Senator Williams moved the following amendment to amendment (500232):

Senate Amendment (with title amendment)

On page 20, between lines 5 and 6,

insert:

Section 10. Based on the ecological, water quality, and water quantity objectives of this state and the legislatively declared public interest in acquiring the lands in agricultural production which discharge phosphorus into Lake Apopka, the St. John's River Water Management District is directed to pursue the immediate acquisition of all remaining privately owned lands as identified under s. 373.461, Florida Statutes. The St. John's River Water Management District is authorized to purchase such properties pursuant to the criteria and limitations specified in s. 373.461(5), Florida Statutes. If negotiations do not result in the execution of mutually binding sales contracts for all of such properties, the St. John's River Water Management District shall, by June 1, 1998, initiate condemnation proceedings in accordance with

Bill No. CS for SB 986
