24 funds for the general purposes of the district in an amount
25 not exceeding 1.00 mill as approved by referendum of the
26 electors of the district when it was created in November 1974,
27 under the authority of chapter 74-543, Laws of Florida. The
28 levy of ad valorem taxes pursuant to this section must be
29 approved by referendum called by the board when the proposed
30 levy of ad valorem taxes exceeds the amount as authorized in
31 the referendum under the prior special act as referenced

1 above. Nothing in this act shall require a referendum on the
 2 levy of ad valorem taxes in the amount as previously
 3 authorized by special act, general law of local application,
 4 or county ordinance approved by referendum. Such tax shall be
 5 assessed, levied, and collected in the same manner as county

 14 assessment rates set by the board may exceed the maximum rates
 15 established by this or any prior special act, any county
 16 ordinance, the previous year's resolution, or a referendum in
 17 an amount not to exceed the average annual growth rate in
 18 Florida personal income over the previous 5 years. Non-ad
 19 valorem assessment rate increases within the personal income
 20 threshold are deemed to be within the maximum rate authorized
 21 by law at the time of initial imposition. Proposed non-ad
 22 valorem assessment increases which exceed the rate set the
 23 previous fiscal year or the rate previously set by special act
 24 or county ordinance, whichever is more recent, by more than

5 emergency service, and may charge a fee for the services
6 rendered in accordance with the schedule.

8 charges for fighting fires occurring in or at refuse dumps or
9 as a result of an illegal burn, which fire, dump, or burn is
10 not authorized by general or special law, rule, regulation,
11 order, or ordinance and which the district is called upon to
12 fight or extinguish.

13 (c) The board may provide a reasonable schedule of
14 charges for responding to, assisting with, or mitigating
15 emergencies that either threaten or could threaten the health
16 and safety of persons, property, or the environment, to which
17 the district has been called, including a charge for
18 responding to false alarms.

19 (d) The board may provide a reasonable schedule of
20 charges for inspecting structures, plans, and equipment to
21 determine compliance with firesafety codes and standards.

22 (e) The district shall have a lien upon any real
23 property, motor vehicle, marine vessel, aircraft, or rail car
24 for any charge assessed under this subsection.

25 (4) IMPACT FEES.--If the general purpose local
26 government has not adopted an impact fee for fire services
27 which is distributed to the district for construction within
28 its jurisdictional boundaries, the board may establish a
29 schedule of impact fees for new construction to pay for the
30 cost of new facilities and equipment, the need for which is in
31 whole or in part the result of new construction. The impact

1 fees collected by the district under this subsection shall be
2 kept separate from other revenues of the district and must be
3 used exclusively to acquire, purchase, or construct new
4 facilities or portions thereof needed to provide fire
5 protection and emergency services to new construction. As used
6 in this subsection, "new facilities" means land, buildings,
7 and capital equipment, including, but not limited to, fire and
8 emergency vehicles, radio-telemetry equipment, and other
9 firefighting or rescue equipment. The board shall maintain
10 adequate records to ensure that impact fees are expended only
11 for permissible new facilities or equipment. The board may
12 enter into agreements with general purpose local governments
13 to share in the revenues from fire protection impact fees
14 imposed by such governments.

15 Section 9. Procedures for the levy and collection of
16 non-ad valorem assessments.--

17 (1) The district may provide for the levy of non-ad
18 valorem assessments under this act on the lands and real
19 estate benefited by the exercise of the powers authorized by
20 this act, or any part thereof, for all or any part of the cost
21 thereof. In addition to the provisions set forth under this
22 act, the district shall also be entitled to exercise all other
23 rights and powers regarding the levy and collection of
24 additional non-ad valorem assessments as provided for under
25 chapter 191, Florida Statutes.

