13 Be It Enacted by the Legislature of the State of Florida:

14
15 Section 1. Legislative findings and declarations.--

16 (1) The Legislature finds that a major restructuring
17 of health care has taken place in the last several decades
18 changing how health care is paid for and delivered and that,
19 today, the emphasis is on providing cost-conscious health care
20 services through managed care. The Legislature recognizes that
21 alternative methods for the delivery of health care are needed
22 to promote competition and increase patients' choices.

23 (2) The Legislature finds that Congress has recently
24 enacted legislation that allows provider sponsored
25 organizations to provide coordinated care plans to Medicare
26 enrollees through the Medicare+Choice program. The federal
27 legislation requires each organization which offers
28 Medicare+Choice plans to be organized under state law as an
29 entity eligible to offer health benefit coverage in each state
30 in which such organization offers a Medicare+Choice plan.

31

1 (3) The Legislature finds that such plans, when
2 properly operated, will enhance the quality of medical
3 decisionmaking while emphasizing effective cost and quality
4 controls.

5 (4) The Legislature declares that it shall be the
6 policy of this state to:

7 (a) Eliminate legal barriers to the organization,
8 promotion, and expansion of provider sponsored organizations
9 offering Medicare+Choice plans in order to encourage the
10 development of valuable options for the Medicare beneficiaries
11 of this state.

12 (b) Not extend insurance regulation or onerous
13 reporting requirements to hospitals, physicians, single or
14 multi-specialty groups, other licensed providers, or any
15 combination of such entities when contracting with entities
16 licensed pursuant to chapter 627, Florida Statutes, or part I
17 of chapter 641, Florida Statutes, or with plans qualified and
18 created under the Employee Retirement Income Security Act of
19 1974.

20 (c) Recognize that comprehensive provider sponsored
21 organizations shall be exempt from operation of the insurance
22 laws of this state except in the manner and to the extent set
23 forth in this act.

24 Section 2. Part IV of chapter 641, Florida Statutes,
25 consisting of sections 641.801, 641.803, 641.805, 641.807,
26 641.809, 641.811, 641.813, 641.815, 641.817, 641.819, 641.821,
27 641.823, 641.825, 641.827, 641.829, 641.831, 641.833, 641.835,
28 641.837, 641.839, 641.841, 641.843, 641.845, 641.847, 641.849,
29 641.851, 641.853, 641.855, 641.857, 641.859, 641.861, 641.863,
30 641.865, 641.867, 641.869, 641.871, 641.873, 641.875, 641.877,
31

1 641.879, 641.881, 641.883, 641.885, 641.887, 641.889, 641.891,
2 641.893, and 641.895, Florida Statutes, is created to read:

3 641.801 Short title.--This part shall be known and may
4 be cited as the "Provider Sponsored Organization Act."

5 641.803 Declaration of legislative intent, findings,
6 and purposes.--

7 (1) Faced with the continuation of mounting costs of
8 health care, coupled with the state's interest in high-quality
9 care, the Legislature has determined that there is a need to
10 explore alternative methods for the delivery of health care
11 services, with a view toward achieving greater efficiency and
12 economy in providing these services and to promote competition
13 and increase patients' choices.

14 (2) Health maintenance organizations, consisting of
15 prepaid health care plans, hereinafter referred to as "plans,"
16 are developing rapidly in many communities. Through these
17 organizations, structured in various forms, health care
18 services are provided directly to a group of people who make
19 regular premium payments.

20 (3) These plans, when properly operated, emphasize
21 effective cost and quality controls and enhance the quality of
22 medical decisionmaking.

23 (4) It shall be the policy of this state to:

24 (a) Eliminate legal barriers to the organization,
25 promotion, and expansion of comprehensive prepaid health care
26 plans.

27 (b) Recognize that prepaid comprehensive health care
28 plans shall be exempt from operation of the insurance laws of
29 this state except in the manner and to the extent set forth in
30 this part.

31

1 (c) Ensure that comprehensive prepaid health care
2 plans deliver high-quality health care.

3 (5) Although it is the intent of this act to provide
4 an opportunity for the development of health maintenance
5 organizations, there is no intent to impair the present system
6 for the delivery of health services.

7 (6) The Legislature has determined that the operation
8 of a health maintenance organization without a subsisting
9 certificate of authority or the renewal, issuance, or delivery
10 of a health maintenance contract without a subsisting
11 certificate of authority constitutes a danger to the citizens
12 of this state and exposes any subscriber to immediate and
13 irreparable injury, loss, or damage.

15 medical attention could reasonably be expected to result in
16 any of the following:

18 including a pregnant woman or a fetus.
- 19 2. Serious impairment to bodily functions.
- 20 3. Serious dysfunction of any bodily organ or part.

19 and services under the contract through providers that are
20 neither affiliated with nor have an agreement with the

19 state shall be incorporated or shall be a division of a
20 corporation formed under the provisions of either chapter 607
21 or chapter 617 or shall be a public entity that is organized
22 as a political subdivision. In the case of a division of a
23 corporation, the financial requirements of this part shall
24 apply to the entire corporation.

25 641.811 Insurance business not authorized.--Nothing in
26 the Florida Insurance Code or this part shall be deemed to
27 authorize any provider sponsored organization to transact any
28 insurance business other than to offer Medicare+Choice plans
29 pursuant to s. 1855 of the Balanced Budget Act of 1997. In
30 the determination of the type of activities by a provider
31

1 sponsored organization that would require licensure by this
2 state, the following apply:

3 (1) A provider sponsored organization as defined in
4 this part, a hospital, a physician licensed pursuant to
5 chapter 458 or chapter 459, a single specialty group of
6 physicians, a multi-specialty group of physicians, other
7 licensed providers, or any combination of such physicians and
8 providers, when contracting with a self-insured employer to
9 provide health care benefits to its employees, when

11 pursuant to part I or a provider sponsored organization
12 licensed pursuant to this part, or when contracting with an
13 insurer, are exempt from the requirements of this chapter 641
14 and chapter 627.

15 (2) In any arrangement enumerated in subsection (1),
16 the provider group is not subject to regulation by the
17 department due to the absence of any contractual obligation to
18 the employees covered under the self-insured agreement, the
19 agreement with the health maintenance organization, the
20 provider sponsored organization, or the insurer. A
21 contractual relationship exists only between the provider
22 group and the self-insured employer, the licensed health
23 maintenance organization, provider sponsored organization, or
24 insurer, which entity shall bear the full and direct
25 responsibility to the individual with no transfer of risk. If
26 the provider group fails to perform, the employer, health
27 maintenance organization, provider sponsored organization, or
28 insurer retains the risk to either provide or pay for health
29 care services.

30 (3) The department has regulatory jurisdiction when
31 any health care provider group becomes the ultimate risk

1 bearer and is directly obligated to individuals to provide,
2 arrange, or pay for health care services. In such situations,
3 the provider group must be appropriately licensed as a health
4 maintenance organization, provider sponsored organization, or
5 insurance company.

