

1 A bill to be entitled
2 An act relating to the North Naples Fire
3 Control and Rescue District, Collier County;
4 providing for codification of special laws
5 regarding special districts; providing that the
6 district is an independent special district;
7 providing legislative intent; codifying and
8 reenacting provisions of chapter 84-416, Laws
9 of Florida, as amended; providing for
10 applicability of chapters 191 and 189, F.S.,
11 and other general laws; providing a district
12 charter; providing that this act shall take
13 precedence over any conflicting law to the
14 extent of such conflict; providing
15 severability; repealing all prior special acts
16 related to the North Naples Fire Control and
17 Rescue District; providing an effective date.

18
19 Be It Enacted by the Legislature of the State of Florida:

20
21 Section 1. Pursuant to sections 189.429 and 191.015,
22 Florida Statutes, this act constitutes the codification of all
23 special acts relating to the North Naples Fire Control and
24 Rescue District. It is the intent of the Legislature to
25 provide a single, comprehensive special act charter for the
26 district, including all current legislative authority granted
27 to the district by its several legislative enactments, and to
28 conform the charter to chapter 191, Florida Statutes, the
29 Independent Special Fire Control District Act, and other
30 provisions of general law.

Parcel 2 in O.R. Book 14, Page 195 and 196;
that parcel conveyed to Jane Homer Lee as
described in O.R. Book 34, Page 301 and 302;
that parcel conveyed to Seagate, Inc., as
described in O.R. Book 182, Page 248 and 249.
Subject to existing easements and rights of
ingress and egress.

Section 2. Additional lands shall be included in the
district only upon amendment of section 1. Section 1 may be
amended only by special act, and such amendment shall not
become effective except upon approval of the inclusion of such
additional lands in the district by a majority of the
qualified electors residing in the area proposed to be
included voting in a special election called for such purpose.
In addition, the inclusion of such lands must be approved by a
majority of the qualified electors residing within the
existing district boundaries.

Section 3. In the event that property in the district
is annexed by the City of Naples between January 1 and July 1
of any year, the property shall be regarded as removed from
the North Naples Fire Control and Rescue District as of
January 1 of that year for the purpose of the levy of general
ad valorem taxes by the district. If annexation occurs after
July 1, the property shall be assessed by the district for ad
valorem taxes for that year. On and after the effective date
of annexation, the district shall be relieved of providing
fire service to the annexed area. The city and the district
may reach an agreement to determine what portion, if any, of
the existing indebtedness or property of the district shall be
assumed by the municipality of which the annexed territory

1 will become a part, the fair value of such indebtedness or
2 property, and the manner of transfer and financing. Nothing
3 herein shall relieve the property annexed from the payment of
4 general obligation debt service incurred by the district
5 before annexation.

6 ARTICLE IV

7 Powers of the District

8 Section 1. The district shall have the authority to
9 establish, equip, operate, and maintain a fire department and
10 rescue squad within the district and may buy, lease, sell,
11 exchange, or otherwise acquire and dispose of firefighting and
12 rescue equipment and other property, real, personal, or mixed,
13 that it may from time to time deem necessary to prevent and
14 extinguish fires or provide rescue services. This shall
15 include, but is not limited to, the authority to hire and fire
16 necessary firefighters and other personnel; to provide water,
17 water supply, water stations, and other necessary buildings;
18 to accept gifts or donations of equipment or money for the use
19 of the district; and to do all things necessary to provide
20 adequate water supply, fire prevention, and proper fire
21 protection for the district. In addition, the board shall
22 have the authority to extend its services outside the district
23 when provided in cooperation with another governmental entity.

24 Section 2. The district may establish and maintain
25 emergency medical and rescue response services consistent with
26 section 191.008(1), Florida Statutes, and the provisions of
27 chapter 401, Florida Statutes, and any certificate of public
28 convenience and necessity or its equivalent issued thereunder.

29 Section 3. In addition to any other power to borrow
30 money as may be provided by this act or by law, the district
31 may borrow sufficient funds to provide for 3 months' operating

1 expenses, with such loan to be repaid from anticipated
2 revenues.

