25 assistive technology device, including, but not limited to, a  
26 general description of the problem reported by the consumer or  
27 an identification of the defect or condition, parts and labor,  
28 the date on which the assistive technology device was

11 assistive technology device available for repair within 1 year  
12 after first delivery or return of the assistive technology  
13 device to the consumer, the nonconformity must be repaired at  
14 no charge to the consumer.

15 (2) If, after a reasonable attempt to repair, the  
16 nonconformity is not repaired, the manufacturer, at the

5 any collateral costs.

7 total amount for which the lease obligates the consumer during  
8 the period of the lease remaining after its early termination  
9 plus the assistive technology device dealer's early  
10 termination costs and the value of the assistive technology  
11 device at the lease expiration date if the lease sets forth  
12 the value, less the assistive technology device lessor's early  
13 termination savings.

14 (4) To receive a comparable new assistive technology  
15 device or a refund due under paragraph (2)(a), a consumer must  
16 offer to the manufacturer of the assistive technology device  
17 having the nonconformity to transfer possession of the  
18 assistive technology device to the manufacturer. No later  
19 than 30 days after the offer, the manufacturer shall provide  
20 the consumer with the comparable assistive technology device  
21 or refund. When the manufacturer provides the comparable  
22 assistive technology device or refund, the consumer shall  
23 return the assistive technology device having the  
24 nonconformity to the manufacturer, along with any endorsements  
25 necessary to transfer real possession to the manufacturer.

26 (5) To receive a refund due under paragraph (2)(b), a  
27 consumer must offer to return the assistive technology device  
28 having the nonconformity to its manufacturer. No later than  
29 30 days after the offer, the manufacturer shall provide the

6 after the offer, the manufacturer shall provide the refund to  
7 the assistive technology device lessor. When the manufacturer  
8 provides the refund, the assistive technology device lessor  
9 shall provide to the manufacturer any endorsements necessary  
10 to transfer legal possession to the manufacturer.

11 (7) A person may not enforce the lease against the

16 state, or by a consumer or assistive technology device lessor  
17 in another state under a similar law of that state, may not be  
18 sold or leased again in this state, unless full disclosure of  
19 the reasons for return is made to any prospective buyer or  
20 lessee.

21 (9) Each consumer may submit any dispute arising under  
22 this part to the department by completing a complaint form.
