6 created to read:

7           409.812 Florida Children's Healthy Bodies program.--

8           (1) LEGISLATIVE FINDINGS AND INTENT.--The Legislature  
9 finds that a significant number of Florida children are  
10 uninsured at any one time and these children do not receive  
11 necessary health care services. Further, the Legislature finds  
12 that the lack of access to a regular and ongoing source of  
13 medical care causes families to use health care resources  
14 inappropriately. The Legislature hereby creates the Florida  
15 Children's Healthy Bodies program to provide a defined set of  
16 health benefits to low-income children through the  
17 establishment of a variety of affordable health benefits  
18 coverage options from which families may select coverage and  
19 through which families may contribute financially to the  
20 health care of their children.

21           (2) GUIDING PRINCIPLES.--In creating the Florida  
22 Children's Healthy Bodies program, the Legislature establishes  
23 the following guiding principles:

24           (a) No new entitlements to government services shall  
25 be created. The Legislature reserves the right to discontinue  
26 the program any time revenue shortfalls occur in program  
27 funding or any time the Legislature determines the program is  
28 no longer meeting the needs it was designed to fulfill.

29           (b) Individual choice of plans, physicians, and other  
30 health care providers must be emphasized.

31

1       (c) Interference in the private insurance market must  
2 be minimized, and "crowd-out," that is, moving children from  
3 the private insurance market into a government-subsidized  
4 market, must be avoided.

5       (d) Children in families with incomes above  
6 eligibility levels for the program may be permitted to  
7 participate in the program through the payment of premiums and  
8 other coinsurance payments that cover the policy's full costs.

9       (e) Quality assurance mechanisms must be included as  
10 an integral component of the program.

11       (f) Special emphasis must be placed on ensuring  
12 participation in the program by members of the minority  
13 community.

14       Section 35. Section 409.813, Florida Statutes, is  
15 created to read:

16       409.813 Components; nonentitlement; enrollment  
17 ceilings.--

18       (1) The Florida Children's Healthy Bodies program  
19 includes health benefits coverage provided to children  
20 through:

21       (a) The Medicaid program as established under s.  
22 409.904(6);

23       (b) The Medikids program established under s.  
24 409.8131;

25       (c) The Florida Healthy Kids program as created in s.  
26 624.91;

27       (d) Health insurance plans certified and approved to  
28 participate in the health insurance pilot project established  
29 pursuant to s. 409.817;

30       (e) The Children's Medical Services network; and

31       (f) Family coverage authorized under s. 409.8175.

1  
2 Except for coverage under the Medicaid program, nothing in  
3 this act provides an individual with an entitlement to  
4 government-sponsored health care services. No cause of action  
5 shall arise against the state, the department, or the agency  
6 for failure to make health services available to any person  
7 under this act.

8       (2) Except for the Medicaid program, a ceiling shall  
9 be placed on annual federal and state expenditures and  
10 enrollment in the Florida Children's Healthy Bodies program  
11 based on the General Appropriations Act each year, or as  
12 specified in general law. The agency, in consultation with the  
13 department, may propose to increase the enrollment ceiling in  
14 accordance with the provisions of chapter 216.

15       (3) Except for the Medicaid program, whenever the  
16 Social Services Estimating Conference determines that there is  
17 presently, or will be by the end of the current fiscal year,  
18 insufficient funds to finance the current or projected  
19 enrollment in the program, all additional enrollment must  
20 cease and additional enrollment may not resume until  
21 sufficient funds are available to finance such enrollment.

22       (4) The agency shall collect and analyze the data  
23 needed to project the Florida Children's Healthy Bodies  
24 program enrollment, including participation rates, caseloads  
25 and expenditures. The agency shall report the caseload and  
26 expenditure trends to the Social Services Estimating  
27 Conference in accordance with the provisions of chapter 216.

