Senator Sullivan moved the following amendment:

**Senate Amendment**

On page 40, line 14, after the period

insert: Schools that record a mobility rate of 40% or more, based on the comparison of spring statistics and fall statistics in districts that are required by court order to systematically and regularly move students among schools for the purpose of desegregation shall not be included in the identification process for failing schools. The mobility rate shall include only those students whose grade level, upon promotion, would still be included in that school structure.
