10   Be It Enacted by the Legislature of the State of Florida:

11  
12           Section 1. (1) The intent of this section is to  
13 create a positive and safe learning environment for the  
14 children of Florida and to keep disruptive children who break  
15 the law off the streets when they are most likely to engage in  
16 activities in violation of the law.

17           (2) A public school student who has been placed in a  
18 community control program must attend a public education adult  
19 and community night school education program while in the  
20 community control program if the school district offers such  
21 night school program. While enrolled in a public education  
22 adult and community night school education program, a student  
23 must work a minimum of 40 hours per week during the hours he  
24 or she is not attending night school. If a student attends  
25 day school because a public education adult and community  
26 night school education program is not available in the school  
27 district, the identity of the student, the nature of the  
28 offense committed by the student, and the conditions of  
29 community control must be made known to each of the teachers  
30 of the student.

31           Section 2. This act shall take effect July 1, 1997.