26 (2) The rate of assessment shall be fixed by
27 resolution of the board of commissioners on or before June 1
28 of each year and shall not in any event exceed one (1) mill

13 \$25 annually, provided that any structure of less than 200
14 square feet located on the same lot as a dwelling subject to
15 the tax imposed under this paragraph shall not be subject to
16 tax under this paragraph. It is expressly understood that
17 mobile home parks with occupational licenses or multiunit
18 dwellings are not included in this category and shall be
19 treated under paragraph (d).

20 (c) Six dollars per acre or fraction thereof shall be
21 assessed annually against each vacant lot and each acre or
22 fraction thereof of subdivided acreage situated within the
23 district. The term "vacant lot" as used in this paragraph
24 shall not include vacant spaces in mobile home parks.

25 (d) The rates for apartment buildings, motels,
26 condominiums, mobile home parks, and other multiple family
27 residences shall be as follows:

- 28 1. Two to 9 units or lots, \$25 each annually.

- 30 3. Twenty-five to 50 units or lots, \$18 each annually.
- 31 4. Over 50 units or lots, \$15 each annually.

1

3 determining the rate which applies to each individual unit or
4 lot.

5 (e) The non-ad valorem assessment amounts as
6 established under paragraphs (2)(a)-(d) shall be subject to
7 annual increases, as may be approved by the board of
8 commissioners as provided for under subsection (2) of section
9 8.

10 (3) The board of commissioners may adopt by resolution
11 the current tax assessment and collection roll compiled and
12 prepared by the tax assessor of Okaloosa County and may adopt
13 a resolution fixing the levy on each lot or parcel of land
14 subject to taxation in the district, or may, at its
15 discretion, prepare or cause to be prepared an assessment and
16 collection roll setting forth a description of each lot or
17 parcel of land subject to taxation in the district together
18 with the amount of assessment fixed by resolution, and shall,
19 before June 1 of each year, deliver the roll to the tax
20 assessor for collection. All assessments shall be made
21 against the land subject to such assessments and the roll
22 shall set forth the names of the respective owners of such
23 lands.

24 (4) Any property owner in the district shall have the
25 right to file a protest in writing between June 10 and 20 of
26 each year against the proposed assessments and the amount or
27 rate thereof, and to appear before the board in support of
28 such protest at an opening meeting or meetings which shall be
29 held to hear and consider such protests and make adjustments
30 to the roll.

1 (5) Immediately after the adjustment period the board
2 of commissioners shall adopt a resolution fixing the rate of
3 special assessment and shall note the amount of the levy
4 against each parcel of property described in the tax roll and
5 shall transmit the tax roll and a certified copy of the
6 resolution to the county tax assessor on or before July 1 each
7 year. It shall be the duty of the tax collector of Okaloosa
8 County to include in the county tax roll the assessments made
9 by the board of commissioners of the district and to collect
10 such assessments according to the assessment roll and deliver
11 the proceeds of such collection, less the statutory fee,
12 monthly to the board of commissioners, taking their receipts
13 for such funds. The tax collector shall, upon delivery of such
14 funds to the board of commissioners, furnish them with a
15 description of the lands for which such payments are made.

16 (6) Such special assessments shall be a lien upon the
17 land so assessed along with county taxes until paid and, if
18 the same become delinquent, shall be considered a part of the
19 county tax, subject to the same penalties, charges, fees, and
20 remedies for enforcement and collection and shall be enforced
21 and collected as provided by law.

22 (7) Such special assessments shall be of equal benefit
23 to all property with fire protection being provided by the
24 Florosa Fire Control District pursuant to the provisions of
25 this act.

26 (8) The fiscal year for the district shall be from
27 October 1 to September 30 of each year.

