23 (c) and (e) of subsection (2), subsection (4), paragraph (c)
24 of subsection (5), and subsection (6) of section 215.555,
25 Florida Statutes, 1998 Supplement, are amended, paragraphs (l)
26 and (m) are added to subsection (2), present subsections (11)
27 and (12) of that section are renumbered as subsections (12)
28 and (13), respectively, and new subsections (11) and (14) are
29 added to that section, to read:

30 215.555 Florida Hurricane Catastrophe Fund.--

31

1 (1) FINDINGS AND PURPOSE.--The Legislature finds and
2 declares as follows:

3 (e) A state program to provide a stable and ongoing
4 source of reimbursement to insurers for a portion of their
5 catastrophic hurricane losses will create additional insurance
6 capacity sufficient to ameliorate the current dangers to the
7 state's economy and to the public health, safety, and welfare.

8 (2) DEFINITIONS.--As used in this section:

9 (c) "Covered policy" means any insurance policy
10 covering residential property in this state, including, but
11 not limited to, any homeowner's, mobile home owner's, farm
12 owner's, condominium association, condominium unit owner's,
13 tenant's, or apartment building policy, or any other policy
14 covering a residential structure or its contents issued by any
15 authorized insurer, including any joint underwriting
16 association or similar entity created pursuant to law.
17 "Covered policy" does not include any policy that excludes
18 wind coverage or hurricane coverage or any reinsurance
19 agreement and does not include any policy otherwise meeting
20 this definition which is issued by a surplus lines insurer or
21 a reinsurer.

22 (e) "Retention" means the amount of losses below which
23 an insurer is not entitled to reimbursement from the fund. An
24 insurer's retention shall be calculated as follows:

25 1. The board shall calculate and report to each
26 insurer the retention multiples for that year. For the
27 contract year beginning June 1, 1995, the retention multiple
28 shall be equal to \$3 billion divided by the total estimated
29 reimbursement premium for the contract year; for subsequent
30 years, the retention multiple shall be equal to \$3 billion,
31 adjusted to reflect the percentage growth in exposure to the

1 ~~fund premium~~ for covered policies since 1998 ~~1995~~, divided by
2 the total estimated reimbursement premium for the contract
3 year. Total reimbursement premium for purposes of the
4 calculation under this subparagraph shall be estimated using
5 the assumption that all insurers have selected the 90-percent
6 coverage level.

7 2. The retention multiple as determined under
8 subparagraph 1. shall be adjusted to reflect the coverage
9 level elected by the insurer. For insurers electing the
10 90-percent coverage level, the adjusted retention multiple is
11 100 percent of the amount determined under subparagraph 1. For
12 insurers electing the 75-percent coverage level, the retention
13 multiple is 120 percent of the amount determined under
14 subparagraph 1. For insurers electing the 45-percent coverage
15 level, the adjusted retention multiple is 200 percent of the
16 amount determined under subparagraph 1.

17 3. An insurer shall determine its provisional
18 retention by multiplying its provisional reimbursement premium
19 by the applicable adjusted retention multiple and shall
20 determine its actual retention by multiplying its actual
21 reimbursement premium by the applicable adjusted retention
22 multiple.

23 (l) "Estimated claims-paying capacity" means the sum
24 of the projected year-end balance of the fund as of December
25 31 of a contract year, plus any reinsurance purchased by the
26 fund, plus the board's estimate of the board's borrowing
27 capacity.

28 (m) "Actual claims-paying capacity" means the sum of
29 the balance of the fund as of December 31 of a contract year,
30 plus any reinsurance purchased by the fund, plus the amount
31

1 the board is able to raise through the issuance of revenue
2 bonds under subsection (6).

3 (4) REIMBURSEMENT CONTRACTS.--

4 (a) The board shall enter into a contract with each
5 insurer writing covered policies in this state to provide to
6 the insurer the reimbursement described in paragraph (b), in
7 exchange for the reimbursement premium paid into the fund
8 under subsection (5). As a condition of doing business in this
9 state, each such insurer shall enter into such a contract.

10 (b)1. The contract shall contain a promise by the
11 board to reimburse the insurer for 45 percent, 75 percent, or
12 90 percent of its losses from each covered event in excess of
13 the insurer's retention, plus 5 percent of the reimbursed
14 losses to cover loss adjustment expenses.

