6 are decided by means of a playoff system and not a bowl system
7 as is currently the case in NCAA Division 1 College Football,
8 and
9 WHEREAS, each year the antiquated, ineffective bowl
10 system now in existence produces debate, controversy,
11 confusion, and frustration, and often fails to produce a true,
12 clear-cut, undisputed national college football champion, and
13 WHEREAS, the support of the presidents of the various
14 universities within the State University System of a College
15 Football Playoff in Division 1 of the NCAA, which would
16 replace the current bowl system, would be extremely beneficial
17 in the effort to replace the bowl system with a playoff
18 system, NOW, THEREFORE,
19
20 Be It Resolved by the House of Representatives of the State of
21 Florida:
22
23 That the House of Representatives of the State of