3 Section 4. The district shall have authority to
4 inspect and investigate all property for fire hazards. The
5 district board, by resolution duly adopted, may assess fees
6 for fire inspection and maintenance and replacement of
7 hydrants in an amount reasonably related to the cost thereof
8 and may adopt provisions creating a lien or providing for
9 civil enforcement of such assessments.

10 Section 5. The district is authorized to promulgate
11 rules and regulations for the prevention of fire and for fire
12 control in the district, which shall have the same force and
13 effect as law 10 days after copies thereof executed by the
14 chair and secretary of the board have been posted in at least
15 three places.

16 Section 6. The duties and powers of the board of
17 commissioners shall be as set forth in this act and chapter
18 191, Florida Statutes, as they may be amended from time to
19 time.

20 ARTICLE V

21 Governing Board

22 Section 1. The district shall be governed by a
23 district board consisting of five commissioners who are
24 residents of the district, in accordance with section 191.005,
25 Florida Statutes.

26 Section 2. As required by section 191.005, Florida
27 Statutes, board members shall assume office 10 days following
28 their election. Annually, within 60 days after the newly
29 elected members have taken office, the board shall organize by
30 electing from its members a chair, a vice chair, a secretary,
31

1 and a treasurer. The positions of secretary and treasurer may
2 be held by one member.

3 Section 3. In accordance with section 191.005, Florida
4 Statutes, each commissioner may receive, from the funds of the
5 district, compensation for his or her services in an amount
6 not to exceed \$500 per month. The secretary-treasurer may be
7 paid an additional sum for his or her services so long as the
8 total compensation does not exceed \$500 per month.

9 Section 4. Members shall be reimbursed for travel and
10 per diem expenses as provided in section 112.061, Florida
11 Statutes.

12 Section 5. In addition to any other circumstance which
13 creates a vacancy in office as provided by the State
14 Constitution or general law, the board shall remove a
15 commissioner from office if the commissioner is absent from
16 three consecutive regular meetings of the district board,
17 unless such absence is due to a valid medical reason or any
18 other excused absence as defined by resolution of the board
19 pursuant to section 191.005, Florida Statutes.

20 Section 6. The board shall operate procedurally in
21 accordance with this act, with chapters 189 and 191, Florida
22 Statutes, and with any other applicable general or special law
23 as they may be amended from time to time.

24 ARTICLE VI

25 Finances

26 Section 1. The powers, functions, and duties of the
27 district regarding ad valorem taxation, bond issuance, other
28 revenue-raising capabilities, budget preparation and approval,
29 liens and foreclosure of liens, use of tax deeds and tax
30 certificates as appropriate for non-ad valorem assessments,
31 and contractual agreements, and the methods for financing the

1 district and for collecting non-ad valorem assessments, fees,
2 or service charges, shall be as set forth in this act, in
3 chapters 170, 189, 191, and 197, Florida Statutes, and in any
4 applicable general or special law as they may be amended from
5 time to time.

6 Section 2. The district board shall annually, during
7 the month of June, make an itemized estimate of the amount of
8 moneys required to carry out the provisions of this act for
9 the next fiscal year of the board, which fiscal year shall be
10 from October 1 to and including the next succeeding September
11 30, which estimate shall state the purpose for which the
12 moneys are required and the amount necessary to be raised by
13 taxation within the district, which budget and proposed
14 millage rate shall be noticed, heard, and adopted in
15 accordance with chapters 192 through 200, Florida Statutes.

16 Section 3. The total millage for the district shall
17 not exceed 1 mill in any one fiscal year. However, the total
18 millage may be increased pursuant to section 191.009, Florida
19 Statutes, after such increase has been approved by referendum.

20 Section 4. Taxes provided for herein shall be assessed
21 and collected, and subject to the same commission and fees for
22 assessing and collecting, in the same manner and form as
23 provided for the assessment and collection of county taxes,
24 except as otherwise provided herein.

25 Section 5. When the tax collector has collected the
26 taxes provided for by this act, he or she shall, on or before
27 the 10th day of each month, report to the secretary-treasurer
28 of the district board the collection made for the preceding
29 month and remit the same to the secretary-treasurer of the
30 board.

