2 data.
3 2. Statewide student achievement data.
4 3. Readiness for postsecondary education data.

12 and crime.
13 2. Indicators of innovation in teaching and learning.
14 3. Indicators of successful challenging school
15 improvement plans.
16 4. Parent, community, and student involvement in
17 learning.
18 (c) After identification of schools for final
19 recognition and financial awards, awards must be distributed
20 based on employee performance criteria established in district
21 school board policy.
22 (3) All selected schools shall receive financial
23 awards depending on the availability of funds appropriated and
24 the number and size of schools selected to receive an award.
25 Funds must be distributed to the school's fiscal agent and
26 placed in the school's account and must be used as determined
27 by the school's staff and school advisory council for bonuses
28 to the faculty and staff or for educational equipment or

30 provisions to the contrary, incentive awards are not subject
31 to collective bargaining.