28       Section 36. Section 409.8131, Florida Statutes, is  
29 created to read:

30       409.8131 Medikids program.--  
31

1       (1) LEGISLATIVE FINDINGS AND INTENT.--It is the intent  
2 of the Legislature through the creation of the Medikids  
3 program to provide health services to eligible children  
4 utilizing the administrative structure and provider network of  
5 the Medicaid program while avoiding the creation of an  
6 entitlement program. The Legislature intends that children  
7 participating in the Medikids program be provided health  
8 benefits in the same manner as children participating in the  
9 Medicaid program, including the benefit package, except as  
10 otherwise specified in this act. Differences between Medikids  
11 and Medicaid include, but are not limited to, the use of  
12 periodic open enrollment periods for Medikids beneficiaries,  
13 and the fact that Medikids is not an entitlement program and  
14 may be discontinued any time the Legislature determines the  
15 program is no longer needed, or through the provisions of  
16 chapter 216 during the occurrence of a funding shortfall.

17       (2) PROGRAM CREATION.--

18       (a) There is hereby created the Medikids program to be  
19 administered by the agency. The Medikids program shall not be  
20 subject to the requirements of the Department of Insurance or  
21 chapter 627. The director of the agency shall appoint an  
22 administrator of the Medikids program, which shall be located  
23 in the Division of State Health Purchasing.

24       (b) The agency is designated as the state agency  
25 authorized to make payments for medical assistance and related  
26 services for the Medikids program under Title XXI of the  
27 Social Security Act. These payments shall be made, subject to  
28 any limitations or directions provided for in the General  
29 Appropriations Act, only for services included in the program,  
30 shall be made only on behalf of eligible individuals, and  
31 shall be made only to qualified providers in accordance with

1 federal requirements for Title XXI of the Social Security Act  
2 and the provisions of state law.

3 (3) NONENTITLEMENT.--Nothing in this section shall be  
4 construed as providing an individual with an entitlement to  
5 health care services. No cause of action shall arise against  
6 the state or the agency for failure to make health services  
7 available under this section.

8 (4) MARKETING.--The agency, in consultation with the  
9 Department of Health, shall develop and implement a plan to  
10 publicize the Medikids program, the eligibility requirements  
11 for the program, and the procedures for enrolling in the  
12 program, and to maintain public awareness of the program.

13 (5) APPLICABILITY.--The provisions of ss. 409.902,  
14 409.905, 409.906, 409.907, 409.908, 409.910, 409.912,  
15 409.9121, 409.9122, 409.9123, 409.9124, 409.9127, 409.9128,  
16 409.913, 409.916, 409.919, 409.920, and 409.9205, apply to the  
17 Medikids program to the same extent such sections apply to the  
18 Medicaid program; except the applicability of the provisions  
19 of s. 409.9122 to the Medikids program shall be subject to the  
20 provisions of subsection (7).

21 (6) BENEFITS.--Benefits provided under the Medikids  
22 program shall be the same benefits provided to children as  
23 specified in ss. 409.905 and 409.906.

24 (7) ELIGIBILITY.--

25 (a) A child who is under the age of 6 years is  
26 eligible to participate in the Medikids program if the child  
27 is a member of a family that has a family income which exceeds  
28 the Medicaid applicable income level as specified in s.  
29 409.903, but which is equal to or below 200 percent of the  
30 federal poverty level. No assets test shall be required.

31

1           (b) The provisions of s. 409.814(3), (4), and (5)  
2 shall be applicable to the Medikids program.