6 641.813 Application for certificate.--Before any
7 entity may operate a provider sponsored organization, it shall
8 obtain a certificate of authority from the department. The
9 department shall accept and shall begin its review of an
10 application for a certificate of authority anytime after an
11 organization has filed an application for a health care
12 provider certificate pursuant to part III of this chapter.
13 However, the department shall not issue a certificate of
14 authority to any applicant which does not possess a valid
15 health care provider certificate issued by the agency. Each
16 application for a certificate shall be on such form as the
17 department shall prescribe, shall be verified by the oath of
18 two officers of the corporation and properly notarized, and
19 shall be accompanied by the following:

20 (1) A copy of the articles of incorporation and all
21 amendments thereto;

22 (2) A copy of the bylaws, rules, and regulations, or
23 similar form of document, if any, regulating the conduct of
24 the affairs of the applicant;

25 (3) A list of the names, addresses, and official
26 capacities with the organization of the persons who are to be
27 responsible for the conduct of the affairs of the provider
28 sponsored organization, including all officers, directors, and
29 owners of in excess of 5 percent of the common stock of the
30 corporation. Such persons shall fully disclose to the
31 department and the directors of the provider sponsored

1 organization the extent and nature of any contracts or
2 arrangements between them and the provider sponsored
3 organization, including any possible conflicts of interest;
4 (4) A complete biographical statement on forms
5 prescribed by the department, and an independent investigation
6 report and fingerprints obtained pursuant to chapter 624, of
7 all of the individuals referred to in subsection (3);
8 (5) A statement generally describing the provider
9 sponsored organization, its operations, and its grievance
10 procedures;
11 (6) A statement describing with reasonable certainty
12 the geographic area or areas to be served by the provider
13 sponsored organization;
14 (7) An audited financial statement prepared on the
15 basis of statutory accounting principles and certified by an
16 independent certified public accountant, except that surplus
17 notes acceptable to the department and meeting the
18 requirements of this act shall be included in the calculation
19 of surplus; and
20 (8) Such additional reasonable data, financial
21 statements, and other pertinent information as the department
22 may require with respect to the determination that the
23 applicant can provide the services to be offered, including a
24 comprehensive feasibility study, performed by a certified
25 actuary in conjunction with a certified public accountant.
26 The study shall be for the greater of 3 years or until the
27 provider sponsored organization has been projected to be
28 profitable for 12 consecutive months.
29 641.815 Conditions precedent to issuance or
30 maintenance of certificate of authority; effect of bankruptcy
31 proceedings.--

1 (1) As a condition precedent to the issuance or
2 maintenance of a certificate of authority, a provider
3 sponsored organization insurer must file or have on file with
4 the department:

5 (a) An acknowledgment that a delinquency proceeding
6 pursuant to part I of chapter 631 or supervision by the
7 department pursuant to ss. 624.80-624.87 constitutes the sole
8 and exclusive method for the liquidation, rehabilitation,
9 reorganization, or conservation of a provider sponsored
10 organization.

11 (b) A waiver of any right to file or be subject to a
12 bankruptcy proceeding.

13 (2) The commencement of a bankruptcy proceeding either
14 by or against a provider sponsored organization shall, by
15 operation of law:

16 (a) Terminate the provider sponsored organization's
17 certificate of authority.

18 (b) Vest in the department for the use and benefit of
19 the subscribers of the provider sponsored organization the
20 title to any deposits of the insurer held by the department.

21
22 If the proceeding is initiated by a party other than the
23 provider sponsored organization, the operation of subsection
24 (2) shall be stayed for a period of 60 days following the date
25 of commencement of the proceeding.

26 641.817 Issuance of certificate of authority.--The
27 department shall issue a certificate of authority to any
28 entity filing a completed application in conformity with s.
29 641.21, within 90 days after receiving such application, upon
30 payment of the prescribed fees and upon the department's being
31 satisfied that:

1 (1) As a condition precedent to the issuance of any
2 certificate, the entity has obtained a health care provider
3 certificate from the Department of Health pursuant to part III
4 of this chapter.

5 (2) The provider sponsored organization is actuarially
6 sound.

7 (3) The entity has met the applicable requirements
8 specified in s. 641.821.

9 (4) The procedures for offering comprehensive health
10 care services and offering and terminating contracts to
11 subscribers will not unfairly discriminate on the basis of
12 age, sex, race, health, or economic status. However, this
13 section does not prohibit reasonable underwriting
14 classifications for the purposes of establishing contract
15 rates, nor does it prohibit experience rating.

16 (5) The entity furnishes evidence of adequate
17 insurance coverage or an adequate plan for self-insurance to
18 respond to claims for injuries arising out of the furnishing
19 of comprehensive health care.

20 (6) The ownership, control, and management of the
21 entity is competent and trustworthy and possesses managerial
22 experience that would make the proposed provider sponsored
23 organization operation beneficial to the subscribers. The
24 department shall not grant nor continue authority to transact
25 the business of a provider sponsored organization in this
26 state at any time during which the department has good reason
27 to believe that:

28 (a) The ownership, control, or management of the
29 organization includes any person:

30 1. Who is incompetent or untrustworthy;
31

1 2. Who is so lacking in provider sponsored
2 organization expertise as to make the operation of the
3 provider sponsored organization hazardous to potential and
4 existing subscribers;

5 3. Who is so lacking in provider sponsored
6 organization experience, ability, and standing as to
7 jeopardize the reasonable promise of successful operation;

8 4. Who is affiliated, directly or indirectly, through
9 ownership, control, reinsurance transactions, or other
10 business relations, with any person whose business operations
11 are or have been marked by business practices or conduct that
12 is to the detriment of the public, stockholders, investors, or
13 creditors; or

14 5. Whose business operations are or have been marked
15 by business practices or conduct that is to the detriment of
16 the public, stockholders, investors, or creditors;

17 (b) Any person, including any stock subscriber,
18 stockholder, or incorporator, who exercises or has the ability
19 to exercise effective control of the organization, or who
20 influences or has the ability to influence the transaction of
21 the business of the provider sponsored organization, does not
22 possess the financial standing and business experience for the
23 successful operation of the provider sponsored organization;

24 (c) Any person, including any stock subscriber,
25 stockholder, or incorporator, who exercises or has the ability
26 to exercise effective control of the organization, or who
27 influences or has the ability to influence the transaction of
28 the business of the provider sponsored organization, who has
29 been found guilty of, or has pled guilty or no contest to, any
30 felony or crime punishable by imprisonment of 1 year or more
31 under the laws of the United States or any state thereof, or

1 under the laws of any other country, which involves moral
2 turpitude, without regard to whether a judgment or conviction
3 has been entered by the court having jurisdiction in such
4 case. However, in the case of a provider sponsored
5 organization operating under a subsisting certificate of
6 authority, the provider sponsored organization shall remove
7 any such person immediately upon discovery of the conditions
8 set forth in this paragraph when applicable to such person or
9 under the order of the department, and the failure to so act
10 by the organization is grounds for revocation or suspension of
11 the provider sponsored organization's certificate of
12 authority; or

13 (d) Any person, including any stock subscriber,
14 stockholder, or incorporator, who exercises or has the ability
15 to exercise effective control of the organization, or who
16 influences or has the ability to influence the transaction of
17 the business of the provider sponsored organization, who is
18 now or was in the past affiliated, directly or indirectly,
19 through ownership interest of 10 percent or more, control, or
20 reinsurance transactions, with any business, corporation, or
21 other entity that has been found guilty of or has pleaded
22 guilty or nolo contendere to any felony or crime punishable by
23 imprisonment for 1 year or more under the laws of the United
24 States, any state, or any other country, regardless of
25 adjudication. In the case of a provider sponsored organization
26 operating under a subsisting certificate of authority, the
27 provider sponsored organization shall immediately remove such
28 person or immediately notify the department of such person
29 upon discovery of the conditions set forth in this paragraph,
30 either when applicable to such person or upon order of the
31 department. The failure to remove such person, provide such

1 notice, or comply with such order constitutes grounds for
2 suspension or revocation of the provider sponsored
3 organization's certificate of authority.

4 (7) The entity has a blanket fidelity bond in the
5 amount of \$100,000, issued by a licensed insurance carrier in
6 this state, that will reimburse the entity in the event that
7 anyone handling the funds of the entity either misappropriates
8 or absconds with the funds. All employees handling the funds
9 shall be covered by the blanket fidelity bond. An agent
10 licensed under the provisions of the Florida Insurance Code
11 may either directly or indirectly represent the provider
12 sponsored organization in the solicitation, negotiation,
13 effectuation, procurement, receipt, delivery, or forwarding of
14 any provider sponsored organization subscriber's contract or
15 collect or forward any consideration paid by the subscriber to
16 the provider sponsored organization; and the licensed agent
17 shall not be required to post the bond required by this
18 subsection.

19 (8) The provider sponsored organization has a
20 grievance procedure that will facilitate the resolution of
21 subscriber grievances and that includes both formal and
22 informal steps available within the organization.

23 641.819 Continued eligibility for certificate of
24 authority.--In order to maintain its eligibility for a
25 certificate of authority, a provider sponsored organization
26 shall continue to meet all conditions required to be met under
27 this part and the rules promulgated thereunder for the initial
28 application for and issuance of its certificate of authority
29 under s. 641.817.

