Bill No. HB 4765, 2nd Eng.

Amendment No. CHAMBER ACTION Senate House 1 2 3 4 5 6 7 8 9 10 Senator Grant moved the following amendment to amendment 11 12 (020784):13 14 Senate Amendment (with title amendment) On page 29, lines 14 and 15, delete those lines 15 16 17 and insert: Section 35. Effective January 1, 1999, section 18 73.0511, Florida Statutes, is amended to read: 19 20 73.0511 Prelitigation notice and offer of full 21 compensation.--Before an eminent domain action is initiated 22 under chapter 73 or chapter 74 Prior to instituting litigation, the condemning authority shall notify the fee 23 24 owners appearing of record on the date the offer is made of 25 their statutory rights under s. 73.091 and shall make a 26 written offer of full compensation for the property to be 27 acquired and any damages to the remainder caused by the taking, naming the fee owners to whom it is made. The notice 28 and written offer must be sent to the fee owners' last known 29 30 address listed on the county ad valorem tax roll. Notice to one fee owner constitutes notice to all fee owners on 31 1

multiple-ownership property. This section may not be 1 2 interpreted as shifting the burden of proof of either the 3 condemning authority or fee owners at a valuation trial under 4 chapter 73 or chapter 74, as otherwise provided by law. The 5 governmental condemning authority is not required to give notice to a person who acquires title to the property 6 7 subsequent to the notice required by this section. Section 36. Effective July 1, 1998, and applicable to 8 eminent domain actions filed after June 30, 1998, subsection 9 10 (2) of section 337.27, section 337.271, subsection (2) of section 348.0008, subsection (2) of section 348.759, and 11 12 subsection (2) of section 348.957, Florida Statutes, are 13 repealed. Section 37. Subsection (6) is added to section 253.82, 14 15 Florida Statutes, to read: 16 253.82 Title of state or private owners to Murphy Act 17 lands.--18 (6)(a) All reservations of easements on deeds by the Board of Trustees of the Internal Improvement Trust Fund 19 20 conveying land acquired under chapter 18296, Laws of Florida, 21 1937, are hereby vested by operation of law, and without the necessity of instruments of conveyance from the Board of 22 Trustees of the Internal Improvement Trust Fund, in the 23 governmental entity having right and title to the road to 24 which the reservations are adjacent. All reservations adjacent 25 to a road that was designated as a state road at the time of 26 27 the reservation, which road is currently held by the state, are conveyed to the Department of Transportation. All 28 29 reservations adjacent to a road that was designated as a state 30 road at the time of the reservation, which road is located in an unincorporated area of a county or owned by the county 31

12:20 PM 04/30/98

within any incorporated area, are conveyed to the respective 1 2 county. All other reservations within an incorporated area 3 adjacent to a road that was designated as a state road at the 4 time of the reservation, which reservations are not otherwise conveyed to the state or the county, are conveyed to the 5 6 incorporated area. The conveyance includes all right, title, 7 and interest in the reservation held by the Board of Trustees of the Internal Improvement Trust Fund. 8 9 (b) Every entity that holds title to Murphy Act 10 reservations must establish a procedure for reviewing any deed 11 that contains a reservation when a review is requested or a 12 road project is anticipated. The review process must provide 13 for: 1. A determination of whether the language of the deed 14 15 created a reservation at the time of the original conveyance. 16 2. A review of any release of the reservation provided 17 by the property owner. 18 3. The recording of a notice of the nonexistence of a reservation if reservation language in the deed does not 19 20 impact the property. 21 4. A determination of whether any or all of the reservation may be released, and a form for recording the 22 23 release. 24 5. A process to allow for review through mediation if requested by the property owner or through binding arbitration 25 26 pursuant to chapter 44. 27 28 Any fee charged may not exceed the actual cost to review the 29 deed, perform an appeal, and pay any recording expenses. Any 30 such fee may not exceed \$300. (c)1. Any owner of property encumbered by a Murphy Act 31 3 h4765c-13c9u 12:20 PM 04/30/98

