I. SUMMARY:

This bill amends current law relating to the West Palm Beach Police Pension Fund. It updates actuarial equivalence assumptions by using a more current group annuity mortality table. It amends and expands supplemental pension distributions to clarify the allocation to beneficiaries and disburse a portion of returns in excess of 9 percent to annuitants, subject to statutory limitations on gains/(losses). It allows the position of Police Chief to extend participation in the Deferred Retirement Option Plan (DROP) for three years subject to certain limitations. This bill provides an additional exclusion from disability pensions for injury or disease sustained by a member before employment with the city begins; liberalizes investment options within statutory limitations; increases the lump sum payout of de minimis amounts of retirement income payable from less than \$3,500 to less than \$5,000; and provides for acceptance of rollovers from another qualified plan under the Internal Revenue Code subject to certain conditions.

In the opinion of the consulting actuary to the West Palm Beach Police Pension Fund, the proposed amendments in this bill will have no material effect on required pension fund contributions.

This bill provides for an effective date of October 1, 1999, which shall apply retroactively to October 1, 1998.

II. SUBSTANTIVE ANALYSIS:

A. PRESENT SITUATION:

The City of West Palm Beach, Palm Beach County, Police Pension Fund was established by chapter 24981, Laws of Florida, 1947, and amended several times subsequently in ensuing years.

B. EFFECT OF PROPOSED CHANGES:

Section 1. Amends s. 16(2)(a), of ch. 47-24981, L.O.F., as amended, updating actuarial equivalence assumptions by referencing the 1983 Group Annuity Mortality Table.

Section 2. Amends s. 16(12), of ch. 47-24981, L.O.F., as amended, retroactively to September 30, 1998, amending and expanding supplemental pension distribution to clarify the allocation to beneficiaries and disburse a portion of returns in excess of 9 percent to annuitants, subject to statutory limitations on gains/(losses).

Allocations for surviving spouses and surviving dependent children who are eligible to receive supplemental pension distributions shall be 66 2/3 percent of the years of service earned by the pensioner. Allocations for duty-disability pensioners shall be based upon 25 years of service. Allocations for duty-death beneficiaries (surviving spouse and surviving dependent children) shall be based upon 66 2/3 percent of 25 years of service.

Section 3. Amends s. 16(13)(a), of ch. 47-24981, L.O.F., as amended, clarifying the total years a member may participate in the Deferred Retirement Option Plan (DROP); and, notwithstanding any provision of this section to the contrary, allowing the position of Police Chief to extend participation in the DROP three years. For purposes of this subsection, "police chief" means a member who has been promoted from police officer through the ranks of the department to the position of police chief. Any such police chief shall not participate in the DROP beyond the attainment of 33 years of service, and the total years of participation in the DROP shall not exceed 8 years.

Section 4. Amends s. 16(16)(b), of ch. 47-24981, L.O.F., as amended, adding an additional exclusion from disability pensions for injury or disease sustained by the member before employment with the city begins; and applying this exclusion only in the event of a duty injury or disease.

Section 5. Amends s. 16(21)(b), of ch. 47-24981, L.O.F., as amended, liberalizing investment options to coincide with s. 185.06, F.S.; and providing that investment in bonds shall be with a corporation holding a rating in one of the three highest classifications by a major rating service.

Section 6. Amends s. 16(27), of ch. 47-24981, L.O.F., as amended, increasing the lump sum payout of the single sum value of accrued retirement income from less than \$3,500 to less than \$5,000 which the board of trustees, in the exercise of its discretion, may specify be paid in a lump sum.

Section 7. Amends s. 16(31)(32)(33), of ch. 47-24981, L.O.F., as amended, renumbering current subsections (31) and (32) as subsections (32) and (33), respectively, and adding a new subsection (31), providing for acceptance of rollovers from another qualified pension plan.

A member may roll over all or a part of his or her interest in another qualified plan to the fund, provided all of the following requirements are met:

(a) Some or all of the amount distributed from the other plan is rolled over to this plan no later than the 60th day after distribution was made from the plan or, if distributions are made in installments, no later than the 60th day after the last distribution was made.

(b) The amount rolled over to this fund does not include any amount contributed by the member to the plan on a post-tax basis.

(c) The rollover is made in cash.

(d) The member certifies that the distribution is eligible for a rollover.

(e) Any amount which the trustee accepts as a rollover to this fund shall, along with any earnings allocated to them, be fully vested at all times.

The rollover may also be made to this plan from an individual retirement account qualified under s. 408 of the Internal Revenue Code when the individual retirement account was merely used as a conduit for funds from another qualified plan and the rollover is made in accordance with the rules provided in paragraphs (a) - (e). Amounts rolled over may be segregated from other fund assets. The trustees shall separately account for gains, losses, and administrative expenses of these rollovers as provided for in subsections (11) and (13). In addition, the fund may accept the direct transfer of a member's benefits from another qualified retirement plan. The fund shall account for direct transfers in the same manner as a rollover and shall obtain certification from the member that the amounts are eligible for a rollover or direct transfer to this fund.

Section 8. Provides that this act shall take effect October 1, 1999, and shall apply retroactively to October 1, 1998.
