Senator Geller moved the following amendment to amendment (105740):

Senate Amendment (with title amendment)

On page 51, between lines 20 and 21,

insert:

Section 23. For purposes of chapter 212, Florida Statutes, charges by the operators of vessels that are used primarily to transport passengers to foreign ports shall be considered to be charges for transportation services rather than admissions charges. As used in this section, the term "primarily" means 65 percent or more calculated on the basis of vessel mileage. Qualifications for this treatment shall be determined for each month based on the vessel's mileage for the 12-month period immediately preceding the date on which the return for that month is due. This provision shall apply to all transactions occurring after June 30, 1992, on which tax was not collected or remitted.

(Redesignate subsequent sections.)