31

1 Section 6. All warrants for the payment of labor,
2 equipment, materials, and other allowable expenses incurred by
3 the board in carrying out the provisions of this act shall be
4 payable by the secretary-treasurer of the board on accounts
5 and vouchers approved by the board.

6 Section 7. The district shall have the power to issue
7 general obligation bonds, assessment bonds, bond anticipation
8 notes, notes, or certificates or other evidences of
9 indebtedness (hereinafter "bonds") pledging the full faith,
10 credit, and taxing power of the district for capital projects
11 consistent with the purposes of the district in accordance
12 with the requirements of section 191.012, Florida Statutes,
13 and other applicable general law.

14 (1) Except for refunding bonds, no bonds shall be
15 issued unless the issuance thereof has been approved at a
16 referendum held in accordance with the requirements for such
17 referendum as prescribed by general law. A referendum shall be
18 called by the board of county commissioners upon the request
19 of the board of the district. The expenses of calling and
20 holding the referendum shall be borne by the district, and the
21 district shall reimburse the county for any expenses incurred
22 in calling or holding such referendum.

23 (2) The district may pledge its full faith and credit
24 for the payment of the principal and interest on such general
25 obligation bonds and for any reserve funds provided therefor
26 and may unconditionally and irrevocably pledge itself to levy
27 a special tax on all taxable property in the district, to the
28 extent necessary for the payment thereof, over and above all
29 other taxes authorized or permitted by this act.

30 (3) If the board determines to issue bonds for more
31 than one purpose, the approval of the issuance of the bonds

1 for each and all such purposes may be submitted to the
2 electors on one and the same ballot. The failure of the
3 electors to approve the issuance of bonds for any one or more
4 purposes shall not defeat the approval of bonds for any
5 purposes which are approved by electors.

6 (4) Notwithstanding any provision of law to the
7 contrary, all bonds issued under the provisions of this act
8 shall constitute legal investments for savings banks, banks,
9 trust companies, insurance companies, executors,
10 administrators, trustees, guardians, and other fiduciaries and
11 for any board, body, agency, instrumentality, county,
12 municipality, or other political subdivision of the state and
13 shall constitute security which may be deposited by banks or
14 trust companies as security for deposits of state, county,
15 municipal, or other public funds or by insurance companies, as
16 required, or voluntary statutory deposits.

17 (5) Any bonds issued by the district shall be
18 incontestable in the hands of bona fide purchasers or holders
19 for value and shall not be invalid because of any irregularity
20 or defect in the proceedings for the issue and sale thereof.

21 (6) The state pledges to the holders of any bonds
22 issued under this act that it will not limit or alter the
23 rights of the district to levy and collect the taxes provided
24 for herein and to fulfill the terms of any agreement made with
25 the holders of such bonds and that it will not in any way
26 impair the rights or remedies of such holders.

27 (7) A default on the bonds of the district shall not
28 constitute a debt or obligation of a local general-purpose
29 government or the state.

30
31

1 Section 8. IMPACT FEES.--The district board may allow
2 for the assessment and collection of impact fees for capital
3 improvement on new construction within the district.

4 (1)(a) It is hereby found and determined that Collier
5 County is located in one of the fastest growing areas in the
6 nation, and new construction and the resulting population
7 growth are placing a strain upon the capabilities of the
8 district to continue to provide the high level of professional
9 fire protection and related emergency services for which the
10 residents of the district pay and which they deserve.

11 (b) It is readily apparent that additional equipment
12 and facilities will be needed to meet the expanded commercial
13 and residential growth within the district, at a cost beyond
14 that which can be provided from current and anticipated ad
15 valorem tax revenues assessed, collected, and received by the
16 district.

17 (c) It is hereby declared that the cost of new
18 facilities and equipment for fire protection and related
19 emergency services shall be borne by new users of the
20 district's services, to the extent that new construction
21 requires new facilities and equipment, but only to that
22 extent.

23 (d) It is therefore the legislative intent to transfer
24 to the new users of the district's fire protection and related
25 emergency services a fair share of the costs of new facilities
26 imposed on the district by new users.