road reservation who has been denied a release of all or part 1 2 of the reservation or who has received notice of a 3 governmental entity's intent to preserve the reservation under 4 s. 712.05 may appeal to the entity and show that the reservation substantially denies the property owner the 5 6 current economic use of the property held by the owner. For 7 purposes of this determination, the term "current economic use" means the use of the property on the date notice of the 8 easement is filed under s. 712.05. 9 10 2. Upon a determination by the governmental entity that the reservation substantially denies the property owner 11 12 the current economic use of the property held by the owner, 13 the governmental entity must purchase the real property and improvements not retained by the property owner in fee simple 14 15 title or release all or part of the reservation as necessary 16 to allow for beneficial use of the property. 17 3. If the governmental entity and property owner are 18 unable to agree as to whether the reservation substantially 19 denies the current economic use of the property or as to the 20 purchase price, the property owner may request mediation or binding arbitration under chapter 44 to resolve these issues. 21 4. Before the payment of any compensation, the 22 property owner must provide the governmental entity copies of 23 24 any title insurance policies and notice of any compensation received from a title company related to the easement. 25 26 (7) The process for release of any road reservation 27 covered by this section or payment for property impacted by 28 the use of a reservation covered by this section must be 29 solely in accordance with this section. Any action for the 30 taking of property related to road construction is separate and distinct from an action under this section. 31

1	(8) The governmental entity is not liable for
2	attorney's fees or costs incurred by the owner in establishing
3	the impact of the road reservation on the property.
4	Section 38. Section 712.04, Florida Statutes, is
5	amended to read:
6	712.04 Interests extinguished by marketable record
7	titleSubject to the matters stated in s. 712.03, such
8	marketable record title shall be free and clear of all
9	estates, interests, claims, or charges whatsoever, the
10	existence of which depends upon any act, title transaction,
11	event or omission that occurred prior to the effective date of
12	the root of title. All such estates, interests, claims, or
13	charges, however denominated, whether such estates, interests,
14	claims, or charges are or appear to be held or asserted by a
15	person sui juris or under a disability, whether such person is
16	within or without the state, whether such person is natural or
17	corporate, or is private or governmental, are hereby declared
18	to be null and void, except that this chapter shall not be
19	deemed to affect any right, title, or interest of the United
20	States, Florida, or any of its officers, boards, commissions,
21	or other agencies reserved in the patent or deed by which the
22	United States, Florida, or any of its agencies parted with
23	title. However, all reservations of easements in deeds by the
24	Trustees of the Internal Improvement Trust Fund conveying land
25	acquired under chapter 18296, Laws of Florida, 1937, shall be
26	extinguished by the Marketable Record Title Act on July 1,
27	2001, subject to the provisions of s. 712.03, and further
28	subject to the right of any governmental entity that holds
29	title to the reservations to preserve such reservations as are

July 1, 2001. 1 Section 39. Subsection (3) is added to section 712.05, 2 3 Florida Statutes, to read: 4 712.05 Effect of filing notice .--5 (3) Any governmental entity that claims a road 6 reservation pursuant to a deed conveyed under the Murphy Act 7 may preserve the reservation or any portion thereof necessary for future transportation projects in adopted transportation 8 plans and protect the reservation from extinguishment by the 9 10 operation of this chapter by filing for record, prior to July 1, 2001, a notice, in writing, in accordance with the 11 12 provisions of this chapter. The notice preserves the 13 reservation or portion thereof for 10 years following the date of record if the reservation is used or identified by the 14 15 governmental entity in the final design plans of a road 16 project scheduled for construction to begin before the end of 17 the 10-year period. Any reservation used or identified in the 18 final design plans of a road project scheduled for construction to begin before the end of the 10-year period is 19 20 not extinguished. 21 Section 40. Subsection (3) is added to section 479.15, Florida Statutes, to read: 22 479.15 Harmony of regulations.--23 24 (3) It is the express intent of the Legislature to limit the state right-of-way acquisition costs in eminent 25 domain proceedings by preempting county and municipal 26 27 regulation of outdoor advertising signs located adjacent to any part of the state highway system when the state is making 28 improvement to such highways, the provisions of s. 479.155 29 30 notwithstanding. Whenever land is acquired upon which is 31 situated a lawful nonconforming sign, the sign may, upon 6

