1 A bill to be entitled
2 An act relating to windstorm insurance risk
3 apportionment; amending s. 627.351, F.S.;
4 revising the composition of the board of the
5 Florida Windstorm Underwriting Association;
6 revising the requirement that certain insureds
7 lose their eligibility for the Florida
8 Windstorm Underwriting Association under
9 certain circumstances; amending s. 627.4025,
10 F.S.; redefining the term "hurricane coverage"
11 for purposes of residential property insurance;
12 providing an effective date.

14 Be It Enacted by the Legislature of the State of Florida:

16 Section 1. Paragraph (b) of subsection (2) of section
17 627.351, Florida Statutes, 1998 Supplement, is amended to
18 read:

19 627.351 Insurance risk apportionment plans.--
20 (2) WINDSTORM INSURANCE RISK APPORTIONMENT.--
21 (b) The department shall require all insurers holding
22 a certificate of authority to transact property insurance on a
23 direct basis in this state, other than joint underwriting
24 associations and other entities formed pursuant to this
25 section, to provide windstorm coverage to applicants from
26 areas determined to be eligible pursuant to paragraph (c) who
27 in good faith are entitled to, but are unable to procure, such
28 coverage through ordinary means; or it shall adopt a
29 reasonable plan or plans for the equitable apportionment or
30 sharing among such insurers of windstorm coverage, which may
31 include formation of an association for this purpose. As used

1 in this subsection, the term "property insurance" means
2 insurance on real or personal property, as defined in s.
3 624.604, including insurance for fire, industrial fire, allied
4 lines, farmowners multiperil, homeowners' multiperil,
5 commercial multiperil, and mobile homes, and including
6 liability coverages on all such insurance, but excluding
7 inland marine as defined in s. 624.607(3) and excluding
8 vehicle insurance as defined in s. 624.605(1)(a) other than
9 insurance on mobile homes used as permanent dwellings. The
10 department shall adopt rules that provide a formula for the
11 recovery and repayment of any deferred assessments.

12 1. For the purpose of this section, properties
13 eligible for such windstorm coverage are defined as dwellings,
14 buildings, and other structures, including mobile homes which
15 are used as dwellings and which are tied down in compliance
16 with mobile home tie-down requirements prescribed by the
17 Department of Highway Safety and Motor Vehicles pursuant to s.
18 320.8325, and the contents of all such properties. An
19 applicant or policyholder is eligible for coverage only if an
20 offer of coverage cannot be obtained by or for the applicant
21 or policyholder from an admitted insurer at approved rates.

22 2.a.(I) All insurers required to be members of such
23 association shall participate in its writings, expenses, and
24 losses. Surplus of the association shall be retained for the
25 payment of claims and shall not be distributed to the member
26 insurers. Such participation by member insurers shall be in
27 the proportion that the net direct premiums of each member
28 insurer written for property insurance in this state during
29 the preceding calendar year bear to the aggregate net direct
30 premiums for property insurance of all member insurers, as
31 reduced by any credits for voluntary writings, in this state

1 during the preceding calendar year. For the purposes of this
2 subsection, the term "net direct premiums" means direct
3 written premiums for property insurance, reduced by premium
4 for liability coverage and for the following if included in
5 allied lines: rain and hail on growing crops; livestock;
6 association direct premiums booked; National Flood Insurance
7 Program direct premiums; and similar deductions specifically
8 authorized by the plan of operation and approved by the
9 department. A member's participation shall begin on the first
10 day of the calendar year following the year in which it is
11 issued a certificate of authority to transact property
12 insurance in the state and shall terminate 1 year after the
13 end of the calendar year during which it no longer holds a
14 certificate of authority to transact property insurance in the
15 state. The commissioner, after review of annual statements,
16 other reports, and any other statistics that the commissioner
17 deems necessary, shall certify to the association the
18 aggregate direct premiums written for property insurance in
19 this state by all member insurers.

20 (II) The plan of operation shall provide for a board
21 of directors consisting of the Insurance Consumer Advocate
22 appointed under s. 627.0613, 1 consumer representative
23 appointed by the Insurance Commissioner, 1 insurance agent
24 appointed by the Insurance Commissioner who is, at the time of
25 appointment, writing insurance with the Florida Windstorm
26 Underwriting Association, 1 consumer representative appointed
27 by the Governor, and 12 additional members appointed as
28 specified in the plan of operation. One of the 12 additional
29 members shall be elected by the domestic companies of this
30 state on the basis of cumulative weighted voting based on the
31 net direct premiums of domestic companies in this state.

1 Nothing in the 1997 amendments to this paragraph terminates
2 the existing board or the terms of any members of the board.

