22 District, a special taxing district created by the Flagler
23 County Commission, is authorized to continue in existence and
24 to provide services through December 31, 1999. Thereafter,
25 upon passage of the referendum as described in subsection (1)
26 of section 13, the Palm Coast Area Municipal Service District
27 shall be considered dissolved.

28 Section 11. General provisions.--

29 (1) CHARTER AMENDMENT.--This charter may be amended in
30 accordance with the provisions of the Municipal Home Rule
31 Powers Act, chapter 166, Florida Statutes, as the same may be

1 amended from time to time, or as may otherwise be provided by
2 general law. The form, content, and certification of any
3 petition to amend shall be established by ordinance.

4 (2) CHARTER REVIEW; SCHEDULE, CHARTER REVIEW
5 COMMITTEE.--

6 (a) Schedule.--The charter shall be reviewed no sooner

8 December 31, 1999, and thereafter it may be reviewed every 10
9 years.

10 (b) Charter review committee.--A five-member charter
11 review committee shall be appointed. Each district council
12 member shall appoint one member from his or her district, and
13 the mayor shall appoint one member at large. The Palm Coast
14 City Council shall fund this committee. The charter review
15 committee shall be appointed at least 1 year before the next
16 scheduled general election and complete its work and present
17 any recommendations for change no later than 60 days before
18 the general election. The Palm Coast City Council shall hold a
19 minimum of two public hearings on the proposed changes to the
20 charter prior to placing the proposed changes on the scheduled
21 general election ballot.

22 (3) INITIATIVE AND REFERENDUM.--At least 25 percent of
23 the qualified electorate of the city shall have the power to
24 petition the council to propose an ordinance or to require
25 reconsideration of an adopted ordinance, or to propose an
26 amendment to this charter. If the council fails to adopt such
27 ordinance or amendment so proposed, or to repeal such adopted
28 ordinance, without any change in substance, then the council
29 shall place the proposed ordinance or amendment, or the repeal
30 of the adopted ordinance, on the ballot at the next general
31 election.

1 (4) ADJUSTMENTS OF DISTRICTS; NUMBER, COMMISSION,
2 REPORT, SUPPORT, PROCEDURE, FAILURE TO ENACT, EFFECT OF
3 ENACTMENT.--

4 (a) Number of districts.--There shall be four city
5 council districts as described in subsection (2) of section 9.
6 These boundaries shall remain in effect until the decennial
7 census of 2010. Thereafter, there shall be a districting
8 commission as outlined in paragraph (b).

9 (b) Districting commission.--By the first day of the
10 month following official certification notification of the
11 decennial census to the state, the city council shall appoint
12 five city electors, determined from the registration for the
13 last statewide general election, who shall comprise the
14 districting commission. Electors chosen shall not be employed
15 by the city in any other capacity.

16 (c) Commission report.--Within 120 days after
17 appointment, the districting commission shall file with the
18 official designated by the council a report containing a
19 recommended plan for adjustment of the council district
20 boundaries to comply with the following specifications:

21 1. Each district shall be formed of compact,
22 contiguous territory, and its boundary lines shall follow the
23 center lines of natural and manmade separations, such as
24 canals, streets, etc., where possible.

25 2. The districts shall be based upon the principle of
26 equal and effective representation as required by the United
27 States Constitution and as represented in the mathematical
28 preciseness reached in the legislative apportionment of the
29 state.

30
31

1 The report shall include a map and description of the
2 districts recommended and shall be drafted as a proposed
3 ordinance. Once filed with the designated official, the report
4 shall be treated as an ordinance introduced by a council
5 member.

6 (d) Support.--It shall be the responsibility of the
7 city manager to provide staff assistance and technical data to
8 the districting commission.

9 (e) Procedure.--The procedure for the council's
10 consideration of the report shall be the same as for other
11 ordinances, provided that any summary of the ordinance
12 published pursuant to this charter and general law must
13 include both the map and a description of the recommended
14 districts.

15 (f) Failure to enact ordinance.--After receipt of the
16 commission report, the council shall adopt a redistricting
17 ordinance at least 90 days before the next regular city
18 election. If the council fails to do so by such date, the
19 report of the districting commission shall go into effect and
20 have the effect of an ordinance.

21 (g) Effect of enactment.--

22 1. The new council districts and boundaries, as of the
23 date of enactment, shall supersede previous council districts
24 and boundaries for all the purposes of the next regular city
25 election, including qualifications.

26 2. The new council districts and boundaries shall
27 supersede previous council districts and boundaries for all
28 other purposes as of the date all council members take office
29 who were elected subsequent to the effective date of the new
30 districts.

31

1 3. All district seats not up for election, but which
2 as a result of the redistricting no longer have council
3 members who live within the district, shall be declared vacant
4 for purposes of the next regularly scheduled election. Such
5 election shall, in order to preserve the staggering of the
6 terms, be for either 4 years or for the remaining 2 years of
7 the term, depending on the district vacant.