3           (8) ENROLLMENT.--Enrollment in the Medikids program  
4 may only occur during periodic open enrollment periods as  
5 specified by the agency. During the first 12 months of the  
6 program, there shall be at least one, but no more than three,  
7 open enrollment periods. The initial open enrollment period  
8 shall be for 60 days, and subsequent open enrollment periods  
9 during the first year of the program shall be for 30 days.  
10 After the first year of the program, the agency shall  
11 determine the frequency and duration of open enrollment  
12 periods. A child may apply for participation in the Medikids  
13 program and proceed through the eligibility determination  
14 process at any time throughout the year. In addition, once  
15 determined eligible, a child may receive choice counseling and  
16 select a managed care plan or MediPass. However, enrollment in  
17 Medikids shall not begin until the next open enrollment  
18 period; nor shall a child be eligible for services under the  
19 Medikids program until the child is enrolled in a managed care  
20 plan or MediPass. Enrollment in MediPass shall be an option  
21 for a child participating in the Medikids program only in  
22 counties which have fewer than two managed care plans  
23 available to serve Medicaid recipients. Participants shall not  
24 have the option of enrolling in MediPass if the federal Health  
25 Care Financing Administration determines that MediPass does  
26 not constitute "health insurance coverage" as defined in Title  
27 XXI of the Social Security Act.

28           (9) SPECIAL ENROLLMENT PERIODS.--The agency shall  
29 establish a special enrollment period of 30 days' duration for  
30 any child who is enrolled in Medicaid if such child loses  
31 Medicaid eligibility and becomes eligible for Medikids, for

1 any newborn child who is eligible for Medikids, or for any  
2 child who is enrolled in Medikids if such child moves to  
3 another county which is not within the coverage area of the  
4 child's Medikids managed care plan or MediPass provider. The  
5 provisions of this subsection shall apply only if a space is  
6 available within the Medikids program.

7 (10) PENALTIES FOR VOLUNTARY CANCELLATION.--The agency  
8 shall establish enrollment criteria which shall include  
9 penalties or waiting periods of not fewer than 60 days for  
10 reinstatement of coverage upon voluntary cancellation for  
11 nonpayment of premiums.

12 Section 37. Section 409.8134, Florida Statutes, is  
13 created to read:

14 409.8134 Delivery of services in rural counties.--In a  
15 rural county, the Florida Healthy Kids Corporation may offer  
16 Healthy Kids coverage through a health insurer licensed under  
17 chapter 624. The indemnity or preferred provider organization  
18 product offered by the health insurer must use the Medicaid  
19 fee schedule to reimburse providers.

20 Section 38. Section 409.8135, Florida Statutes, is  
21 created to read:

22 409.8135 Behavioral health services.--In order to  
23 ensure a high level of integration of physical and behavioral  
24 health care and to meet the more intensive treatment needs of  
25 enrollees with the most serious emotional disturbances or  
26 substance abuse problems, the Department of Health shall  
27 contract with the Department of Children and Family Services  
28 to provide behavioral health services to non-Medicaid-eligible  
29 children with special health care needs. The Department of  
30 Children and Family Services, in consultation with the

31

1 Department of Health and the agency, is authorized to  
2 establish the following:  
3 (1) The scope of behavioral health services, including  
4 duration and frequency.  
5 (2) Clinical guidelines for referral to behavioral  
6 health services.  
7 (3) Behavioral health services standards.  
8 (4) Performance-based measures and outcomes for  
9 behavioral health services.

11 to ensure cost-effective treatment and to prevent unnecessary  
12 expenditures.  
13 (6) Rules to implement this subsection.  
14 Section 39. Section 409.814, Florida Statutes, is  
15 created to read:  
16 409.814 Eligibility.--Except for the Medicaid program,  
17 a child whose family income is at or below 200 percent of the  
18 federal poverty level is eligible for financial assistance  
19 under the Florida Children's Healthy Bodies program as  
20 provided in this section. In determining the eligibility of  
21 such a child, an assets test is not required.  
22 (1) A child who is eligible for Medicaid coverage  
23 under s. 409.903 or s. 409.904, is not eligible to receive  
24 health benefits under any other health benefits coverage  
25 authorized under this act.  
26 (2) A child who is not eligible for Medicaid, but who  
27 is eligible for the program, may obtain coverage under any of  
28 the other types of health benefits coverage authorized in this  
29 act, if such health benefits coverage is approved and space is  
30 available in the county in which the child resides. However, a  
31 child who is eligible for Medikids may participate in the

1 Florida Healthy Kids program only if the child has a sibling  
2 participating in the Florida Healthy Kids program and the  
3 child's county of residence permits such enrollment.