receiving a waiver from federal regulations and at the 1 election of its owner, be relocated or reconstructed adjacent 2 3 to the new right-of-way at the same station along the roadway 4 and any local ordinance to the contrary is preempted. 5 Section 41. (1) The Legislature finds that balancing 6 the property and business interests of private citizens with 7 costs of advancing the public purposes of governmental projects is an important function of the Legislature. 8 Therefore, the Legislature creates and establishes a study 9 10 panel on eminent domain to make an assessment of the current administration of the exercise of the eminent domain power by 11 12 state and local governments, to identify issues of fairness 13 and justice in the protection of property and business rights upon the acquisition for public good, to analyze the 14 15 feasibility of establishing procedures or programs to assist 16 property or business owners adversely affected by 17 transportation projects when demonstrating actual loss, and to 18 ascertain any potential increase or decrease in the costs of right-of-way acquisition upon any proposed legislative 19 recommendation. In carrying forth its stated purpose, the 20 21 study panel will provide and address: (a) A brief jurisprudential history of the basis of 22 23 the power of eminent domain vis a vis property and business 24 rights, constitutional or otherwise. (b) A study of the frequency of acquisition by 25 voluntary purchase prior to the filing of an eminent domain 26 27 lawsuit rather than acquisition by lawsuit for transportation 28 projects in which acquisition of title took place between 29 January 1, 1997, and December 31, 1997, identifying whether 30 acquisition included any business interests in addition to property interests and whether an initial offer was made by 31 7

the condemning authority. 1 2 (c) A study of right-of-way costs per parcel for 3 transportation projects in which acquisition of title took 4 place between January 1, 1997, and December 31, 1997, 5 comparing the amount of any initial offer with the amount of 6 settlement; identifying whether settlement occurred prior to 7 lawsuit, in litigation prior to jury trial, or by jury trial; identifying any stipulated allocations between the amounts 8 reimbursed to a property or business owner for property, 9 10 business damages, attorney's fees and costs, or expert costs; 11 and identifying any allocations between administrative costs 12 or expert costs expended by the condemning authority. (d) A study of the appraisal methodology employed by 13 condemning authorities for the valuation of real estate with 14 15 the highest and best use in agriculture for acquisitions in which title vested or purchase contracts were agreed to 16 between January 1, 1997, and December 31, 1997. 17 18 (e) A study of the frequency with which the property 19 owner received compensation for a substantial diminution of access to the exclusion of a business owner in transportation 20 21 projects in which acquisition of title took place between January 1, 1997, and December 31, 1997. 22 (f) A study of the frequency of the number of whole 23 24 takings relative to the number of partial takings in 25 transportation projects in which acquisition of title took 26 place between January 1, 1997, and December 31, 1997. 27 (g) A study of the feasibility of potential programs 28 for assisting businesses adversely affected by transportation 29 projects, including, but not limited to: 30 1. Business loan programs with low or no interest. 31 2. Business grant programs.

1 2	3. Credits for, and exemptions from, taxes or fees for impacted businesses.
3	4. Use of state surcharges on local fuel tax revenues
4	to fund local business assistance programs.
5	5. Use of alternative dispute resolution approaches to
6	resolving business damage claims.
7	6. Provision by statute or constitutional amendment to
8	further protect business rights when affected by eminent
9	domain.
10	(h) A study of alternative approaches to business
11	damages which would make the business owner whole.
12	(i) A study of the costs of eminent domain actions in
13	this state, including property and business damage
14	compensation and attorney's fees, as compared to the costs
15	under the federal system and that of other states.
16	(j) Any other aspects of eminent domain deemed
17	appropriate by the study panel.
18	(2) When not otherwise specifically provided, the
19	study panel shall establish guidelines or parameters of the
20	studies in subsection (1) so that the studies are not
21	exhaustive, but maintain representative statistical accuracy.
22	In order for the study panel to receive input, and to assist
23	it in its evaluations and its formulation of recommendations,
24	the study panel may establish one or more technical or other
25	special advisory committees. The advisory committees may
26	include study panel or non-study panel members, including
27	representatives of those industries that may be affected by
28	the study panel's recommendations. Study panel and non-study
29	panel members of any technical or other special advisory