15 2. The insurer must elect one of the percentage
16 coverage levels specified in this paragraph and may, upon
17 renewal of a reimbursement contract, elect a lower percentage
18 coverage level if no revenue bonds issued under subsection (6)
19 after a covered event are outstanding, or elect a higher
20 percentage coverage level, regardless of whether or not
21 revenue bonds are outstanding, ~~if it pays to the fund an~~
22 ~~actuarially appropriate equalization charge as determined by~~
23 ~~the board~~. All members of an insurer group must elect the same
24 percentage coverage level. Any joint underwriting
25 association, risk apportionment plan, or other entity created
26 under s. 627.351 must elect the 90-percent coverage level.

27 3. The contract shall provide that reimbursement
28 amounts shall not be reduced by reinsurance paid or payable to
29 the insurer from other sources; however, recoveries from such
30 other sources, taken together with reimbursements under the
31 contract, may not exceed 100 percent of the insurer's losses

1 from covered events. If such recoveries and reimbursements
2 exceed 100 percent of the insurer's losses from covered
3 events, and if there is no agreement between the insurer and
4 the reinsurer to the contrary, any amount in excess of 100
5 percent of the insurer's losses shall be returned to the fund.

6 (c)1. The contract shall also provide that the
7 obligation of the board with respect to all contracts covering
8 a particular contract year shall not exceed the actual
9 claims-paying capacity of the fund up to a limit of \$11
10 billion for that contract year, unless the board determines
11 that there is sufficient estimated claims-paying capacity to
12 provide \$11 billion of capacity for the current contract year
13 and an additional \$11 billion of capacity for subsequent
14 contract years. Upon such determination being made, the
15 estimated claims-paying capacity for the current contract year
16 shall be determined by adding to the \$11 billion limit one
17 half of the fund's estimated claims-paying capacity in excess
18 of \$22 billion ~~balance of the fund as of December 31 of that~~
19 ~~year, together with the maximum amount that the board is able~~
20 ~~to raise through the issuance of revenue bonds under~~
21 ~~subsection (6).~~

22 2. The contract shall require the board to annually
23 notify insurers of the fund's estimated ~~anticipated~~ borrowing
24 capacity for the next contract year, the projected year-end
25 balance of the fund, and the insurer's estimated share of
26 total reimbursement premium to be paid to the fund. For all
27 regulatory and reinsurance purposes, an insurer may calculate
28 its projected payout from the fund as its share of the total
29 fund premium for the current contract year multiplied by the
30 sum of the projected year-end fund balance and the estimated
31 ~~anticipated~~ borrowing capacity for that contract year as

1 reported under this paragraph. In May and October of each
2 year, the board shall publish in the Florida Administrative
3 Weekly a statement of the fund's estimated ~~anticipated~~
4 borrowing capacity and the projected year-end balance of the
5 fund for the current contract year.

6 (d)1. For purposes of determining potential liability
7 and to aid in the sound administration of the fund, the
8 contract shall require each insurer to report such insurer's
9 losses from each covered event on an interim basis, as
10 directed by the board. The contract shall require the insurer
11 to report to the board, ~~as directed by the board, but~~ no later
12 than December 31 of each year, and quarterly thereafter, its
13 reimbursable losses from covered events for the year. The
14 contract shall require the board to determine and pay, as soon
15 as practicable after receiving these reports of reimbursable
16 losses, the initial amount of reimbursement due and
17 adjustments to this amount based on later loss information.
18 The adjustments to reimbursement amounts shall require the
19 board to pay, or the insurer to return, amounts reflecting the
20 most recent calculation of losses.

21 2. If the board determines that the projected year-end
22 balance of the fund, together with the amount that the board
23 determines that it is possible to raise through revenue bonds
24 issued under subsection (6) and through other borrowing and
25 financing arrangements under paragraph (7)(b), are
26 insufficient to pay reimbursement to all insurers at the level
27 promised in the contract, the board shall:

28 a. First reimburse insurers writing covered policies,
29 which insurers are in full compliance with this section and
30 have petitioned the Department of Insurance and qualified as
31 limited apportionment companies under s. 627.351(2)(b)3. The

1 amount of such reimbursement shall be the lesser of \$10
2 million or an amount equal to 10 times the insurer's
3 reimbursement premium for the current year. The amount of
4 reimbursement paid under this sub-subparagraph may not exceed
5 the full amount of reimbursement promised in the reimbursement
6 contract. This sub-subparagraph does not apply with respect to
7 any contract year in which the year-end projected cash balance
8 of the fund, exclusive of any bonding capacity of the fund,
9 exceeds \$2 billion. Only one member of any insurer group may
10 receive reimbursement under this sub-subparagraph.