30 641.821 Surplus requirements.--Surplus requirements
31 for provider sponsored organizations offering the

1 Medicare+Choice plan shall be consistent with federal rules
2 and regulations on solvency standards established by the
3 Secretary pursuant to s. 1856(a) of the Balanced Budget Act of
4 1997.

5 641.823 Revocation or cancellation of certificate of
6 authority; suspension of enrollment of new subscribers; terms
7 of suspension.--

8 (1) The maintenance of a valid and current health care
9 provider certificate issued pursuant to part III of this
10 chapter is a condition of the maintenance of a valid and
11 current certificate of authority issued by the department to
12 operate a provider sponsored organization. Denial or
13 revocation of a health care provider certificate shall be
14 deemed to be an automatic and immediate cancellation of a
15 provider sponsored organization's certificate of authority.
16 At the discretion of the Department of Insurance, nonrenewal
17 of a health care provider certificate may be deemed to be an
18 automatic and immediate cancellation of a provider sponsored
19 organization's certificate of authority if the Department of
20 Health notifies the Department of Insurance, in writing, that
21 the health care provider certificate will not be renewed.

22 (2) The department may suspend the authority of a
23 provider sponsored organization to enroll new subscribers or
24 revoke any certificate issued to a provider sponsored
25 organization, or order compliance within 30 days, if it finds
26 that any of the following conditions exists:

27 (a) The organization is not operating in compliance
28 with this part;

29 (b) The plan is no longer actuarially sound or the
30 organization does not have the minimum surplus as required by
31 rules and regulations governing provider sponsored

1 organizations established by the Secretary pursuant to s.
2 1856(a) of the Balanced Budget Act of 1997;

3 (c) The organization has advertised, merchandised, or
4 attempted to merchandise its services in such a manner as to
5 misrepresent its services or capacity for service or has
6 engaged in deceptive, misleading, or unfair practices with
7 respect to advertising or merchandising; or

8 (d) The organization is insolvent.

9 (3) Whenever the financial condition of the provider
10 sponsored organization is such that, if not modified or
11 corrected, its continued operation would result in impairment
12 or insolvency, the department may order the provider sponsored
13 organization to file with the department and implement a
14 corrective action plan designed to do one or more of the
15 following:

16 (a) Reduce the total amount of present potential
17 liability for benefits by reinsurance or other means.

18 (b) Reduce the volume of new business being accepted.

19 (c) Reduce the expenses of the provider sponsored
20 organization by specified methods.

21 (d) Suspend or limit the writing of new business for a
22 period of time.

23 (e) Require an increase in the provider sponsored
24 organization's net worth which is not inconsistent with the
25 standards established by the Secretary pursuant to s. 1856(a)
26 of the Balanced Budget Act of 1997.

27
28 If the provider sponsored organization fails to submit a plan
29 within 30 days of the department's order or submits a plan
30 which is insufficient to correct the provider sponsored
31 organization's financial condition, the department may order

1 the provider sponsored organization to implement one or more
2 of the corrective actions listed in this subsection.

3 (4) The department shall, in its order suspending the
4 authority of a provider sponsored organization to enroll new
5 subscribers, specify the period during which the suspension is
6 to be in effect and the conditions, if any, which must be met
7 by the provider sponsored organization prior to reinstatement
8 of its authority to enroll new subscribers. The order of
9 suspension is subject to rescission or modification by further
10 order of the department prior to the expiration of the
11 suspension period. Reinstatement shall not be made unless
12 requested by the provider sponsored organization; however, the
13 department shall not grant reinstatement if it finds that the
14 circumstances for which the suspension occurred still exist or
15 are likely to recur.

16 (5) The department shall calculate and publish at
17 least annually the medical loss ratios of all licensed
18 provider sponsored organizations. The publication shall
19 include an explanation of what the medical loss ratio means
20 and shall disclose that the medical loss ratio is not a direct
21 reflection of quality, but must be looked at along with
22 patient satisfaction and other standards that define quality.

23 641.825 Administrative, provider, and management
24 contracts.--

25 (1) The department may require a provider sponsored
26 organization to submit any contract for administrative
27 services, contract with a provider other than an individual
28 physician, contract for management services, and contract with
29 an affiliated entity to the department.

30 (2) After review of a contract, the department may
31 order the provider sponsored organization to cancel the

1 contract in accordance with the terms of the contract and
2 applicable law if it determines that the fees to be paid by
3 the provider sponsored organization under the contract are so
4 unreasonably high as compared with similar contracts entered
5 into by the provider sponsored organization, or as compared
6 with similar contracts entered into by other provider
7 sponsored organizations in similar circumstances, that the
8 contract is detrimental to the subscribers, stockholders,
9 investors, or creditors of the provider sponsored
10 organization.

11 (3) All contracts for administrative services,
12 management services, provider services other than individual
13 physician contracts, and with affiliated entities entered into
14 or renewed by a provider sponsored organization on or after
15 October 1, 1998, shall contain a provision that the contract
16 shall be canceled upon issuance of an order by the department
17 pursuant to this section.

18 641.827 Contract providers.--Each provider sponsored
19 organization shall file, upon the request of the department,
20 financial statements for all contract providers of
21 comprehensive health care services who have assumed, through
22 capitation or other means, more than 10 percent of the health
23 care risks of the provider sponsored organization. However,
24 this provision shall not apply to any individual physician.

25 641.829 Administrative penalty in lieu of suspension
26 or revocation.--If the department finds that one or more
27 grounds exist for the revocation or suspension of a
28 certificate issued under this part, the department may, in
29 lieu of revocation or suspension, impose a fine upon the
30 provider sponsored organization. With respect to any
31 nonwillful violation, the fine must not exceed \$2,500 per

1 violation. Such fines may not exceed an aggregate amount of
2 \$25,000 for all nonwillful violations arising out of the same
3 action. With respect to any knowing and willful violation of
4 a lawful order or rule of the department or a provision of
5 this part, the department may impose upon the organization a
6 fine in an amount not to exceed \$20,000 for each such
7 violation. Such fines may not exceed an aggregate amount of
8 \$250,000 for all knowing and willful violations arising out of
9 the same action. The department must adopt by rule by January
10 1, 1999, penalty categories that specify varying ranges of
11 monetary fines for willful violations and for nonwillful
12 violations.

13 641.831 Acquisition, merger, or consolidation.--Every
14 acquisition of a provider sponsored organization shall be
15 subject to the provisions of s. 628.4615. However, in the case
16 of a provider sponsored organization organized as a for-profit
17 corporation, the provisions of s. 628.451 govern with respect
18 to any merger or consolidation; and, in the case of a provider
19 sponsored organization organized as a not-for-profit
20 corporation, the provisions of s. 628.471 govern with respect
21 to any merger or consolidation.

22 641.833 Annual report.--

23 (1) Every provider sponsored organization shall,
24 annually within 3 months after the end of its fiscal year, or
25 within an extension of time therefor as the department, for
26 good cause, may grant, in a form prescribed by the department,
27 file a report with the department, verified by the oath of two
28 officers of the organization or, if not a corporation, of two
29 persons who are principal managing directors of the affairs of
30 the organization, properly notarized, showing its condition on
31

1 the last day of the immediately preceding reporting period.
2 Such report shall include:
3 (a) A financial statement of the organization filed on
4 a computer diskette using a format acceptable to the
5 department;
6 (b) A financial statement of the organization filed on
7 forms acceptable to the department;
8 (c) An audited financial statement of the
9 organization, including its balance sheet and a statement of
10 operations for the preceding year certified by an independent
11 certified public accountant, prepared in accordance with
12 statutory accounting principles;
13 (d) The number of provider sponsored contracts issued
14 and outstanding and the number of provider sponsored contracts
15 terminated;
16 (e) The number and amount of damage claims for medical
17 injury initiated against the provider sponsored organization
18 and any of the providers engaged by it during the reporting
19 year, broken down into claims with and without formal legal
20 process, and the disposition, if any, of each such claim;
21 (f) An actuarial certification that:
22 1. The provider sponsored organization is actuarially
23 sound, which certification shall consider the rates, benefits,
24 and expenses of, and any other funds available for the payment
25 of obligations of, the organization; and
26 2. Incurred but not reported claims and claims
27 reported but not fully paid have been adequately provided for;
28 and
29 (g) Such other information relating to the performance
30 of provider sponsored organizations as is required by the
31 department.