4 (3) A child who is eligible for the program and who is  
5 a child with special health care needs, as determined through  
6 a risk screening instrument, is eligible for health benefits  
7 coverage from and may be referred to the Children's Medical  
8 Services network established in chapter 391.

9 (4) The following children are not eligible to receive  
10 financial assistance for health benefits coverage under this  
11 act, except under Medicaid if the child would have been  
12 eligible for Medicaid services under s. 409.903 or s. 409.904  
13 as of June 1, 1997:

14 (a) A child who is eligible for coverage under a state  
15 health benefits plan on the basis of a family member's  
16 employment with a public agency in the state;

25 (5) A child whose family income is above 200 percent

27 excluding the Medicaid program; but is subject to the  
28 following provisions:

29 (a) The family is not eligible for premium assistance  
30 payments and must pay the full cost of the premium, including  
31 any administrative costs. Children described in this

1 subsection are not counted in the annual enrollment ceiling  
2 for the Florida Children's Healthy Bodies program.

3 (b) The agency is authorized to place limits on  
4 enrollment in Medikids by these children in order to avoid  
5 adverse selection. The number of children participating in  
6 Medikids whose family income exceeds 200 percent of the  
7 federal poverty level must not exceed 10 percent of total  
8 enrollees in the Medikids program.

9 (c) The board of directors of the Florida Healthy Kids  
10 Corporation is authorized to place limits on enrollment of  
11 these children in order to avoid adverse selection. In  
12 addition, the board is authorized to offer a reduced benefit  
13 package to these children in order to limit program costs for  
14 such families. The number of children participating in Healthy  
15 Kids whose family income exceeds 200 percent of the federal  
16 poverty level must not exceed 10 percent of total enrollees in

18 Section 51. Section 409.9126, Florida Statutes, is  
19 amended to read:

20 409.9126 Children with special health care needs.--

21 ~~(1) As used in this section:~~

22 ~~(a) "Children's Medical Services network" means an~~  
23 ~~alternative service network that includes health care~~  
24 ~~providers and health care facilities specified in chapter 391~~  
25 ~~and ss. 383.15-383.21, 383.216, and 415.5055.~~

26 ~~(b) "Children with special health care needs" means~~  
27 ~~those children whose serious or chronic physical or~~  
28 ~~developmental conditions require extensive preventive and~~  
29 ~~maintenance care beyond that required by typically healthy~~  
30 ~~children. Health care utilization by these children exceeds~~  
31 ~~the statistically expected usage of the normal child matched~~

1 ~~for chronological age and often needs complex care requiring~~  
2 ~~multiple providers, rehabilitation services, and specialized~~  
3 ~~equipment in a number of different settings.~~

4 ~~(2) The Legislature finds that Medicaid-eligible~~  
5 ~~children with special health care needs require a~~  
6 ~~comprehensive, continuous, and coordinated system of health~~  
7 ~~care that links community-based health care with~~  
8 ~~multidisciplinary, regional, and tertiary care. The~~  
9 ~~Legislature finds that Florida's Children's Medical Services~~  
10 ~~program provides a full continuum of coordinated,~~  
11 ~~comprehensive services for children with special health care~~  
12 ~~needs.~~

13 ~~(1)(3)~~ Except as provided in subsection (4)  
14 ~~subsections (8) and (9)~~, children eligible for Children's  
15 Medical Services who receive Medicaid benefits, and other  
16 Medicaid-eligible children with special health care needs,  
17 shall be exempt from the provisions of s. 409.9122 and shall  
18 be served through the Children's Medical Services network  
19 established in chapter 391.

20 ~~(2)(4)~~ The Legislature directs the agency to apply to  
21 the federal Health Care Financing Administration for a waiver  
22 to assign to the Children's Medical Services network all  
23 Medicaid-eligible children who meet the criteria for  
24 participation in the Children's Medical Services program ~~as~~  
25 ~~specified in s. 391.021(2)~~, and other Medicaid-eligible  
26 children with special health care needs.