11 b. Next pay to each insurer such insurer's projected
12 payout, which is the amount of reimbursement it is owed, up to
13 an amount equal to the insurer's share of the actual premium
14 paid for that contract year, multiplied by the actual
15 claims-paying capacity available for that contract year,
16 provided, entities created pursuant to s. 627.351 shall be
17 further reimbursed in accordance with sub-subparagraph c. ~~This~~
18 ~~determination shall be adjusted to reflect payments made under~~
19 ~~sub-subparagraph a.~~

20 c. Thereafter, establish, based on reimbursable
21 losses, the prorated reimbursement level at the highest level
22 for which any remaining fund balance or bond proceeds are
23 sufficient to reimburse entities created pursuant to s.
24 627.351 for losses exceeding the amounts payable pursuant to
25 sub-subparagraph b. for the current contract year.

26 (e)1. Except as provided in subparagraphs 2. and 3.,
27 the contract shall provide that if an insurer demonstrates to
28 the board that it is likely to qualify for reimbursement under
29 the contract, and demonstrates to the board that the immediate
30 receipt of moneys from the board is likely to prevent the
31 insurer from becoming insolvent, the board shall advance the

1 insurer, at market interest rates, the amounts necessary to
2 maintain the solvency of the insurer, up to 50 percent of the
3 board's estimate of the reimbursement due the insurer. The
4 insurer's reimbursement shall be reduced by an amount equal to
5 the amount of the advance ~~loan~~ and interest thereon.

6 2. With respect only to an entity created under s.
7 627.351, the contract shall also provide that the board may,
8 upon application by such entity, advance to such entity, at
9 market interest rates, up to 90 percent of the lesser of:

10 a. The board's estimate of the amount of reimbursement
11 due to such entity; or

12 b. The entity's share of the actual reimbursement
13 premium paid for that contract year, multiplied by the
14 currently available liquid assets of the fund. In order for
15 the entity to qualify for an advance under this subparagraph,
16 the entity must demonstrate to the board that the advance is
17 essential to allow the entity to pay claims for a covered
18 event and the board must determine that the fund's assets are
19 sufficient and are sufficiently liquid to allow the board to
20 make an advance to the entity and still fulfill the board's
21 reimbursement obligations to other insurers. The entity's
22 final reimbursement for any contract year in which an advance
23 has been made under this subparagraph must be reduced by an
24 amount equal to the amount of the advance and any interest on
25 such advance. In order to determine what amounts, if any, are
26 due the entity, the board may require the entity to report its
27 exposure and its losses at any time to determine retention
28 levels and reimbursements payable.

29 3. The contract shall also provide specifically and
30 solely with respect to any limited apportionment company under
31 s. 627.351(2)(b)3. that the board may, upon application by

1 such company, advance to such company the amount of the
2 estimated reimbursement payable to such company as calculated
3 pursuant to paragraph (d), at market interest rates, if the
4 board determines that the fund's assets are sufficient and are
5 sufficiently liquid to permit the board to make an advance to
6 such company and at the same time fulfill its reimbursement
7 obligations to the insurers that are participants in the fund.
8 Such company's final reimbursement for any contract year in
9 which an advance pursuant to this subparagraph has been made
10 shall be reduced by an amount equal to the amount of the
11 advance and interest thereon. In order to determine what
12 amounts, if any, are due to such company, the board may
13 require such company to report its exposure and its losses at
14 such times as may be required to determine retention levels
15 and loss reimbursements payable.

