Amendment No. ____

1 transportation systems, and any appurtenant areas which are
2 used, or intended for public use, for airport buildings or
3 other airport facilities or rights-of-way.

4 (5) "Airport or aviation discretionary capacity
5 improvement projects" or "discretionary capacity improvement
6 projects" means capacity improvements which are consistent, to
7 the maximum extent feasible, with the approved local
8 government comprehensive plans of the units of local
9 government in which the airport is located, and which enhance
10 intercontinental or space transportation capacity at airports
11 which:

12 (a) Are international airports with United States
13 Customs Service or a spaceport as defined in s. 331.303(19);

14 (b) Had one or more orbital flights or regularly
15 scheduled intercontinental flights during the previous
16 calendar year or have an agreement in writing for installation
17 of one or more orbital flights or regularly scheduled
18 intercontinental flights upon the commitment of funds for
19 stipulated airport capital improvements; and

20 (c) Have available or planned public ground
21 transportation between the airport and other major
22 transportation facilities.

23 Section 57. Paragraph (a) of subsection (7) of section