27 ~~(5) The Children's Medical Services program shall~~  
28 ~~assign a qualified MediPass primary care provider from the~~  
29 ~~Children's Medical Services network who shall serve as the~~  
30 ~~gatekeeper and who shall be responsible for the provision or~~  
31 ~~authorization of all health services to a child who has been~~

1 ~~assigned to the Children's Medical Services network by the~~  
2 ~~Medicaid program.~~

3 (3)~~(6)~~ Services provided through the Children's  
4 Medical Services network shall be reimbursed on a  
5 fee-for-service basis and shall utilize a primary care case  
6 management process. However, effective July 1, 1999,  
7 reimbursement to the Children's Medical Services program for  
8 services provided to Medicaid-eligible children with special  
9 health care needs through the Children's Medical Services  
10 network shall be on a capitated basis.

11 ~~(7) The agency, in consultation with the Children's~~  
12 ~~Medical Services program, shall develop by rule~~  
13 ~~quality of care and service integration standards.~~

14 ~~(8) The agency may issue a request for proposals,~~  
15 ~~based on the quality of care and service integration~~  
16 ~~standards, to allow managed care plans that have contracts~~  
17 ~~with the Medicaid program to provide services to~~  
18 ~~Medicaid-eligible children with special health care needs.~~

19 (4)~~(9)~~ The agency may ~~shall~~ approve requests to  
20 provide services to Medicaid-eligible children with special  
21 health care needs from managed care plans that meet access,  
22 quality-of-care, network, and service integration standards  
23 and are in good standing with the agency. The agency shall  
24 monitor on a quarterly basis managed care plans which have  
25 been approved to provide services to Medicaid-eligible  
26 children with special health care needs. The agency may  
27 determine the number of enrollment slots approved for a  
28 managed care plan based on the managed care plan's network  
29 capacity to serve children with special health care needs.

30 (5)~~(10)~~ The agency, in consultation with the  
31 Department of Health ~~and Rehabilitative Services,~~ shall adopt

1 rules that address Medicaid requirements for referral,  
2 enrollment, and disenrollment of children with special health  
3 care needs who are enrolled in Medicaid managed care plans and  
4 who may benefit from the Children's Medical Services network.

5 ~~(11) The Children's Medical Services network may~~  
6 ~~contract with school districts participating in the certified~~  
7 ~~school match program pursuant to ss. 236.0812 and 409.908(21)~~  
8 ~~for the provision of school-based services, as provided for in~~  
9 ~~s. 409.9071, for Medicaid-eligible children who are enrolled~~  
10 ~~in the Children's Medical Services network.~~

11 ~~(12) After 1 complete year of operation, the agency~~  
12 ~~shall conduct an evaluation of the Children's Medical Services~~  
13 ~~network. The evaluation shall include, but not be limited to,~~  
14 ~~an assessment of whether the use of the Children's Medical~~  
15 ~~Services network is less costly than the provision of the~~  
16 ~~services would have been in the Medicaid fee-for-service~~  
17 ~~program. The evaluation also shall include an assessment of~~  
18 ~~patient satisfaction with the Children's Medical Services~~  
19 ~~network, an assessment of the quality of care delivered~~  
20 ~~through the network, and recommendations for further improving~~  
21 ~~the performance of the network. The agency shall report the~~  
22 ~~evaluation findings to the Governor and the chairpersons of~~  
23 ~~the appropriations and health care committees of each chamber~~  
24 ~~of the Legislature.~~

25 Section 52. Section 624.91, Florida Statutes, is  
26 amended to read:

27 624.91 The Florida Healthy Kids Corporation Act.--

28 (1) SHORT TITLE.--This section may be cited as the  
29 "William G. 'Doc' Myers Healthy Kids Corporation Act."