1 (2) Every provider sponsored organization shall file
2 quarterly, within 45 days after each of its quarterly
3 reporting periods, an unaudited financial statement of the
4 organization as described in paragraphs (1)(a) and (b). The
5 quarterly report shall be verified by the oath of two officers
6 of the organization, properly notarized.

7 (3) Any provider sponsored organization which neglects
8 to file an annual report or quarterly report in the form and
9 within the time required by this section shall forfeit up to
10 \$1,000 for each day for the first 10 days during which the
11 neglect continues and shall forfeit up to \$2,000 for each day
12 after the first 10 days during which the neglect continues;
13 and, upon notice by the department to that effect, the
14 organization's authority to enroll new subscribers or to do
15 business in this state shall cease while such default
16 continues. The department shall deposit all sums collected by
17 it under this section to the credit of the Insurance
18 Commissioner's Regulatory Trust Fund. The department shall not
19 collect more than \$100,000 for each report.

20 (4) Each authorized provider sponsored organization
21 shall retain an independent certified public accountant,
22 hereinafter referred to as "CPA," who agrees by written
23 contract with the provider sponsored organization to comply
24 with the provisions of this part. The contract shall state:

25 (a) The CPA shall provide to the HMO audited financial
26 statements consistent with this part.

27 (b) Any determination by the CPA that the provider
28 sponsored organization does not meet minimum surplus
29 requirements as set forth in rules and regulations adopted by
30 the Secretary pursuant to s. 1856(a) of the Balanced Budget
31

1 Act of 1997 shall be stated by the CPA, in writing, in the
2 audited financial statement.

3 (c) The completed work papers and any written
4 communications between the CPA firm and the provider sponsored
5 organization relating to the audit of the provider sponsored
6 organization shall be made available for review on a
7 visual-inspection-only basis by the department at the offices
8 of the provider sponsored organization, at the department, or
9 at any other reasonable place as mutually agreed between the
10 department and the provider sponsored organization. The CPA
11 must retain for review the work papers and written
12 communications for a period of not less than 6 years.

13 (5) To facilitate uniformity in financial statements
14 and to facilitate department analysis, the department may by
15 rule adopt the form for financial statements of a provider
16 sponsored organization, including supplements as approved by
17 the National Association of Insurance Commissioners in 1995,
18 and may adopt subsequent amendments thereto if the methodology
19 remains substantially consistent, and may by rule require each
20 provider sponsored organization to submit to the department
21 all or part of the information contained in the annual
22 statement in a computer-readable form compatible with the
23 electronic data processing system specified by the department.

24 641.835 Examination by the department.--

25 (1) The department shall examine the affairs,
26 transactions, accounts, business records, and assets of any
27 provider sponsored organization as often as it deems expedient
28 for the protection of the people of this state, but not less
29 frequently than once every 3 years. In lieu of making its own
30 financial examination, the department may accept an
31 independent certified public accountant's audit report

1 prepared on a statutory accounting basis consistent with this
2 part. However, except when the medical records are requested
3 and copies furnished pursuant to s. 445.667, medical records
4 of individuals and records of physicians providing service
5 under contract to the provider sponsored organization shall
6 not be subject to audit, although they may be subject to
7 subpoena by court order upon a showing of good cause. For the
8 purpose of examinations, the department may administer oaths
9 to and examine the officers and agents of a provider sponsored
10 organization concerning its business and affairs. The
11 examination of each provider sponsored organization by the
12 department shall be subject to the same terms and conditions
13 as apply to insurers under chapter 624. In no event shall
14 expenses of all examinations exceed a maximum of \$20,000 for
15 any 1-year period. Any rehabilitation, liquidation,
16 conservation, or dissolution of a provider sponsored
17 organization shall be conducted under the supervision of the
18 department, which shall have all power with respect thereto
19 granted to it under the laws governing the rehabilitation,
20 liquidation, reorganization, conservation, or dissolution of
21 life insurance companies.

22 (2) The department may contract, at reasonable fees
23 for work performed, with qualified, impartial outside sources
24 to perform audits or examinations or portions thereof
25 pertaining to the qualification of an entity for issuance of a
26 certificate of authority or to determine continued compliance
27 with the requirements of this part. Any contracted assistance
28 shall be under the direct supervision of the department. The
29 results of any contracted assistance shall be subject to the
30 review of, and approval, disapproval, or modification by, the
31 department.

1 641.837 Civil remedy.--In any civil action brought to
2 enforce the terms and conditions of a provider sponsored
3 organization contract, the prevailing party is entitled to
4 recover reasonable attorney's fees and court costs. This
5 section shall not be construed to authorize a civil action
6 against the department, its employees, or the Insurance
7 Commissioner or against the Agency for Health Care
8 Administration, its employees, or the director of the agency.

9 641.839 Injunction.--In addition to the penalties and
10 other enforcement provisions of this part, the department is
11 vested with the power to seek both temporary and permanent
12 injunctive relief when:

13 (1) A provider sponsored organization is being
14 operated by any person or entity without a subsisting
15 certificate of authority, unless a waiver has been granted by
16 the Secretary pursuant to s. 1855(a)(2) of the Balanced Budget
17 Act of 1997.

18 (2) Any person, entity, or provider sponsored
19 organization has engaged in any activity prohibited by this
20 part or any rule adopted pursuant thereto.

21 (3) Any provider sponsored organization, person, or
22 entity is renewing, issuing, or delivering a provider
23 sponsored contract or contracts without a subsisting
24 certificate of authority, unless a waiver has been granted by
25 the Secretary pursuant to s. 1855(a)(2) of the Balanced Budget
26 Act of 1997.

27
28 The department's authority to seek injunctive relief shall not
29 be conditioned on having conducted any proceeding pursuant to
30 chapter 120.

31

1 641.841 Payment of judgment by provider sponsored
2 organization.--Except as otherwise ordered by the court or
3 mutually agreed upon by the parties, every judgment or decree
4 entered in any of the courts of this state against any
5 provider sponsored organization for the recovery of money
6 shall be fully satisfied within 60 days from and after the
7 entry thereof or, in the case of an appeal from such judgment
8 or decree, within 60 days from and after the affirmance of the
9 same by the appellate court.

10 641.843 Liquidation, rehabilitation, reorganization,
11 and conservation; exclusive methods of remedy.--A delinquency
12 proceeding under part I of chapter 631 or supervision by the
13 department under ss. 624.80-624.87 constitutes the sole and
14 exclusive means of liquidating, reorganizing, rehabilitating,
15 or conserving a provider sponsored organization.

16 641.845 Fees.--Every provider sponsored organization
17 shall pay to the department the following fees:

18 (1) For filing a copy of its application for a
19 certificate of authority or amendment thereto, a nonrefundable
20 fee in the amount of \$1,000.

21 (2) For filing each annual report, which must be filed
22 on computer diskettes, \$150.

23 641.847 Construction and relationship to other laws.--

24 (1) Every provider sponsored organization shall accept
25 the standard health claim form prescribed pursuant to s.
26 627.647.

27 (2) Except as provided in this part, the Florida
28 Insurance Code does not apply to provider sponsored
29 organizations certificated under this part, and provider
30 sponsored organizations certificated under this part are not
31 subject to part I or part II of this chapter. Any person,

1 entity, or provider sponsored organization operating without a
2 subsisting certificate of authority in violation of this part
3 or rules promulgated thereunder or renewing, issuing, or
4 delivering provider sponsored contracts without a subsisting
5 certificate of authority in violation of this part or rules
6 promulgated thereunder, in addition to being subject to the
7 provisions of this part, is subject to the provisions of the
8 Florida Insurance Code as defined in s. 624.01, unless a
9 waiver has been granted by the Secretary pursuant to s.
10 1855(a)(2) of the Balanced Budget Act of 1997.

