**Amendment**

On page 1, between lines 20 and 21 of the bill

insert: (1) In any action to which this part applies in which liability is admitted or is determined by the trier of fact and in which damages are awarded to compensate the claimant for losses sustained, the court shall reduce the amount of such award by the total of all amounts which have been paid for the benefit of the claimant, or which are otherwise available to the claimant, from all collateral sources; however, except in the case of compensation received or payable under workers' compensation, there shall be no reduction for collateral sources for which a subrogation or reimbursement right exists. Such reduction shall be offset to the extent of any amount which has been paid, contributed, or forfeited by, or on behalf of, the claimant or members of the claimant's immediate family to secure her or his right to any collateral source benefit which the claimant is receiving as a result of her or his injury.
