The Committee on Fiscal Policy recommended the following amendment:

**Senate Amendment**

On page 26, line 7, delete that line

and insert:

1. Rate of student performance, which must be based on the degree of measured learning gains of the students and must be corrected for characteristics of the student population or the school that are beyond the employee's control. These characteristics may include but are not limited to attendance or dropout rates, readiness for college, comparative scores on statewide student assessment instruments, the number of students who are enrolled at the school for less than a full school year, the number of students whose native language is not English, school discipline data, and the location of the school. The Department of Education shall provide technical assistance to school districts to develop the methodology for analyzing student achievement using the required corrections.