3 (III) The plan of operation shall provide a formula
4 whereby a company voluntarily providing windstorm coverage in
5 affected areas will be relieved wholly or partially from
6 apportionment of a regular assessment pursuant to
7 sub-sub-subparagraph d.(I) or sub-sub-subparagraph d.(II).

8 (IV) A company which is a member of a group of
9 companies under common management may elect to have its
10 credits applied on a group basis, and any company or group may
11 elect to have its credits applied to any other company or
12 group.

13 (V) There shall be no credits or relief from
14 apportionment to a company for emergency assessments collected
15 from its policyholders under sub-sub-subparagraph d.(III).

16 (VI) The plan of operation may also provide for the
17 award of credits, for a period not to exceed 3 years, from a
18 regular assessment pursuant to sub-sub-subparagraph d.(I) or
19 sub-sub-subparagraph d.(II) as an incentive for taking
20 policies out of the Residential Property and Casualty Joint
21 Underwriting Association. In order to qualify for the
22 exemption under this sub-sub-subparagraph, the take-out plan
23 must provide that at least 40 percent of the policies removed
24 from the Residential Property and Casualty Joint Underwriting
25 Association cover risks located in Dade, Broward, and Palm
26 Beach Counties or at least 30 percent of the policies so
27 removed cover risks located in Dade, Broward, and Palm Beach
28 Counties and an additional 50 percent of the policies so
29 removed cover risks located in other coastal counties, and
30 must also provide that no more than 15 percent of the policies
31 so removed may exclude windstorm coverage. With the approval

1 of the department, the association may waive these geographic
2 criteria for a take-out plan that removes at least the lesser
3 of 100,000 Residential Property and Casualty Joint
4 Underwriting Association policies or 15 percent of the total
5 number of Residential Property and Casualty Joint Underwriting
6 Association policies, provided the governing board of the
7 Residential Property and Casualty Joint Underwriting
8 Association certifies that the take-out plan will materially
9 reduce the Residential Property and Casualty Joint
10 Underwriting Association's 100-year probable maximum loss from
11 hurricanes. With the approval of the department, the board
12 may extend such credits for an additional year if the insurer
13 guarantees an additional year of renewability for all policies
14 removed from the Residential Property and Casualty Joint
15 Underwriting Association, or for 2 additional years if the
16 insurer guarantees 2 additional years of renewability for all
17 policies removed from the Residential Property and Casualty
18 Joint Underwriting Association.

19 b. Assessments to pay deficits in the association
20 under this subparagraph shall be included as an appropriate
21 factor in the making of rates as provided in s. 627.3512.

22 c. The Legislature finds that the potential for
23 unlimited deficit assessments under this subparagraph may
24 induce insurers to attempt to reduce their writings in the
25 voluntary market, and that such actions would worsen the
26 availability problems that the association was created to
27 remedy. It is the intent of the Legislature that insurers
28 remain fully responsible for paying regular assessments and
29 collecting emergency assessments for any deficits of the
30 association; however, it is also the intent of the Legislature

31

1 to provide a means by which assessment liabilities may be
2 amortized over a period of years.

3 d.(I) When the deficit incurred in a particular
4 calendar year is 10 percent or less of the aggregate statewide
5 direct written premium for property insurance for the prior
6 calendar year for all member insurers, the association shall
7 levy an assessment on member insurers in an amount equal to
8 the deficit.

9 (II) When the deficit incurred in a particular
10 calendar year exceeds 10 percent of the aggregate statewide
11 direct written premium for property insurance for the prior
12 calendar year for all member insurers, the association shall
13 levy an assessment on member insurers in an amount equal to
14 the greater of 10 percent of the deficit or 10 percent of the
15 aggregate statewide direct written premium for property
16 insurance for the prior calendar year for member insurers. Any
17 remaining deficit shall be recovered through emergency
18 assessments under sub-sub-subparagraph (III).

19 (III) Upon a determination by the board of directors
20 that a deficit exceeds the amount that will be recovered
21 through regular assessments on member insurers, pursuant to
22 sub-sub-subparagraph (I) or sub-sub-subparagraph (II), the
23 board shall levy, after verification by the department,
24 emergency assessments to be collected by member insurers and
25 by underwriting associations created pursuant to this section
26 which write property insurance, upon issuance or renewal of
27 property insurance policies other than National Flood
28 Insurance policies in the year or years following levy of the
29 regular assessments. The amount of the emergency assessment
30 collected in a particular year shall be a uniform percentage
31 of that year's direct written premium for property insurance

