Amendment No. \_\_\_\_

1 grant an exception to subsections (1) or (2) only in the  
2 following circumstances:

3 (a) The applicant conclusively demonstrates that no  
4 other practical alternative exists, the discharge will receive  
5 advanced waste treatment as defined in s. 403.086(4), or a  
6 higher level of treatment, and the applicant conclusively  
7 demonstrates that the proposed discharge will not result in a  
8 violation of water quality standards; or

9 (b) The applicant's discharge is a limited wet weather  
10 surface water discharge serving as a backup to a reuse system  
11 pursuant to s. 403.086(7)(a) and will not cause a violation of  
12 state water quality standards and is subject to the  
13 requirements of department rules.

14 Section 2. This act shall take effect upon becoming  
15 law.