11 (3) The solicitation of subscribers by a provider
12 sponsored organization or its representatives shall not be
13 construed to be violative of any provisions of law relating to
14 solicitation or advertising by health professionals if the
15 provider sponsored organization is operating pursuant to a
16 subsisting certificate of authority or operating pursuant to a
17 waiver granted by the Secretary pursuant to s. 1855(a)(2) of
18 the Balanced Budget Act of 1997.

19 (4) The Division of Insurance Fraud of the department
20 is vested with all powers granted to it under the Florida
21 Insurance Code with respect to the investigation of any
22 violation of this part.

23 (5) Every provider sponsored organization must comply
24 with s. 627.4301.

25 641.849 Human immunodeficiency virus infection and
26 acquired immune deficiency syndrome for contract purposes.--

27 (1) PURPOSE.--The purpose of this section is to
28 prohibit unfair practices in a provider sponsored organization
29 contract with respect to exposure to the human
30 immunodeficiency virus infection and related matters, and
31 thereby reduce the possibility that a provider sponsored

1 organization subscriber or applicant may suffer unfair
2 discrimination when subscribing to or applying for the
3 contractual services of a provider sponsored organization.
4 (2) SCOPE.--This section applies to all provider
5 sponsored contracts which are issued in this state or which
6 are issued outside this state but cover residents of this
7 state to the extent the provisions of this section are not
8 inconsistent with rules and regulations established by the
9 Secretary for the Medicare+Choice program. This section shall
10 not prohibit a provider sponsored organization from contesting
11 a contract or claim to the extent allowed by law.
12 (3) DEFINITIONS.--As used in this section:
13 (a) "AIDS" means acquired immune deficiency syndrome.
14 (b) "ARC" means AIDS-related complex.
15 (c) "HIV" means human immunodeficiency virus
16 identified as the causative agent of AIDS.
17 (4) UTILIZATION OF MEDICAL TESTS.--
18 (a) With respect to the issuance of or the
19 underwriting of a provider sponsored organization contract
20 regarding exposure to the HIV infection and sickness or
21 medical conditions derived from such infection, a provider
22 sponsored organization shall only utilize medical tests which
23 are reliable predictors of risk. A test which is recommended
24 by the Centers for Disease Control or by the federal Food and
25 Drug Administration is deemed to be reliable for the purposes
26 of this section. A test which is rejected or not recommended
27 by the Centers for Disease Control or the federal Food and
28 Drug Administration is a test which is deemed to be not
29 reliable for the purposes of this section. If a specific
30 Centers for Disease Control or federal Food and Drug
31 Administration recommended test indicates the existence or

1 potential existence of exposure by the HIV infection or a
2 sickness or medical condition related to the HIV infection,
3 before relying on a single test result to deny or limit
4 coverage or to rate the coverage, the provider sponsored
5 organization shall follow the applicable Centers for Disease
6 Control or federal Food and Drug Administration recommended
7 test protocol and shall utilize any applicable Centers for
8 Disease Control or federal Food and Drug Administration
9 recommended followup tests or series of tests to confirm the
10 indication.

11 (b) Prior to testing, the provider sponsored
12 organization must disclose its intent to test the person for
13 the HIV infection or for a specific sickness or medical
14 condition derived therefrom and must obtain the person's
15 written informed consent to administer the test. Written
16 informed consent shall include a fair explanation of the test,
17 including its purpose, potential uses, and limitations, and
18 the meaning of its results and the right to confidential
19 treatment of information. Use of a form approved by the
20 department shall raise a conclusive presumption of informed
21 consent.

22 (c) An applicant shall be notified of a positive test
23 result by a physician designated by the applicant or, in the
24 absence of such designation, by the Department of Health.
25 Such notification must include:

26 1. Face-to-face posttest counseling on the meaning of
27 the test results; the possible need for additional testing;
28 and the need to eliminate behavior which might spread the
29 disease to others;

30
31

1 2. The availability in the geographic area of any
2 appropriate health care services, including mental health
3 care, and appropriate social and support services;

4 3. The benefits of locating and counseling any
5 individual by whom the infected individual may have been
6 exposed to human immunodeficiency virus and any individual
7 whom the infected individual may have exposed to the virus;
8 and

9 4. The availability, if any, of the services of public
10 health authorities with respect to locating and counseling any
11 individual described in subparagraph 3.

12 (d) A medical test for exposure to the HIV infection
13 or for a sickness or medical condition derived from such
14 infection shall only be required of or given to a person if
15 the test is required or given to all subscribers or applicants
16 or if the decision to require the test is based on the
17 person's medical history. Sexual orientation shall not be
18 used in the underwriting process or in the determination of
19 which subscribers or applicants for enrollment shall be tested
20 for exposure to the HIV infection. Neither the marital status,
21 the living arrangements, the occupation, the gender, the
22 beneficiary designation, nor the zip code or other territorial
23 classification of an applicant shall be used to establish the
24 applicant's sexual orientation.

25 (e) A provider sponsored organization may inquire
26 whether a person has been tested positive for exposure to the
27 HIV infection or been diagnosed as having AIDS or ARC caused
28 by the HIV infection or other sickness or medical condition
29 derived from such infection. A provider sponsored organization
30 shall not inquire whether a person has been tested for or has
31 received a negative result from a specific test for exposure

1 to the HIV infection or for a sickness or medical condition
2 derived from such infection.

3 (f) A provider sponsored organization shall maintain
4 strict confidentiality regarding medical test results with
5 respect to the HIV infection or a specific sickness or medical
6 condition derived from such infection. Information regarding
7 specific test results shall not be disclosed outside the
8 provider sponsored organization, its employees, its marketing
9 representatives, or its insurance affiliates, except to the
10 person tested and to persons designated in writing by the
11 person tested. Specific test results shall not be furnished to
12 an insurance industry or provider sponsored organization data
13 bank if a review of the information would identify the
14 individual and the specific test results.

15 (g) No laboratory may be used by an insurer or
16 insurance support organization for the processing of
17 HIV-related tests unless it is certified by the United States
18 Department of Health and Human Services under the Clinical
19 Laboratories Improvement Act of 1967, permitting testing of
20 specimens obtained in interstate commerce, and subjects itself
21 to ongoing proficiency testing by the College of American
22 Pathologists, the American Association of Bio Analysts, or an
23 equivalent program approved by the Centers for Disease Control
24 of the United States Department of Health and Human Services.

25 (5) RESTRICTIONS ON CONTRACT EXCLUSIONS AND
26 LIMITATIONS.--

27 (a) A provider sponsored organization contract shall
28 not exclude coverage of a member of a subscriber group because
29 of a positive test result for exposure to the HIV infection or
30 a specific sickness or medical condition derived from such
31 infection, either as a condition for or subsequent to the

1 issuance of the contract, provided that this prohibition shall
2 not apply to persons applying for enrollment where individual
3 underwriting is otherwise allowed by law.

4 (b) No provider sponsored organization contract shall
5 exclude or limit coverage for exposure to the HIV infection or
6 a specific sickness or medical condition derived from such
7 infection, except as provided in a preexisting condition
8 clause.

9 641.851 Language used in contracts and advertisements;
10 translations.--

11 (1)(a) All provider sponsored contracts or forms shall
12 be printed in English.

13 (b) If the negotiations by a provider sponsored
14 organization with a member leading up to the effectuation of a
15 provider sponsored contract are conducted in a language other
16 than English, the provider sponsored organization shall supply
17 to the member a written translation of the contract, which
18 translation accurately reflects the substance of the contract
19 and is in the language used to negotiate the contract. The
20 written translation shall be affixed to and shall become a
21 part of the contract or form. Any such translation shall be
22 furnished to the department as part of the filing of the
23 provider sponsored contract form. No translation of a
24 provider sponsored contract form shall be approved by the
25 department unless the translation accurately reflects the
26 substance of the provider sponsored contract form in
27 translation.