28 Section 10. District issuance of bonds, notes, bond
29 anticipation notes, or other evidences of indebtedness.--

30 (1) The district may issue general obligation bonds,
31 assessment bonds, revenue bonds, notes, bond anticipation

1 notes, or other evidences of indebtedness to finance all or a
 2 part of any proposed improvements authorized to be undertaken
 3 under this act or under general or special law, provided the
 4 total annual payments for the principal and interest on such
 5 indebtedness shall not exceed 50 percent of the total annual
 6 budgeted revenues of the district. The bonds shall be issued
 7 in such denominations, mature on such dates and in such
 8 amounts, and may be subject to optional and mandatory
 9 redemption as determined by resolutions adopted by the board.
 10 Bonds of the district may bear interest at a fixed, floating,
 11 or adjustable rate and may be issued as interest-bearing
 12 bonds, interest-accruing bonds, or zero coupon bonds at such
 13 rate or rates, not exceeding the maximum rate permitted by
 14 general law, as determined by resolution of the board.
 15 Principal and interest shall be payable in the manner
 16 determined by the board. The bonds shall be signed by manual
 17 or facsimile signature of the chair or vice chair of the
 18 board, attested with the seal of the district and by the
 19 manual or facsimile signature of the secretary or assistant
 20 secretary of the board.

21 (2) The bonds shall be payable from the non-ad valorem
 22 assessments or other non-ad valorem revenues, including,
 23 without limitation, user fees or charges or rental income
 24 authorized to be levied, collected, or received pursuant to
 25 this act or general law. General obligation bonds payable from
 26 ad valorem taxes may also be issued by the district, but only
 27 after compliance with s. 12, Art. VII of the State
 28 Constitution. Subject to referendum approval, a district may
 29 pledge its full faith and credit for the payment of principal
 30 and interest on such general obligation bonds and for any
 31 reserve funds provided therefor and may unconditionally and

1 irrevocably pledge itself to levy ad valorem taxes on all
 2 property in the district to the extent necessary for the
 3 payment thereof. The district is authorized, after notice and
 4 opportunity to be heard has been afforded to those affected,
 5 to impose, charge, and collect non-ad valorem revenues in
 6 connection with any of the improvements authorized under this
 7 act and to pledge the same for the payment of bonds.

8 (3) In connection with the sale and issuance of bonds,
 9 the district may enter into any contracts which the board
 10 determines to be necessary or appropriate to achieve a
 11 desirable effective interest rate in connection with the bonds
 12 by means of, but not limited to, contracts commonly known as
 13 investment contracts, funding agreements, interest rate swap
 14 agreements, currency swap agreements, forward payment
 15 conversion agreements, futures, or contracts providing for
 16 payments based on levels of or changes in interest rates, or
 17 contracts to exchange cash flows or a series of payments, or
 18 contracts, including, without limitation, options, puts, or
 19 calls, to hedge payment, rate, spread, or similar exposure.
 20 Such contracts or arrangements may also be entered into by the
 21 district in connection with, or incidental to, entering into
 22 any agreement which secures bonds or provides liquidity
 23 therefor. Such contracts and arrangements shall be made upon
 24 the terms and conditions established by the board, after
 25 giving due consideration to the credit worthiness of the
 26 counter parties, where applicable, including any rating by a
 27 nationally recognized rating service or any other criteria as
 28 may be appropriate.

29 (4) In connection with the sale and issuance of the
 30 bonds, or the entering into any of the contracts or
 31 arrangements referred to in subsection (3), the district may

1 enter into such credit enhancement or liquidity agreements,
2 with such payment, interest rate, security, default, remedy,
3 and any other terms and conditions as the board shall
4 determine.

5 (5) Notwithstanding any provision of law relating to
6 the investment or reinvestment of surplus funds of any
7 governmental unit, proceeds of the bonds and any money set
8 aside or pledged to secure payment of the principal, or
9 premium, if any, and interest on the bonds, or any of the
10 contracts entered into pursuant to subsection (3), may be
11 invested in securities or obligations described in the
12 resolution providing for the issuance of bonds.

