The Committee on Fiscal Policy recommended the following amendment:

**Senate Amendment (with title amendment)**

On page 3, line 30, after the period "."

insert: The district interinstitutional articulation agreement shall include a plan that outlines the mechanisms and strategies for improving the preparation of elementary, middle, and high school teachers. Effective collaboration among school districts, postsecondary institutions, and practicing educators is essential to improving teaching in Florida's elementary and secondary schools and consequently, the retention and success of students through high school graduation and into postsecondary education. Professional development programs shall be developed cooperatively and include curricular content which focuses upon local and state needs and responds to state, national, and district policy and program priorities. School districts and community colleges are encouraged to develop plans which utilize new technologies, address critical needs in their implementation,