28 (2) The text of all advertisements by a provider
29 sponsored organization, if printed or broadcast in a language
30 other than English, also shall be available in English and
31 shall be furnished to the department upon request. As used in

1 this subsection, the term "advertisement" means any
2 advertisement, circular, pamphlet, brochure, or other printed
3 material disclosing or disseminating advertising material or
4 information by a provider sponsored organization to
5 prospective or existing subscribers and includes any radio or
6 television transmittal of an advertisement or information.

7 641.853 Standards for marketing to persons eligible
8 for Medicare.--

9 (1) Every provider sponsored organization marketing
10 coverage to Medicare participants or persons eligible for
11 Medicare in this state, directly or through its agents, shall:

12 (a) Establish marketing procedures to assure that any
13 comparison of benefits between Medicare or any other provider
14 sponsored organization offering such coverage by its agents
15 will be fair and accurate.

16 (b) Establish marketing procedures to assure proper
17 notification to the Medicare participant of enrollment or
18 disenrollment from the provider sponsored organization. Such
19 notification shall be made in a timely manner.

20 (c) Display prominently by type, stamp, or other
21 appropriate means, on the first page of the application and
22 contract, the following:

23 "Notice to buyer: When you enroll in this provider
24 sponsored organization, you will be disenrolled from Medicare.
25 The buyer should be aware that in order to receive payment or
26 coverage for services such services must be rendered by
27 physicians, hospitals, and other health care providers
28 designated by the provider sponsored organization. If the

30 hospital, or other health care provider, the purchaser may be
31

2 circumstances."

3 (d) Inquire and otherwise make every reasonable effort
4 to identify whether a prospective Medicare participant has

21 with whom they have a provider contract.

22 641.855 Provider sponsored contracts.--

23 (1) Any entity issued a certificate and otherwise in
24 compliance with this part may enter into contracts in this
25 state to provide Medicare+Choice benefits to subscribers in

1 (9) In addition to the requirements of this section,
2 and if not inconsistent with the rules and regulations
3 established by the Secretary for the Medicare+Choice program,

5 health care costs made under Medicare, Title XVIII of the
6 Social Security Act ("Medicare"), parts A and/or B:

7 (a) The provider sponsored organization shall mail or
8 deliver notification to the Medicare beneficiary of the date
9 of enrollment in the provider sponsored organization within 10
10 days after receiving notification of enrollment approval from
11 the United States Department of Health and Human Services,

17 after receipt of the written disenrollment request. The

30 or the effective date of coverage of the subscriber under the
31 provider sponsored contract. However, if notice from the

2 subscriber's enrollment application is received by the
3 provider sponsored organization after the effective coverage
4 date prescribed by the Health Care Financing Administration,
5 the provider sponsored organization shall deliver the

15 provides for inpatient and outpatient services by allopathic
16 hospitals shall provide as an option of the subscriber similar
17 inpatient and outpatient services by hospitals accredited by
18 the American Osteopathic Association when such services are
19 available in the same service area of the provider sponsored
20 organization and the osteopathic hospital agrees to provide
21 the services as specified herein. As a condition precedent to
22 providing osteopathic inpatient and outpatient services
23 through an osteopathic hospital that has not entered into a
24 written contract with the provider sponsored organization, the
25 provider sponsored organization may require the subscriber or
26 any other person receiving osteopathic services to release the
27 provider sponsored organization from any liability arising
28 from any act of omission or commission constituting
29 malpractice in the delivery of osteopathic care from that
30 hospital. The osteopathic hospital providing the inpatient
31 and outpatient services for the provider sponsored

1 organization shall charge rates that do not exceed the
2 osteopathic hospital's usual and customary rates less the
3 average discount provided by allopathic hospitals providing
4 the provider sponsored organization services in the same
5 service area of the provider sponsored organization.

6 (11) To the extent this subsection is not
7 inconsistent, under s. 1856(b)(3) of the Balanced Budget Act
8 of 1997, with rules and regulations established by the
9 Secretary for the Medicare+Choice program:

10 (a) Provider sponsored contracts that provide
11 coverage, benefits, or services for breast cancer treatment
12 may not limit inpatient hospital coverage for mastectomies to
13 any period that is less than that determined by the treating
14 physician under contract with the provider sponsored
15 organization to be medically necessary in accordance with
16 prevailing medical standards and after consultation with the
17 covered patient. Such contract must also provide coverage for
18 outpatient postsurgical followup care in keeping with
19 prevailing medical standards by a licensed health care
20 professional under contract with the provider sponsored
21 organization qualified to provide postsurgical mastectomy
22 care. The treating physician under contract with the provider
23 sponsored organization, after consultation with the covered
24 patient, may choose that the outpatient care be provided at
25 the most medically appropriate setting, which may include the
26 hospital, treating physician's office, outpatient center, or
27 home of the covered patient.

28 (b) A provider sponsored organization subject to this
29 subsection may not:

30 1. Deny to a covered person eligibility, or continued
31 eligibility, to enroll or to renew coverage under the terms of

1 the contract for the purpose of avoiding the requirements of
2 this subsection;
3 2. Provide monetary payments or rebates to a covered
4 patient to accept less than the minimum protections available
5 under this subsection;
6 3. Penalize or otherwise reduce or limit the
7 reimbursement of an attending provider solely because the
8 attending provider provided care to a covered patient under
9 this subsection;
10 4. Provide incentives, monetary or otherwise, to an
11 attending provider solely to induce the provider to provide
12 care to a covered patient in a manner inconsistent with this
13 subsection; or
14 5. Subject to the other provisions of this subsection,
15 restrict benefits for any portion of a period within a
16 hospital length of stay or outpatient care as required by this
17 subsection in a manner that is less than favorable than the
18 benefits provided for any preceding portion of such stay.
19 (c)1. This subsection does not require a covered
20 patient to have the mastectomy in the hospital or stay in the
21 hospital for a fixed period of time following the mastectomy.
22 2. This subsection does not prevent a contract from
23 imposing deductibles, coinsurance, or other cost sharing in
24 relation to benefits pursuant to this subsection, except that
25 such cost sharing shall not exceed cost sharing with other
26 benefits.
27 (d) Except as provided in paragraph (b), this
28 subsection does not affect any agreement between a provider
29 sponsored organization and a hospital or other health care
30 provider with respect to reimbursement for health care
31 services provided, rate negotiations with providers, or

1 capitation of providers, and does not prohibit appropriate
2 utilization review or case management by the provider
3 sponsored organization.

4 (e) As used in this subsection, the term "mastectomy"
5 means the removal of all or part of the breast for medically
6 necessary reasons as determined by a licensed physician.

7 (12) To the extent this subsection is not
8 inconsistent, under s. 1856(b)(3) of the Balanced Budget Act
9 of 1997, with rules and regulations established by the
10 Secretary for the Medicare+Choice program, a provider
11 sponsored contract that provides coverage for mastectomies
12 must also provide coverage for prosthetic devices and breast
13 reconstructive surgery incident to the mastectomy. As used in
14 this subsection, the term "breast reconstructive surgery"
15 means surgery to reestablish symmetry between the two breasts.
16 Such surgery must be in a manner chosen by the treating
17 physician under contract with the provider sponsored
18 organization, consistent with prevailing medical standards,
19 and in consultation with the patient. The provider sponsored
20 organization may charge an appropriate additional premium for
21 the coverage required by this subsection. The coverage for
22 prosthetic devices and breast reconstructive surgery shall be
23 subject to any deductible and coinsurance conditions.

24 641.857 Provider sponsored organization; disclosure of
25 terms and conditions of plan.--Each provider sponsored
26 organization shall provide prospective enrollees with written
27 information about the terms and conditions of the plan in
28 accordance with s. 641.855(2) so that the prospective
29 enrollees can make informed decisions about accepting a
30 managed-care system of health care delivery; however,
31 information about where, in what manner, and from whom the

1 comprehensive health care services or specific health care
2 services can be obtained need be disclosed only upon request
3 by the prospective enrollee. All marketing materials
4 distributed by the provider sponsored organization must
5 contain a notice in boldfaced type which states that the
6 information required under this section is available to the
7 prospective enrollee upon request.

