A bill to be entitled  
An act relating to state government; providing legislative intent; providing duties of procuring agencies relating to procurement contracts; imposing certain duties on the Comptroller; providing application; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. It is the intent of the Legislature that the Comptroller have access to and annually publish the amount of dollars spent by this state in the labor portion of state-contracted services to serve as a benchmark and measurement tool of state-contracted employment.

(1) As a condition of each procurement contract in excess of the threshold amount provided in section 287.017, Florida Statutes, for CATEGORY FOUR entered into after December 31, 1998, the procuring agency shall require the successful contractor to provide estimates of the number of full-time-equivalent positions, or fractions thereof, and the amount of dollars represented by the labor portion, including salary and benefits, of each contract. The procuring agency shall record such estimates in the State Automated Management Accounting Subsystem in accordance with procedures prescribed by the Comptroller.

(2) The Comptroller shall include in the State Automated Management Accounting Subsystem the capability to prepare reports containing the estimates of the number of full-time-equivalent positions and labor dollars for contracts

1 entered into the system by agencies after December 31, 1998.

2 The Comptroller shall publish such information annually.

3 (3) This section does not apply to contracts for the  
4 purchase of commodities as defined in section 287.012, Florida  
5 Statutes, but applies to all other contracts entered into by  
6 the state, including, but not limited to, contracts for social  
7 services, road design and construction, building construction,  
8 management consulting services, and public-private  
9 partnerships.

10 Section 2. This act shall take effect upon becoming a  
11 law.