16 (f) In order to ensure that insurers have properly
17 reported the insured values on which the reimbursement premium
18 is based and to ensure that insurers have properly reported
19 the losses for which reimbursements have been made, the board
20 shall inspect, examine, and audit the records of each
21 insurer's covered policies at such times as the board deems
22 appropriate and in such manner as is consistent with generally
23 accepted auditing standards. The costs of the audits shall be
24 borne by the board. However, in order to remove any incentive
25 for an insurer to delay preparations for an audit, the board
26 shall be reimbursed by the insurer for any audit expenses
27 incurred in addition to the usual and customary costs of the
28 audit, which additional expenses were incurred as a result of
29 an insurer's failure, despite proper notice, to be prepared
30 for the audit or as a result of an insurer's failure to
31 provide requested information while the audit is in progress.

1 If the board finds any insurer's records or other necessary
2 information to be inadequate or inadequately posted, recorded,
3 or maintained, the board may employ experts to reconstruct,
4 rewrite, record, post, or maintain such records or
5 information, at the expense of the insurer being audited, if
6 such insurer has failed to maintain, complete, or correct such
7 records or deficiencies after the board has given the insurer
8 notice and a reasonable opportunity to do so. Any information
9 contained in an audit report, which information is described
10 in s. 215.557, is confidential and exempt from the provisions
11 of s. 119.07(1) and s. 24(a), Art. I of the State
12 Constitution, as provided in s. 215.557. Nothing in this
13 paragraph expands the exemption in s. 215.557.

14 (g)(f) The contract shall provide that in the event of
15 the insolvency of an insurer, the fund shall pay directly to
16 the Florida Insurance Guaranty Association for the benefit of
17 Florida policyholders of the insurer the net amount of all
18 reimbursement moneys owed to the insurer. As used in this
19 paragraph, the term "net amount of all reimbursement moneys"
20 means that amount which remains after reimbursement for:

21 1. Preliminary or duplicate payments owed to private
22 reinsurers or other inuring reinsurance payments to private
23 reinsurers that satisfy statutory or contractual obligations
24 of the insolvent insurer attributable to covered events to
25 such reinsurers; or

26 2. Funds owed to a bank or other financial institution
27 to cover obligations of the insolvent insurer under a credit
28 agreement that assists the insolvent insurer in paying claims
29 attributable to covered events.

30
31

1 Such private reinsurers, banks, or other financial
2 institutions shall be reimbursed or otherwise paid prior to
3 payment to the Florida Insurance Guaranty Association,
4 notwithstanding any law to the contrary. The guaranty
5 association shall pay all claims up to the maximum amount
6 permitted by chapter 631; thereafter, any remaining moneys
7 shall be paid pro rata to claims not fully satisfied. This
8 paragraph does not apply to a joint underwriting association,
9 risk apportionment plan, or other entity created under s.
10 627.351.

11 (5) REIMBURSEMENT PREMIUMS.--

12 (c) No later than September 1 of each year, each
13 insurer shall notify the board of its insured values under
14 covered policies by zip code, as of June 30 of that year. On
15 the basis of these reports, the board shall calculate the
16 premium due from the insurer, based on the formula adopted
17 under paragraph (b). The insurer shall pay the required annual
18 premium pursuant to a periodic payment plan specified in the
19 contract. The board shall provide for payment of reimbursement
20 premium in periodic installments and for the adjustment of
21 provisional premium installments collected prior to submission
22 of the exposure report to reflect data in the exposure report.
23 The board shall collect interest on late reimbursement premium
24 payments consistent with the assumptions made in developing
25 the premium formula in accordance with paragraph (b).

26 (6) REVENUE BONDS.--

27 (a) General provisions.--

28 1. Upon the occurrence of a hurricane and a
29 determination that the moneys in the fund are or will be
30 insufficient to pay reimbursement at the levels promised in
31 the reimbursement contracts, the board may take the necessary

