PART XV

19

NONCLINICAL SOCIAL WORK PRACTICE

20

21 468.851 Intent.--The Legislature finds that as society
22 becomes increasingly complex, emotional survival is equal in
23 importance to physical survival. Therefore, in order to
24 preserve the health, safety, and welfare of the public, the
25 Legislature must provide confidential communication for
26 members of the public, or those acting on their behalf, to
27 encourage the seeking out of needed or desired social work
28 services that are within the practice of nonclinical social
29 work. The Legislature further finds that, since such
30 supportive services assist individuals, families, groups, and
31 communities, the practice of nonclinical social work by
persons not qualified to practice such profession presents a

1 danger to the public health, safety, and welfare. The
2 Legislature finds that, to further secure the health, safety,
3 and welfare of the public and also to encourage professional
4 cooperation among all qualified professionals, the Legislature
5 must assist the public in making informed choices of such
6 services by establishing minimum qualifications for entering
7 into and remaining in the social work profession regulated
8 under this part.

9 468.852 Definitions.--As used in this part:

10 (1) "Advisory council" or "council" means the Advisory
11 Council on Nonclinical Social Work Practice.

12 (2) "Department" means the Department of Health.

13 (3) "Licensed bachelor social worker" means a person
14 licensed under this part to practice bachelor-level social
15 work.

16 (4) "Licensed master social worker" means a person
17 licensed under this part to practice graduate-level social
18 work.

19 (5) "Practice of licensed bachelor social work" means
20 the provision of generalist nonclinical social work services,
21 based on generic practice knowledge and skills applicable
22 across problems and populations. This includes the use of
23 basic skills relevant to scientific and applied knowledge,
24 theories, and methods to provide social work assessment and
25 referral, needed information and education to clients' social
26 work case management and supportive services to individuals,
27 families, groups, and communities, problem-solving
28 intervention, client-centered advocacy, beginning generalist
29 social work supervision, and research. Nothing in this
30 subsection may be construed to permit the practice of
31 psychotherapy.

1 (6) "Practice of master social work" means the
2 provision of advanced and concentrated nonclinical social work
3 practice skills, including the use of an enhanced base for
4 scientific and applied knowledge, theories, and methods to
5 provide a conceptual and practical framework for an advanced
6 level of assessment, referral, casework management, supportive
7 services to individuals, families, groups, and communities,
8 needed information and education to clients, client-centered
9 advocacy, planning, community organization, supervision,
10 consultation, management, social policy formulation, program
11 development and implementation, problem-solving, crisis
12 intervention, research, and program evaluation. Nothing in
13 this subsection may be construed to permit the practice of
14 psychotherapy.

15 (7) "Social work assessment" means the social work
16 function, practiced by all social workers, of acquiring an
17 understanding of the problem of a client, whether an
18 individual, a family, a group, a community, or an
19 organization; what causes the severity and intensity of the
20 problem; and what can be done to minimize or resolve it. A
21 nonclinical social worker performing an assessment examines a
22 variety of issues in the context of the client's total
23 environment, including health, physical and intellectual
24 functioning, strengths and resources, service needs, social
25 networks, and human service providers.

26 (8) "Social work case management" means the
27 organization, coordination, and monitoring of a network of
28 services for a client with multiple needs. The tasks of case
29 management include, but are not limited to, case
30 identification, assessment and planning to meet client needs,
31 promoting the skills and capacities of the client,

1 coordination and referral, implementation of services,
2 advocating for the client when existing resources are
3 insufficient or unavailable, and monitoring, evaluation, and
4 reassessment. Case management may be performed by social
5 workers at all levels.

6 (9) "Supervision" includes, but is not limited to,
7 assigning cases, discussing assessment and intervention plans,
8 reviewing contact with clients, and assisting workers with
9 agency policy, knowledge of available resources, and
10 enhancement of staff moral. Educational supervision is
11 supervision oriented toward professional concerns related to
12 specific cases. Administrative supervision is supervision
13 oriented toward agency policy and public accountability.

14 (10) "Support services" refers to the provision of
15 concrete services, including, but not limited to, arranging
16 transportation, equipment needs, and in-home service, food,
17 and shelter, and the linking of clients with such services.

25 licensed under this part as follows:

9 are not connected with the practice of social work.

18 of 4 years; and those members shall serve until their
19 successors are appointed.

20 (4) The department may adopt rules as provided in
21 chapter 120 relating to the licensure of master social workers
22 and bachelor social workers.