2	the extent that funds are available for this purpose. Public
3	officers and employees shall be reimbursed by their respective
4	agencies in accordance with chapter 112, Florida Statutes.
5	Costs for the study panel shall be funded in the Department of
6	Transportation's adopted 5-year work program. The department
7	may contract with the Florida Conflict Resolution Consortium
8	and Florida State University. All state agencies are requested
9	to provide assistance to the study panel as necessary to
10	accomplish the purposes set forth for the study panel in this
11	act.
12	(3) The study panel shall consist of the following
13	members:
14	(a) A representative of the Department of
15	Transportation, a representative of the Department of Banking
16	and Finance, a representative of the Association of Counties,
17	a representative of the League of Cities, a representative of
18	the Florida Metropolitan Planning Organization, a

Eminent Domain Committee of the Academy of Florida Trial 1 2 Lawyers, all to be appointed by the President of the Senate. 3 (c) A member of the Florida House of Representatives, 4 a representative of the Florida Petroleum Marketers Association, a representative of the Florida United Businesses 5 6 Association, a representative of the Florida Farm Bureau 7 Federation, a representative of the Florida Property Rights Coalition, a representative of the Florida Chamber of 8 Commerce, and a representative of the Florida Bar Eminent 9 Domain Committee, all to be appointed by the Speaker of the 10 11 House of Representatives. 12 (4) The study panel shall hold at least two public 13 hearings, one of which shall be outside Tallahassee, and shall seek public comment and input. The study panel shall submit a 14 15 written report to the Governor, the President of the Senate, and the Speaker of the House of Representatives on its 16 17 findings and any recommendations for proposed legislation no 18 later than December 31, 1999. 19 Section 42. The Legislature finds that balancing property and business interests of private citizens and 20 21 governmental entities is an important function of the Legislature. Likewise, the Legislature finds that, in the 22 balancing of those interests, prelitigation offers of 23 24 compensation assist in reducing the costs of acquisition; that an entire lot, block, or tract of land should be acquired only 25 when the public purpose and necessity are related to the 26 27 engineering needs of a project and not the saving of acquisition costs to the detriment of business owners; that 28 29 orderly procedures for the transference of deeds under the 30 Murphy Act should be established to save administrative costs; that provision should be made for the underlying fee owner to 31

be eligible for compensation for the denial of economic use 1 2 caused by the exercise of a reservation pursuant to deeds 3 under the Murphy Act; and that local ordinances regulating 4 outdoor advertising signs should be preempted upon relocation of an outdoor advertising sign resulting from the acquisition 5 6 of right-of-way. Therefore, the Legislature finds that this 7 act fulfills an important state interest. Section 43. Subsection (1) of section 337.19, Florida 8 9 Statutes, is amended to read: 10 337.19 Suits by and against department; limitation of actions; forum. --11 12 (1) Suits at law and in equity may be brought and 13 maintained by and against the department on any contract claim arising from the breach of an express provision or an implied 14 15 covenant of a written agreement or a written directive issued 16 by the department pursuant to the written agreement. In any 17 such suit, the department and the contractor shall have all of 18 the same rights, obligations, remedies, and defenses as a private person under a like contract, except that no liability 19 may be based on an oral modification of the written contract 20 21 or written directive. However, this section shall not be construed to in any way prohibit the department from limiting 22 its liability or damages through provisions in its contracts. 23 24 Notwithstanding anything to the contrary contained herein, no employee or agent of the department may be held personally 25 liable to an extent greater than that provided under s. 768.28 26 27 under contract for work done; provided, that no suit sounding in tort shall be maintained against the department. 28 Section 44. Except as otherwise expressly provided in 29 30 this act, this act shall take effect upon becoming a law. 31