1 steps under paragraph (b) or paragraph (c) for the issuance of
2 revenue bonds for the benefit of the fund. The proceeds of
3 such revenue bonds may be used to make reimbursement payments
4 under reimbursement contracts; to refinance or replace
5 previously existing borrowings or financial arrangements; to
6 pay interest on bonds; to fund reserves for the bonds; to pay
7 expenses incident to the issuance or sale of any bond issued
8 under this section, including costs of validating, printing,
9 and delivering the bonds, costs of printing the official
10 statement, costs of publishing notices of sale of the bonds,
11 and related administrative expenses; or for such other
12 purposes related to the financial obligations of the fund as
13 the board may determine. The term of the bonds may not exceed
14 30 years. The board may pledge or authorize the corporation to
15 pledge all or a portion of all revenues under subsection (5)
16 and under subparagraph 3. to secure such revenue bonds and the
17 board may execute such agreements between the board and the
18 issuer of any revenue bonds and providers of other financing
19 arrangements under paragraph (7)(b) as the board deems
20 necessary to evidence, secure, preserve, and protect such
21 pledge. If reimbursement premiums received under subsection
22 (5) or earnings on such premiums are used to pay debt service
23 on revenue bonds, such premiums and earnings shall be used
24 only after the use of the moneys derived from assessments
25 under subparagraph 3. The funds, credit, property, or taxing
26 power of the state or political subdivisions of the state
27 shall not be pledged for the payment of such bonds. The board
28 may also enter into agreements under paragraph (b) or
29 paragraph (c) for the purpose of issuing revenue bonds in the
30 absence of a hurricane upon a determination that such action
31

1 would maximize the ability of the fund to meet future
2 obligations.

3 2. The Legislature finds and declares that the
4 issuance of bonds under this subsection is for the public
5 purpose of paying the proceeds of the bonds to insurers,
6 thereby enabling insurers to pay the claims of policyholders
7 to assure that policyholders are able to pay the cost of
8 construction, reconstruction, repair, restoration, and other
9 costs associated with damage to property of policyholders of
10 covered policies after the occurrence of a hurricane. Revenue
11 bonds may not be issued under this subsection until validated
12 under chapter 75. The validation of at least the first
13 obligations incurred pursuant to this subsection shall be
14 appealed to the Supreme Court, to be handled on an expedited
15 basis.

16 3. If the board determines that the amount of revenue
17 produced under subsection (5) is insufficient to fund the
18 obligations, costs, and expenses of the fund and the
19 corporation, including repayment of revenue bonds, the board
20 shall direct the Department of Insurance to levy an emergency
21 assessment on each insurer writing property and casualty
22 business in this state. Pursuant to the emergency assessment,
23 each such insurer shall pay to the corporation fund by July 1
24 of each year an amount set by the board not exceeding 2
25 percent of its gross direct written premium for the prior year
26 from all property and casualty business in this state except
27 for workers' compensation, except that, if the Governor has
28 declared a state of emergency under s. 252.36 due to the
29 occurrence of a covered event, the amount of the assessment
30 for the contract year may be increased to an amount not
31 exceeding 4 percent of such premium. Any assessment authority

1 not used for the contract year may be used for a subsequent
2 contract year. If, for a subsequent contract year, the board
3 determines that the amount of revenue produced under
4 subsection (5) is insufficient to fund the obligations, costs,
5 and expenses of the fund and the corporation, including
6 repayment of revenue bonds for that contract year, the board
7 shall direct the Department of Insurance to levy an emergency
8 assessment up to an amount not exceeding the amount of unused
9 assessment authority from a previous contract year or years,
10 plus an additional 2 percent if the Governor has declared a
11 state of emergency under s. 252.36 due to the occurrence of a
12 covered event. Any assessment authority not used for the
13 contract year may be used for a subsequent contract year.As
14 used in this subsection, the term "property and casualty
15 business" includes all lines of business identified on Form 2,
16 Exhibit of Premiums and Losses, in the annual statement
17 required by s. 624.424 and any rules adopted under such
18 section, except for those lines identified as accident and
19 health insurance. The annual assessments under this
20 subparagraph shall continue as long as the revenue bonds
21 issued with respect to which the assessment was imposed are
22 outstanding, unless adequate provision has been made for the
23 payment of such bonds pursuant to the documents authorizing
24 issuance of the bonds. An insurer shall not at any time be
25 subject to aggregate annual assessments under this
26 subparagraph of more than 2 percent of premium, except that in
27 the case of a declared emergency, an insurer shall not at any
28 time be subject to aggregate annual assessments under this
29 subparagraph of more than 6 ~~4~~ percent of premium, provided, no
30 more than 4 percent may be assessed for any one contract year.
31 Any rate filing or portion of a rate filing reflecting a rate

