Senator Grant moved the following amendment:

Senate Amendment (with title amendment)

On page 15, between lines 29 and 30,

insert:

Section 14. This act may be cited as the "Truth in Campaigning Act."

Section 15. Legislative intent.--The Legislature finds that there has been a marked decline in civility and honesty in both state and national politics; that truthful campaigning has been replaced by a series of distortions, mischaracterizations, and untruths. Such tactics have the effect of stifling, overwhelming, or chilling the dissemination of truthful information; and that the dissemination of truthful information is the single most important goal advanced by free speech. Additionally, such tactics discourage participation in the political process. Therefore, the Legislature finds it necessary to hold all persons accountable for the truthfulness of their statements regarding candidates.
