greenways and trails, mapping of ecological
31 characteristics for any purpose, or development of information

1 for planning purposes shall not constitute designation. No
2 lands may be designated as a part of the statewide system of
3 greenways and trails without the specific written consent of
4 the landowner.

5 Section 6. Section 260.0141, Florida Statutes, is
6 amended to read:

10 establishment of a statewide system of greenways and trails.
11 Such greenways and trails shall be acquired pursuant to this
12 act. Planning materials, maps, data, and other information
13 developed or used in the program shall not be construed as
14 designation of lands as part of the statewide system of
15 greenways and trails. Identification of lands in such
16 information shall not:

17 (1) Require or empower any unit of local or regional
18 government, or any state agency, to impose additional or more
19 restrictive environmental, land use, or zoning regulations;