1 change attributable entirely to the assessment levied under
2 this subparagraph shall be deemed approved when made, subject
3 to the authority of the Department of Insurance to require
4 actuarial justification as to the adequacy of any rate at any
5 time. If the rate filing reflects only a rate change
6 attributable to the assessment under this paragraph, the
7 filing may consist of a certification so stating. The
8 assessments otherwise payable to the corporation pursuant to
9 this subparagraph shall be paid instead to the fund unless and
10 until the Department of Insurance has received from the
11 corporation and the fund a notice, which shall be conclusive
12 and upon which the Department of Insurance may rely without
13 further inquiry, that the corporation has issued bonds and the
14 fund has no agreements in effect with local governments
15 pursuant to paragraph (b). On or after the date of such
16 notice and until such date as the corporation has no bonds
17 outstanding, the fund shall have no right, title, or interest
18 in or to the assessments, except as provided in the fund's
19 agreements with the corporation.

20 (b) Revenue bond issuance through counties or
21 municipalities.--

22 1. If the board elects to enter into agreements with
23 local governments for the issuance of revenue bonds for the
24 benefit of the fund, the board shall enter into such contracts
25 with one or more local governments, including agreements
26 providing for the pledge of revenues, as are necessary to
27 effect such issuance. The governing body of a county or
28 municipality is authorized to issue bonds as defined in s.
29 125.013 or s. 166.101 from time to time to fund an assistance
30 program, in conjunction with the Florida Hurricane Catastrophe
31 Fund, for the purposes set forth in this section or for the

1 purpose of paying the costs of construction, reconstruction,
2 repair, restoration, and other costs associated with damage to
3 properties of policyholders of covered policies due to the
4 occurrence of a hurricane by assuring that policyholders
5 located in this state are able to recover claims under
6 property insurance policies after a covered event.

7 2. In order to avoid needless and indiscriminate
8 proliferation, duplication, and fragmentation of such
9 assistance programs, any local government may provide for the
10 payment of fund reimbursements, regardless of whether or not
11 the losses for which reimbursement is made occurred within or
12 outside of the territorial jurisdiction of the local
13 government.

14 3. The state hereby covenants with holders of bonds
15 issued under this paragraph that the state will not repeal or
16 abrogate the power of the board to direct the Department of
17 Insurance to levy the assessments and to collect the proceeds
18 of the revenues pledged to the payment of such bonds as long
19 as any such bonds remain outstanding unless adequate provision
20 has been made for the payment of such bonds pursuant to the
21 documents authorizing the issuance of such bonds.

22 4. There shall be no liability on the part of, and no
23 cause of action shall arise against any members or employees
24 of the governing body of a local government for any actions
25 taken by them in the performance of their duties under this
26 paragraph.

27 (c) Florida Hurricane Catastrophe Fund Finance
28 Corporation.--

29 1. In addition to the findings and declarations in
30 subsection (1), the Legislature also finds and declares that:

31

1 a. The public benefits corporation created under this
2 paragraph will provide a mechanism necessary for the
3 cost-effective and efficient issuance of bonds. This mechanism
4 will eliminate unnecessary costs in the bond issuance process,
5 thereby increasing the amounts available to pay reimbursement
6 for losses to property sustained as a result of hurricane
7 damage.

8 b. The purpose of such bonds is to fund reimbursements
9 through the Florida Hurricane Catastrophe Fund to pay for the
10 costs of construction, reconstruction, repair, restoration,
11 and other costs associated with damage to properties of
12 policyholders of covered policies due to the occurrence of a
13 hurricane.

14 c. The efficacy of the financing mechanism will be
15 enhanced by the corporation's ownership of the assessments, by
16 the insulation of the assessments from possible bankruptcy
17 proceedings, and by covenants of the state with the
18 corporation's bondholders.

19 2.a. There is created a public benefits corporation,
20 which is an instrumentality of the state, to be known as the
21 Florida Hurricane Catastrophe Fund Finance Corporation.

22 b. The corporation shall operate under a five-member
23 board of directors consisting of the Governor or a designee,
24 the Comptroller or a designee, the Treasurer or a designee,
25 the director of the Division of Bond Finance of the State
26 Board of Administration, and the chief operating officer of
27 the Florida Hurricane Catastrophe Fund.

28 c. The corporation has all of the powers of
29 corporations under chapter 607 and under chapter 617, subject
30 only to the provisions of this subsection.

31

1 d. The corporation may issue bonds and engage in such
