Senators Holzendorf and Sullivan moved the following amendment  
:

**Senate Amendment (with title amendment)**

On page 3, between lines 7 and 8,

insert:

Section 2. (1) There is created the Leadership Board for Applied Research and Public Service to be staffed by the Institute of Science and Public Affairs at Florida State University. The purpose of the board is to focus, coordinate, and maximize university resources on current issues and events affecting Florida's residents and elected officials. Emphasis shall be placed on being responsive to and providing accurate, timely, useful, and relevant information to decisionmakers in state and local governments. The board shall set forth a process to provide comprehensive guidance and advice for improving the types and quality of services to be delivered by the State University System. Specifically, the board shall better identify and define the missions and roles of existing institutes and centers within the State University System,