8 641.859 Coverage for mammograms.--

9 (1) To the extent this section is not inconsistent,
10 under s. 1856(b)(3) of the Balanced Budget Act of 1997, with
11 rules and regulations established by the Secretary for the
12 Medicare+Choice program, every provider sponsored contract
13 issued or renewed on or after October 1, 1998, shall provide
14 coverage for at least the following:

15 (a) A baseline mammogram for any woman who is 35 years
16 of age or older, but younger than 40 years of age.

17 (b) A mammogram every 2 years for any woman who is 40
18 years of age or older, but younger than 50 years of age, or
19 more frequently based on the patient's physician's
20 recommendations.

21 (c) A mammogram every year for any woman who is 50
22 years of age or older.

23 (d) One or more mammograms a year, based upon a
24 physician's recommendation for any woman who is at risk for
25 breast cancer because of a personal or family history of
26 breast cancer, because of having a history of biopsy-proven
27 benign breast disease, because of having a mother, sister, or
28 daughter who has had breast cancer, or because a woman has not
29 given birth before the age of 30.

30 (2) The coverage required by this section is subject
31 to the deductible and copayment provisions applicable to

1 outpatient visits, and is also subject to all other terms and
2 conditions applicable to other benefits. A provider sponsored
3 organization shall make available to the subscriber as part of
4 the application, for an appropriate additional premium, the
5 coverage required in this section without such coverage being
6 subject to any deductible or copayment provisions in the
7 contract.

8 641.861 Requirements with respect to breast cancer and
9 routine followup care.--To the extent this section is not
10 inconsistent, under s. 1856(b)(3) of the Balanced Budget Act
11 of 1997, with rules and regulations established by the
12 Secretary for the Medicare+Choice program, routine followup
13 care to determine whether a breast cancer has recurred in a
14 person who has been previously determined to be free of breast
15 cancer does not constitute medical advice, diagnosis, care, or
16 treatment for purposes of determining preexisting conditions
17 unless evidence of breast cancer is found during or as a
18 result of the followup care.

19 641.863 Provider contracts.--

20 (1) Whenever a contract exists between a provider
21 sponsored organization and a provider and the organization

23 rendered to a subscriber, the provider sponsored organization
24 shall be liable for such fee or fees rather than the
25 subscriber; and the contract shall so state.

26 (2) No subscriber of a provider sponsored organization
27 shall be liable to any provider of health care services for
28 any services covered by the provider sponsored organization.

29 (3) No provider of services or any representative of
30 such provider shall collect or attempt to collect from a
31 provider sponsored organization subscriber any money for

17 following provisions:

18 1. The contracts must provide that the provider shall
19 provide 60 days' advance written notice to the provider
20 sponsored organization and the department before canceling the
21 contract with the provider sponsored organization for any
22 reason; and

23 2. The contract must also provide that nonpayment for
24 goods or services rendered by the provider to the provider
25 sponsored organization shall not be a valid reason for
26 avoiding the 60-day advance notice of cancellation.

27 (b) The contracts must provide that the provider
28 sponsored organization will provide 60 days' advance written
29 notice to the provider and the department before canceling,
30 without cause, the contract with the provider, except in a
31 case in which a patient's health is subject to imminent danger

1 or a physician's ability to practice medicine is effectively
2 impaired by an action by the Board of Medicine or other
3 governmental agency.

4 (7) Upon receipt by the provider sponsored
5 organization of a 60-day cancellation notice, the provider
6 sponsored organization may, if requested by the provider,
7 terminate the contract in less than 60 days if the provider
8 sponsored organization is not financially impaired or
9 insolvent.

10 (8) A contract between a provider sponsored
11 organization and a provider of health care services shall not
12 contain any provision restricting the provider's ability to
13 communicate information to the provider's patient regarding
14 medical care or treatment options for the patient when the
15 provider deems knowledge of such information by the patient to
16 be in the best interest of the health of the patient.

17 641.865 Certain words prohibited in name of
18 organization.--

20 organization, other than a licensed insurer insofar as its

10 department shall adopt rules necessary to carry out the
11 provisions of this part which shall be consistent with rules
12 and regulations established by the Secretary pursuant to the
13 Balanced Budget Act of 1997 for Medicare+Choice plans. Any

3 doing business in the state. The assessment shall be
4 conducted within 1 year of the organization's receipt of its
5 certificate of authority and every 2 years thereafter, or when
6 the department deems additional assessments necessary.

7 (2) The accreditation or review organization must have
8 nationally recognized experience in health maintenance
9 organization or provider sponsored organization activities and
10 in the appraisal of medical practice and quality assurance in
11 a health maintenance organization setting or, in the case of
12 provider sponsored organizations, in the appraisal of medical
13 practice and quality assurance in the provider sponsored
14 organization setting. The accreditation or review organization
15 shall not currently be involved in the operation of the health
16 maintenance organization, provider sponsored organization, or
17 prepaid health clinic, nor in the delivery of health care
18 services to its subscribers. The accreditation or review
19 organization shall not have contracted or conducted
20 consultations within the last 2 years for other than
21 accreditation purposes of the health maintenance organization,
22 provider sponsored organization, or prepaid health clinic
23 seeking accreditation or under quality assurance assessment.

24 (3) A representative of the department shall accompany
25 the accreditation or review organization throughout the
26 accreditation or assessment process, but shall not participate
27 in the final accreditation or assessment determination. The
28 accreditation or review organization shall monitor and
29 evaluate the quality and appropriateness of patient care, the
30 organization's pursuance of opportunities to improve patient
31 care and resolve identified problems, and the effectiveness of

1 the internal quality assurance program required for health
2 maintenance organization, provider sponsored organization, and
3 prepaid health clinic certification pursuant to s.
4 641.49(3)(o).

5 (4) The accreditation or assessment process shall
6 include a review of:

7 (a) All documentation necessary to determine the
8 current professional credentials of employed health care
9 providers or physicians providing service under contract to
10 the health maintenance organization, provider sponsored
11 organization, or prepaid health clinic.

12 (b) At least a representative sample of not fewer than
13 50 medical records of individual subscribers. When selecting
14 a sample, any and all medical records may be subject to
15 review. The sample of medical records shall be representative
16 of all subscribers' records.

17 (5) Every organization shall submit its books,
18 documentations, and medical records and take appropriate
19 action as may be necessary to facilitate the accreditation or
20 assessment process.

21 (6) The accreditation or review organization shall
22 issue a written report of its findings to the health
23 maintenance organization's, provider sponsored organization's,
24 or prepaid health clinic's board of directors. A copy of the
25 report shall be submitted to the department by the
26 organization within 30 business days of its receipt by the
27 health maintenance organization, provider sponsored
28 organization, or prepaid health clinic.

29 (7) The expenses of the accreditation or assessment
30 process of each organization, including any expenses incurred
31 pursuant to this section, shall be paid by the organization.

1 Section 11. Section 641.513, Florida Statutes, is
2 amended to read:

3 641.513 Requirements for providing emergency services
4 and care.--

5 (1) In providing for emergency services and care as a
6 covered service, a health maintenance organization or provider
7 sponsored organization may not:

8 (a) Require prior authorization for the receipt of
9 prehospital transport or treatment or for emergency services
10 and care.

11 (b) Indicate that emergencies are covered only if care
12 is secured within a certain period of time.

13 (c) Use terms such as "life threatening" or "bona
14 fide" to qualify the kind of emergency that is covered.

15 (d) Deny payment based on the subscriber's failure to
16 notify the health maintenance organization or provider
17 sponsored organization in advance of seeking treatment or
18 within a certain period of time after the care is given.

19 (2) Prehospital and hospital-based trauma services and
20 emergency services and care must be provided to a subscriber
21 of a health maintenance organization or provider sponsored
22 organization as required under ss. 395.1041, 395.4045, and
23 401.45.

