7 Be It Enacted by the Legislature of the State of Florida:

8  
9                   Section 1. Subsection (1) of section 403.767, Florida  
10 Statutes, is amended to read:

11                   403.767 Certification of used oil transporters.--

12                   (1) Any person who transports over public highways  
13 after January 1, 1990, more than 500 gallons annually of used  
14 oil must be a certified transporter. This subsection does not  
15 apply to:

16                   (a) Local governments or private solid waste haulers  
17 under contract to a local government that transport used oil  
18 collected from households to a public used oil collection  
19 center.

20                   (b) Persons who transport less than 55 gallons of used  
21 oil at one time that is stored in tightly closed containers  
22 which are secured in a totally enclosed section of the  
23 transport vehicle.

24                   (c) Persons who transport their own used oil, which is  
25 generated at their own noncontiguous facilities, to their own  
26 central collection facility for storage, processing or energy  
27 recovery. However, such persons shall provide the same proof  
28 of liability insurance or other means of financial  
29 responsibility for liability which may be incurred in the  
30 transport of used oil as that provided by certified  
31 transporters under subsection (3).

1           Section 2. This act shall take effect upon becoming a  
2 law.