8 (5) STANDARDS OF CONDUCT.--All elected officials and
9 employees of the city shall be subject to the standards of
10 conduct for public officers and employees set by general law.
11 In addition, the city council may, by ordinance, establish a
12 code of ethics for officials and employees of the city, which
13 may be supplemental to general law, but in no case may such an
14 ordinance diminish the provisions of general law.

15 Section 12. Severability.--If any provision of this
16 act, or the application thereof to any person or circumstance,
17 is held invalid, the invalidity shall not affect other
18 provisions or applications of this act which can be given
19 effect without the invalid provision or application, and to
20 this end the provisions of this act are declared severable.

21 Section 13. Transition schedule.--

22 (1) REFERENDUM.--The referendum election called for by
23 this act shall be held on the second Tuesday in September
24 1999, at which time the following question shall be placed
25 upon the ballot:

26

28 CREATING THE CITY OF PALM COAST AND PROVIDING
29 ITS CHARTER BE APPROVED?
30
31

1 In the event this question is answered affirmatively by a
2 majority of voters voting in the referendum, the provisions of
3 this charter shall take effect as provided herein.

4 (2) CREATION AND ESTABLISHMENT OF CITY.--For the
5 purpose of compliance with Florida Statutes relating to
6 assessment and collection of ad valorem taxes, and for the
7 purpose of subsection (2) of section 11, the city is hereby
8 created and established effective December 31, 1999.

9 (3) INITIAL ELECTION OF COUNCIL MEMBERS; DATES,

21 on the council or for the office of mayor shall qualify as a
22 candidate with the Flagler County Supervisor of Elections in
23 accordance with the provisions of general law and paragraph

6 initial election, the Flagler County Commission shall appoint
7 a canvassing board which shall certify the results of the
8 election.

9 (d) Induction into office.--Those candidates who are
10 elected on December 14, 1999, or at the primary on November 9,
11 1999, following the same manner as outlined in subsection (6)

14 at the Palm Coast Community Center, 305 Palm Coast Parkway,
15 Palm Coast, Florida.

16 (4) TRANSITION SERVICES AND COMPENSATION.--

17 (a) It is the intent of this section that the county
18 shall provide and be compensated for the provision of services
19 to the City of Palm Coast as budgeted for in the fiscal year
20 1999-2000 Flagler County Budget for the remainder of the
21 budget year. The level of services to be provided will be
22 consistent with the level upon which the fiscal year 1999-2000
23 expense budget was predicated and in accordance with adopted
24 revenues.

25 (b) It is also the intent of this section that, if the
26 referendum of September 1999 passes, the county shall make no
27 changes to the fiscal year 1999-2000 draft budget which would
28 affect the future City of Palm Coast, either positively or
29 negatively, unless a special budget hearing is held for the
30 citizens of the future City of Palm Coast to discuss such
31 changes.

1 (c) In addition, services which the county shall
2 provide under the terms of this agreement shall include all
3 services provided to the Palm Coast Municipal Service District
4 as adopted by the Flagler County Commission prior to the City
5 of Palm Coast becoming operational on December 31, 1999.
6 Compensation to the County of Flagler for services provided
7 shall include all revenues which, although accruing to the
8 city, would have accrued to the county as budgeted for
9 provision of services prior to the incorporation of the city.

10 (d) It is the responsibility of the city to adopt
11 appropriate ordinances, resolutions, or agreements as required
12 to ensure the continued collection of budgeted revenues with
13 which to fund services beginning January 1, 2000.

14 (e) Any revenues adopted or received by the City of
15 Palm Coast upon which delivery of services was not predicated
16 within the Flagler County Commission's fiscal year 1999-2000
17 adopted budget shall accrue to the City of Palm Coast.

18 (5) FIRST-YEAR EXPENSES.--The city council, in order
19 to provide additional moneys needed for the expenses and
20 support of the city, shall have the power to borrow money
21 necessary for the operation of city government until such time
22 as a budget is adopted and revenues are raised in accordance
23 with the provisions of this charter.

24 (6) TRANSITIONAL ORDINANCES AND RESOLUTIONS.--The city
25 council shall adopt ordinances and resolutions required to
26 effect the transition. Ordinances adopted within 60 days after

16 codes, and the County Commission of Flagler County, Florida,
17 as set forth in these transitional zoning and land use
18 regulations, shall be vested in the City Council of Palm Coast
19 until such time as the city council delegates all or a portion
20 thereof to another entity.

21 (c) Subsequent to the commencement of the city's
22 corporate existence, no amendment of the comprehensive plan or
23 land development regulations enacted by the Flagler County
24 Commission shall be deemed an amendment of the city's
25 transitional comprehensive plan or land development
26 regulations or shall otherwise take effect within the city's
27 corporate limits unless approved by the city council.

28 (8) SHARED REVENUES.--The City of Palm Coast shall be

7 the date of incorporation. Initial population estimates for
8 calculating eligibility for shared revenues shall be