30 (2) LEGISLATIVE INTENT.--

31

1           (a) The Legislature finds that increased access to  
2 health care services could improve children's health and  
3 reduce the incidence and costs of childhood illness and  
4 disabilities among children in this state. Many children do  
5 not have comprehensive, affordable health care preventive  
6 ~~services available or funded, and for those who do, lack of~~  
7 ~~access is a restriction to getting service.~~ It is the intent  
8 of the Legislature that the Florida Healthy Kids a nonprofit  
9 ~~Corporation be organized to facilitate a program to bring~~  
10 ~~preventive health care services to children, if necessary~~  
11 ~~through the use of school facilities in this state when more~~  
12 ~~appropriate sites are unavailable, and to provide~~  
13 comprehensive health insurance coverage to such children. A  
14 ~~goal for~~ The corporation is encouraged to cooperate with any  
15 existing health preventive service programs funded by the  
16 public or the private sector.

17           (b) It is the intent of the Legislature that the  
18 Florida Healthy Kids Corporation serve as one of several  
19 providers of services to children eligible for medical  
20 assistance under Title XXI of the Social Security Act.  
21 Although the corporation may serve other children, the  
22 Legislature intends the primary recipients of services  
23 provided through the corporation be school-age children with a  
24 family income below 200 percent of the federal poverty level,  
25 who do not qualify for Medicaid. It is also the intent of the  
26 Legislature that state and local government Florida Healthy  
27 Kids funds, to the extent permissible under federal law, be  
28 used to obtain matching federal dollars.

29           (3) NONENTITLEMENT.--Nothing in this section shall be  
30 construed as providing an individual with an entitlement to  
31 health care services. No cause of action shall arise against

1 the state, the Florida Healthy Kids Corporation, or a unit of  
2 local government for failure to make health services available  
3 under this section.

4 (4)~~(3)~~ CORPORATION AUTHORIZATION, DUTIES, POWERS.--

5 (a) There is created ~~The Legislature hereby creates~~

21 expenses ~~incurred during the period for which family or~~  
22 ~~employer payments are made;~~

23 3. Establish the administrative and accounting  
24 procedures for the operation of the corporation;

25 4. Establish, with consultation from appropriate  
26 professional organizations, standards for preventive health  
27 services and providers and comprehensive insurance benefits  
28 appropriate to children; provided that such standards for  
29 rural areas shall not limit primary care providers to  
30 board-certified pediatricians;

31

- 1           5. Establish eligibility criteria which children must  
2 meet in order to participate in the program;
- 3           6. Establish procedures under which applicants to and  
4 participants in the program may have grievances reviewed by an  
5 impartial body and reported to the board of directors of the

16 enrollment period of 30 days' duration for any child who is

21 provider of health care services, meeting standards  
22 established by the corporation, for the provision of

31 and the program;

1           ~~12.10~~ Secure staff necessary to properly administer  
2 the corporation. Staff costs shall be funded from state and

12 Governor, Insurance Commissioner, Commissioner of Education,  
13 Senate President, Speaker of the House of Representatives, and  
14 Minority Leaders of the Senate and the House of  
15 Representatives;

16           ~~15.13~~ Each fiscal year, establish a maximum number of  
17 participants by county, on a statewide basis, who may enroll  
18 in the program without the benefit of local matching funds.  
19 Thereafter, the corporation may establish local government  
20 matching requirements for supplemental participation in the  
21 program. The corporation may vary local matching requirements  
22 and enrollment by county depending on factors which may  
23 influence the local government's ability to provide local  
24 match, including, but not limited to, population density, per  
25 capita income, existing local tax effort, and other factors.  
26 The corporation also may accept in-kind match in lieu of cash  
27 for the local match requirement to the extent allowed by Title  
28 XXI of the Social Security Act; and ~~For the 1996-1997 fiscal~~  
29 ~~year only, funds may be appropriated to the Florida Healthy~~  
30 ~~Kids Corporation to organize school children groups to~~  
31 ~~facilitate the provision of preventive health care services to~~

1 ~~children at sites in addition to those allowed in subparagraph~~  
2 ~~1. This subparagraph is repealed on July 1, 1997.~~