27 (e) It is hereby declared that the amounts of impact
28 fees for capital improvement provided for in this section are
29 just, reasonable, and equitable.

30 (2) No person shall issue or obtain a building permit
31 for new residential dwelling units or new commercial or

1 industrial structures within the district, or issue or obtain
2 construction-plan approval for new mobile home developments
3 located within the district, until the developers thereof have
4 paid to the district the applicable impact fee for capital
5 improvement hereinafter set forth. Impact fees for capital
6 improvement to be assessed and collected hereunder shall not
7 exceed the following, unless revised pursuant to the
8 provisions of section 191.009(4), Florida Statutes:

9 (a) Each new residential dwelling unit: \$.15 per
10 square foot of living area.

11 (b) Each new commercial or industrial structure: \$.30
12 per square foot of usable area.

13 (c) Each new mobile home development: \$.15 per square
14 foot of permitted living area.

15
16 "Living area" means that area of any structure that is covered
17 by a roof. "Permitted living area" means 25 percent of the
18 area covered by the individual lots.

19 (3) For the purpose of this section, each unit of any
20 multifamily structure, whether it be a duplex, triplex,
21 cooperative apartment, or condominium or similar type of
22 structure, shall be considered a residential dwelling unit.

23 (4) For the purpose of this section, any motel, hotel,
24 shopping center, church, nursing home, hospital, congregate
25 living facility (when not part of an actual residence),
26 school, fraternal lodge, veterans' lodge, or similar type of
27 structure shall be considered a commercial structure.

28 (5) Impact fees for capital improvement collected by
29 the district pursuant to this section shall be kept and
30 maintained as a separate fund from other revenues of the
31 district and shall be used exclusively for the acquisition,

1 purchase, or construction of new facilities and equipment, or
2 portions thereof, required to provide fire protection and
3 related emergency services to new construction. "New
4 facilities and equipment" means buildings and capital
5 equipment, including, but not limited to, such fire and
6 emergency vehicles and communications equipment as may from
7 time to time be deemed necessary by the district to provide
8 fire protection and related emergency services to the areas of
9 new construction.

10 (6) The impact fees for capital improvement collected
11 hereunder shall not be used for the acquisition, purchase, or
12 construction of facilities or equipment which must be obtained
13 in any event to meet the needs of the district, regardless of
14 growth within the district.

15 (7) The district board shall maintain adequate records
16 to ensure that impact fees for capital improvement collected
17 hereunder are expended only for permissible new facilities or
18 equipment.

19 (8) The district board shall determine the maximum
20 amount of impact fees to be assessed in any one fiscal year.
21 This determination shall be made prior to the immediately
22 succeeding fiscal year. However, should the district board
23 authorize the collection of impact fees in an amount less than
24 the maximum specified in this act, then these fees shall be
25 uniform in each type of new construction subject to the fee.
26 The district board's determination of the amount of the impact
27 fee to be assessed in any one fiscal year shall be based on
28 the requirements set forth in this section.

29 (9) The impact fee for capital improvement called for
30 in this section may be reduced by 50 percent if the owner of
31 the permitted structure will install fire sprinklers in

1 accordance with NFPA Pamphlets 13 and 13D. Only full
2 sprinkler coverage is acceptable for this reduction.

3 ARTICLE VII

4 Elections

5 Section 1. When a referendum or special election is
6 required under the provisions of this act, the district shall
7 reimburse the county for the costs of such election.

8 Section 2. The procedures for conducting any district
9 elections or referenda required and the qualifications of an
10 elector of the district shall be as set forth in chapters 189
11 and 191, Florida Statutes.

12 ARTICLE VIII

13 Eminent Domain

14 The district shall have the authority to exercise the
15 power of eminent domain, pursuant to chapters 73, 74, and 191,
16 Florida Statutes, over any property located within the
17 district, except municipal, county, state, and federal
18 property, for the purpose of acquiring property for the
19 location of fire stations. The location and construction of
20 fire stations shall comply with applicable Collier County
21 ordinances.

22 ARTICLE IX

23 Miscellaneous

24 Section 1. All contracts, obligations, rules,
25 resolutions, or policies of any nature existing on the date of
