16	and insert:
17	(c) Subject to the provisions of subsection (1),
18	district school boards are authorized and encouraged to
19	establish requirements for high school graduation in excess of
20	the minimum requirements by increasing the required academic
21	courses set forth in subsection (1)(a) through (j) and
22	decreasing the number of elective credits proportionately, and
23	by increasing the minimum grade point average requirement;
24	however, an increase in required courses academic credit or
25	minimum grade point average requirements shall not apply to
26	those students enrolled in grades 9 through 12 at the time the
27	district school board increases the requirements. $\underline{ ext{This}}$
28	paragraph does not preclude district school boards from
29	establishing academic credit requirements in excess of 24