13 (6) The bonds shall be sold in any manner not
14 inconsistent with general law, shall show the purpose for
15 which they are issued, and shall be payable out of the money
16 pledged therefor. The funds derived from the sale of said
17 bonds or any contract or arrangement shall be used for the
18 purpose of paying the cost of the services or improvements and
19 such costs, expenses, fees, and salaries as may be authorized
20 by law.

21 (7) Non-ad valorem assessments or any portion thereof
22 levied to pay the principal on bonds issued pursuant to this
23 act with respect to improvements financed therewith shall not
24 exceed the benefits assessed regarding such works or
25 improvements. If the bonds are sold at a discount, the amount
26 of the discount shall be treated as interest, not as
27 principal. Premiums payable upon the redemption of bonds
28 shall also be treated as interest. Interest to accrue on
29 account of issuing bonds shall not be construed as a part of
30 the costs of the works or improvements in determining whether
31 or not the costs of making such improvements are equal to or

1 in excess of the benefits assessed. If the property appraiser
 2 and tax collector deduct their fees and charges from the
 3 amount of non-ad valorem assessments levied and collected, and
 4 if the landowners receive the statutorily permitted discount
 5 for early payment of such non-ad valorem assessments, the
 6 amount of such fees, charges, and discount shall not be
 7 included in the amount of non-ad valorem assessments levied by
 8 the district in determining whether such assessments are equal
 9 to or in excess of the benefits assessed.

10 (8) The district may, whenever in the judgment of the
 11 board it is advisable and in the best interests of the
 12 landowners in the district, issue bonds to refund any or all
 13 of the then outstanding bonded indebtedness of the district.

14 (9) The principal amount of refunding bonds may be in
 15 any amount not in excess of the benefits assessed against the
 16 lands with respect to which the refunded bonds were issued
 17 less the principal amount of the refunded bonds previously
 18 paid from non-ad valorem assessments. The proceeds of such
 19 refunding bonds shall be used only to pay the principal,
 20 premium, if any, and interest on the bonds to be refunded and
 21 any discount or expense of the sale of the refunding bonds and
 22 to provide a debt service reserve fund for the refunding
 23 bonds. The district may also use other available revenues to
 24 pay costs associated with the issuance or administration of
 25 the refunding bonds.

26 (10) Assessments shall be levied for the payment of
 27 the refunding bonds in the same manner as the assessments
 28 levied for the refunded bonds and the refunding bonds shall be
 29 secured by the same lien as the refunded bonds, and any
 30 additional interest which accrues on account of the refunding
 31 bonds shall be included and added to the original assessment

1 and shall be secured by the same lien, provided any interest
2 accrued shall not be considered as a part of the cost of
3 construction in determining whether the assessment exceeds the
4 benefits assessed.

5 (11) No proceedings shall be required for the issuance
6 of bonds or refunding bonds other than those provided by this
7 section and by general law.

8 Section 11. District expansion and merger.--

9 (1) The boundaries of the district may be modified,
10 extended, or enlarged upon approval or ratification by the
11 Legislature.

12 (2) The merger of the district with all or portions of
13 other independent special districts or dependent fire control
14 districts is effective only upon ratification by the
15 Legislature. The district may not, solely by reason of a
16 merger with another governmental entity, increase ad valorem
17 taxes on property within the original limits of the district
18 beyond the maximum established by the district's enabling
19 legislation, unless approved by the electors of the district
20 by referendum.

21 Section 3. If any clause, section, or provision of
22 this act shall be declared unconstitutional or invalid for any
23 reason, it shall be eliminated from this act, and the
24 remaining portion of the act shall be in full force and effect
25 and be as valid as if such invalid portion thereof had not
26 been incorporated therein.

27 Section 4. Chapter 74-543, Laws of Florida, Chapter
28 80-551, Laws of Florida, Chapter 84-488, Laws of Florida, and
29 Chapter 89-517, Laws of Florida, are repealed.

30 Section 5. This act shall take effect upon becoming a
31 law.