23 (5) All applicable provisions of chapter 455 relating
24 to activities of regulatory boards shall apply to the council.

25 (6) The council shall maintain its official

11 by reason of illness; drunkenness; or excessive use of drugs,
12 narcotics, chemicals, or any other substance. In enforcing
13 this paragraph, upon a finding by the secretary, or his or her
14 designee, that probable cause exists to believe that the
15 licensee is unable to practice the profession because of the
16 reasons stated in this paragraph, the department shall have
17 the authority to compel a licensee to submit to a mental or

23 the circuit in which the licensee resides or does business.
24 The licensee against whom the petition is filed shall not be
25 named or identified by initials in any public court records or
26 documents, and the proceedings shall be closed to the public.
27 The department shall be entitled to the summary procedure

8 second degree, punishable as provided in s. 775.082, s.

14 licensee under this part are provided.

15 (b) "Deception" means a representation to the client

4 chapter 459, psychologists licensed under chapter 490, or
5 clinical social workers, marriage and family therapists, or
6 mental health counselors licensed under chapter 491, so long
7 as they do not unlawfully hold themselves out to the public as
8 possessing a license issued under this part or use a
9 professional title protected by this part. However, a clinical
10 social worker licensed under chapter 491 may use the term
11 "social work," "licensed social worker," or "social worker."
12 (2) No provision of this part may be construed to
13 limit the practice of nursing, school psychology, school
14 guidance counseling, or psychology or to prevent qualified
15 members of other professions from doing work of a nature
16 consistent with their training and licensure, so long as they
17 do not hold themselves out to the public as possessing a
18 license issued under this part or use a title protected by
19 this part.
20 (3) No provision of this part may be construed to
21 limit the performance of activities of a rabbi, priest,
22 minister, or clergyman of any religious denomination or sect,
23 or use of the term "Christian counselor" or "Christian
24 clinical counselor" when the activities are within the scope
25 of the performance of his or her regular or specialized

28 compensation, by a person for or under the auspices or
29 sponsorship, individually or in conjunction with others, of an
30 established and legally cognizable church, denomination, or

5 (4) A person is not required to be licensed under this
6 part who:

18 training programs developed by social service agencies
19 delivering services in the exempt settings identified in this
20 paragraph or by organizations representing these agencies if
21 such competency-based programs meet criteria established by

26 under this part or use a title protected by this part.

27 (6) Any person who is not licensed under any provision
28 of this part by January 1, 2000, and who desires to become so
29 licensed shall register with the department that person's
30 intent to become fully licensed no later than January 1, 2001.
31 The costs to the department of such registration shall be

1 borne by the registrant. The department may require affidavits
2 and supporting documentation sufficient to demonstrate that
3 the registrant is preparing for examination by January 1,
4 2000, under this part. The department may adopt rules as
5 provided in chapter 120 to register any person desiring to
6 become licensed under this part. Upon receipt of the
7 department's notice of registration, the registrant may

15 468.855(1)(a)1.-2. or s. 468.855(2)(a)1.-2. and has not less
16 than 2 years of social work experience related to the
17 licensing area which took place subsequent to completion of a

21 license and receive a license if he or she has met all other
22 qualifications except the 2 years of experience under a
23 qualified professional. This subsection and the ability to
24 become licensed under this subsection shall expire January 1,
25 2001.

5 undertaking of activities for which the person is not
6 qualified by training or experience.

8 communication between any person licensed under this part and
9 his or her client shall be confidential. This secrecy may be
10 waived under the following conditions:

11 (1) When the person licensed under this part is a
12 party defendant to a civil, criminal, or disciplinary action
13 arising from a complaint filed by the client, in which case
14 the waiver shall be limited to that action.

15 (2) When the client agrees to the waiver, in writing,
16 or, when more than one person in a family is receiving
17 nonclinical social work services, when each family member
18 agrees to the waiver, in writing.

19 (3) When there is a clear and immediate probability of
20 physical harm to the client, to other individuals, or to
21 society and the person licensed under this part communicates
22 the information only to the potential victim, appropriate
23 family member, or law enforcement or other appropriate
24 authorities.

25 468.868 Records.--Each person licensed under this part
26 who provides independent services as defined in this part must
27 maintain records. The department may adopt rules defining the
28 minimum requirements for records and reports, including

30 transfer of either the records or a report of such records to
31

1 a subsequent licensee or other individual with written consent
2 of the client or clients.