24 (3)(a) When a subscriber is present at a hospital
25 seeking emergency services and care, the determination as to
26 whether an emergency medical condition, as defined in s.
27 641.47 exists shall be made, for the purposes of treatment, by
28 a physician of the hospital or, to the extent permitted by
29 applicable law, by other appropriate licensed professional
30 hospital personnel under the supervision of the hospital
31 physician. The physician or the appropriate personnel shall

1 indicate in the patient's chart the results of the screening,
2 examination, and evaluation. The health maintenance
3 organization or provider sponsored organization shall
4 compensate the provider for the screening, evaluation, and
5 examination that is reasonably calculated to assist the health
6 care provider in arriving at a determination as to whether the
7 patient's condition is an emergency medical condition. The
8 health maintenance organization or provider sponsored
9 organization shall compensate the provider for emergency
10 services and care. If a determination is made that an
11 emergency medical condition does not exist, payment for
12 services rendered subsequent to that determination is governed
13 by the contract under which the subscriber is covered.

14 (b) If a determination has been made that an emergency
15 medical condition exists and the subscriber has notified the
16 hospital, or the hospital emergency personnel otherwise have
17 knowledge that the patient is a subscriber of the health
18 maintenance organization or provider sponsored organization,
19 the hospital must make a reasonable attempt to notify the
20 subscriber's primary care physician, if known, or the health
21 maintenance organization or provider sponsored organization,
22 if the health maintenance organization or provider sponsored
23 organization had previously requested in writing that the
24 notification be made directly to the health maintenance
25 organization or provider sponsored organization, of the
26 existence of the emergency medical condition. If the primary
27 care physician is not known, or has not been contacted, the
28 hospital must:

29 1. Notify the health maintenance organization or
30 provider sponsored organization as soon as possible prior to
31 discharge of the subscriber from the emergency care area; or

1 2. Notify the health maintenance organization or
2 provider sponsored organization within 24 hours or on the next
3 business day after admission of the subscriber as an inpatient
4 to the hospital.

5
6 If notification required by this paragraph is not
7 accomplished, the hospital must document its attempts to
8 notify the health maintenance organization or provider
9 sponsored organization of the circumstances that precluded
10 attempts to notify the health maintenance organization or
11 provider sponsored organization. A health maintenance
12 organization or provider sponsored organization may not deny
13 payment for emergency services and care based on a hospital's
14 failure to comply with the notification requirements of this
15 paragraph. Nothing in this paragraph shall alter any
16 contractual responsibility of a subscriber to make contact
17 with the health maintenance organization or provider sponsored
18 organization, subsequent to receiving treatment for the
19 emergency medical condition.

20 (c) If the subscriber's primary care physician
21 responds to the notification, the hospital physician and the
22 primary care physician may discuss the appropriate care and
23 treatment of the subscriber. The health maintenance
24 organization may have a member of the hospital staff with whom
25 it has a contract participate in the treatment of the
26 subscriber within the scope of the physician's hospital staff
27 privileges. The subscriber may be transferred, in accordance
28 with state and federal law, to a hospital that has a contract
29 with the health maintenance organization or provider sponsored
30 organization and has the service capability to treat the
31 subscriber's emergency medical condition. Notwithstanding any

1 other state law, a hospital may request and collect insurance
2 or financial information from a patient in accordance with
3 federal law, which is necessary to determine if the patient is
4 a subscriber of a health maintenance organization or provider
5 sponsored organization, if emergency services and care are not
6 delayed.

7 (4) A subscriber may be charged a reasonable
8 copayment, as provided in s. 641.31(12), for the use of an
9 emergency room.

10 (5) Reimbursement for services pursuant to this
11 section by a provider who does not have a contract with the
12 health maintenance organization or provider sponsored
13 organization shall be the lesser of:

14 (a) The provider's charges;

15 (b) The usual and customary provider charges for
16 similar services in the community where the services were
17 provided; or

18 (c) The charge mutually agreed to by the health
19 maintenance organization or provider sponsored organization
20 and the provider within 60 days of the submittal of the claim.

21

22 Such reimbursement shall be net of any applicable copayment
23 authorized pursuant to subsection (4).

24 (6) Reimbursement for services under this section
25 provided to subscribers who are Medicaid recipients by a
26 provider for whom no contract exists between the provider and
27 the health maintenance organization or provider sponsored
28 organization shall be the lesser of:

29 (a) The provider's charges;

30

31

1 (b) The usual and customary provider charges for
2 similar services in the community where the services were
3 provided;

4 (c) The charge mutually agreed to by the entity and
5 the provider within 60 days after submittal of the claim; or

6 (d) The Medicaid rate.

7 Section 12. Subsection (4) of section 641.515, Florida
8 Statutes, is amended to read:

9 641.515 Investigation by the agency.--

10 (4) The agency shall promulgate rules imposing upon
11 physicians and hospitals performing services for a health
12 maintenance organization or provider sponsored organization
13 standards of care generally applicable to physicians and
14 hospitals.

15 Section 13. Subsection (1) and paragraph (b) of
16 subsection (2) of section 641.54, Florida Statutes, are
17 amended to read:

18 641.54 Information disclosure.--

19 (1) Every health maintenance organization or provider
20 sponsored organization shall maintain a current list, by
21 geographic area, of all hospitals which are routinely and
22 regularly used by the organization, indicating to which
23 hospitals the organization may refer particular subscribers
24 for nonemergency services. The list shall also include all
25 physicians under the organization's direct employ or who are
26 under contract or other arrangement with the organization to
27 provide health care services to subscribers. The list shall
28 contain the following information for each physician:

29 (a) Name.

30 (b) Office location.

31 (c) Medical area or areas of specialty.

1 (d) Board certification or eligibility in any area.

2 (e) License number.

3 (2) The list shall be made available, upon request, to
4 the department. The list shall also be made available, upon
5 request:

6 (b) With respect to an individual health maintenance
7 contract or any contract offered to a person who is entitled
8 to have payments for health care costs made under Medicare, to
9 the person considering or making application to, or under
10 contract with, the health maintenance organization or the
11 provider sponsored organization. The list may be restricted
12 to include only physicians and hospitals in the person's
13 geographic area.

14 Section 14. Section 641.59, Florida Statutes, is
15 amended to read:

16 641.59 Psychotherapeutic services; records and
17 reports.--A health maintenance organization, provider
18 sponsored organization, or prepaid health clinic, as defined
19 in this chapter, must maintain strict confidentiality against
20 unauthorized or inadvertent disclosure of confidential
21 information to persons inside or outside the health
22 maintenance organization, provider sponsored organization, or
23 prepaid health clinic regarding psychotherapeutic services
24 provided to subscribers by psychotherapists licensed under
25 chapter 490 or chapter 491 and psychotherapeutic records and
26 reports related to the services. A report, in lieu of records,
27 may be submitted by a psychotherapist in support of the
28 services. Such report must include clear statements
29 summarizing the subscriber's presenting symptoms, what
30 transpired in any provided therapy, what progress, if any, was
31 made by the subscriber, and results obtained. However, the

1 health maintenance organization, provider sponsored
2 organization, or prepaid health clinic may require the records
3 upon which the report is based, if the report does not contain
4 sufficient information supporting the services. A
5 psychotherapist submitting records in support of services may
6 obscure portions to conceal the names, identities, or
7 identifying information of people other than the subscriber if
8 this information is unnecessary to utilization review, quality
9 management, discharge planning, case management, or claims
10 processing conducted by the health maintenance organization or
11 prepaid health clinic. A health maintenance organization,
12 provider sponsored organization, or prepaid health clinic may
13 provide aggregate data which does not disclose subscriber
14 identities or identities of other persons to entities such as
15 payors, sponsors, researchers, and accreditation bodies.

21 delivery system that emphasizes primary care and integrates
22 the financing and delivery of services to enrolled individuals
23 through arrangements with selected providers, formal quality

25 enrollees to use the program's providers. Such a health care
26 delivery system may include arrangements in which providers
27 receive prepaid set payments to coordinate and deliver all
28 inpatient and outpatient services to enrollees or arrangements
29 in which providers receive a case management fee to coordinate
30 services and are reimbursed on a fee-for-service basis for the
31 services they provide. A managed care program may include a

1 state-licensed health maintenance organization, a provider
2 sponsored organization, a Medicaid prepaid health plan, a
3 Medicaid primary care case management program, or other
