Bill No. CS for CS for SB 1566, 1st Eng.

Amendment No. ____

1 out the purpose and intent of this section.

2 Section 65. There is appropriated from the General
3 Revenue Fund to the Office of Tourism, Trade, and Economic
4 Development the sum of \$800,000 to implement the programs
5 described in section 288.980, Florida Statutes. The funding
6 provided pursuant to this section is critical in assisting
7 with the improvement or upgrade of infrastructure (roads,
8 water supply, power grids, communication nets, etc.) around
9 the state's military bases which will be measured in the next
10 round of military base closures. It is the specific intent of
11 the Legislature that a portion of this appropriation be
12 expended to employ a consultant to evaluate the infrastructure
13 needs of Florida military bases in order to provide a baseline
14 and order of priority for the disbursement of funds. This
15 appropriation is in addition to any funds currently available
16 for grants to help local communities.