1 for all member insurers and underwriting associations,
2 excluding National Flood Insurance policy premiums, as
3 annually determined by the board and verified by the
4 department. The department shall verify the arithmetic
5 calculations involved in the board's determination within 30
6 days after receipt of the information on which the
7 determination was based. Notwithstanding any other provision
8 of law, each member insurer and each underwriting association
9 created pursuant to this section shall collect emergency
10 assessments from its policyholders without such obligation
11 being affected by any credit, limitation, exemption, or
12 deferment. The emergency assessments so collected shall be
13 transferred directly to the association on a periodic basis as
14 determined by the association. The aggregate amount of
15 emergency assessments levied under this sub-sub-subparagraph
16 in any calendar year may not exceed the greater of 10 percent
17 of the amount needed to cover the original deficit, plus
18 interest, fees, commissions, required reserves, and other
19 costs associated with financing of the original deficit, or 10
20 percent of the aggregate statewide direct written premium for
21 property insurance written by member insurers and underwriting
22 associations for the prior year, plus interest, fees,
23 commissions, required reserves, and other costs associated
24 with financing the original deficit. The board may pledge the
25 proceeds of the emergency assessments under this
26 sub-sub-subparagraph as the source of revenue for bonds, to
27 retire any other debt incurred as a result of the deficit or
28 events giving rise to the deficit, or in any other way that
29 the board determines will efficiently recover the deficit. The
30 emergency assessments under this sub-sub-subparagraph shall
31 continue as long as any bonds issued or other indebtedness

1 incurred with respect to a deficit for which the assessment
2 was imposed remain outstanding, unless adequate provision has
3 been made for the payment of such bonds or other indebtedness
4 pursuant to the document governing such bonds or other
5 indebtedness. Emergency assessments collected under this
6 sub-sub-subparagraph are not part of an insurer's rates, are
7 not premium, and are not subject to premium tax, fees, or
8 commissions; however, failure to pay the emergency assessment
9 shall be treated as failure to pay premium.

10 (IV) Each member insurer's share of the total regular
11 assessments under sub-sub-subparagraph (I) or
12 sub-sub-subparagraph (II) shall be in the proportion that the
13 insurer's net direct premium for property insurance in this
14 state, for the year preceding the assessment bears to the
15 aggregate statewide net direct premium for property insurance
16 of all member insurers, as reduced by any credits for
17 voluntary writings for that year.

18 (V) If regular deficit assessments are made under
19 sub-sub-subparagraph (I) or sub-sub-subparagraph (II), or by
20 the Residential Property and Casualty Joint Underwriting
21 Association under sub-subparagraph (6)(b)3.a. or
22 sub-subparagraph (6)(b)3.b., the association shall levy upon
23 the association's policyholders, as part of its next rate
24 filing, or by a separate rate filing solely for this purpose,
25 a market equalization surcharge in a percentage equal to the
26 total amount of such regular assessments divided by the
27 aggregate statewide direct written premium for property
28 insurance for member insurers for the prior calendar year.
29 Market equalization surcharges under this sub-sub-subparagraph
30 are not considered premium and are not subject to commissions,
31 fees, or premium taxes; however, failure to pay a market

1 equalization surcharge shall be treated as failure to pay
2 premium.

3 e. The governing body of any unit of local government,
4 any residents of which are insured under the plan, may issue
5 bonds as defined in s. 125.013 or s. 166.101 to fund an
6 assistance program, in conjunction with the association, for
7 the purpose of defraying deficits of the association. In order
8 to avoid needless and indiscriminate proliferation,
9 duplication, and fragmentation of such assistance programs,
10 any unit of local government, any residents of which are
11 insured by the association, may provide for the payment of
12 losses, regardless of whether or not the losses occurred
13 within or outside of the territorial jurisdiction of the local
14 government. Revenue bonds may not be issued until validated
15 pursuant to chapter 75, unless a state of emergency is
16 declared by executive order or proclamation of the Governor
17 pursuant to s. 252.36 making such findings as are necessary to
18 determine that it is in the best interests of, and necessary
19 for, the protection of the public health, safety, and general
20 welfare of residents of this state and the protection and
21 preservation of the economic stability of insurers operating
22 in this state, and declaring it an essential public purpose to
23 permit certain municipalities or counties to issue bonds as
24 will provide relief to claimants and policyholders of the
25 association and insurers responsible for apportionment of plan
26 losses. Any such unit of local government may enter into such
27 contracts with the association and with any other entity
28 created pursuant to this subsection as are necessary to carry
29 out this paragraph. Any bonds issued under this
30 sub-subparagraph shall be payable from and secured by moneys
31 received by the association from assessments under this

1 subparagraph, and assigned and pledged to or on behalf of the
2 unit of local government for the benefit of the holders of
3 such bonds. The funds, credit, property, and taxing power of
4 the state or of the unit of local government shall not be
5 pledged for the payment of such bonds. If any of the bonds
6 remain unsold 60 days after issuance, the department shall
7 require all insurers subject to assessment to purchase the
8 bonds, which shall be treated as admitted assets; each insurer
9 shall be required to purchase that percentage of the unsold
10 portion of the bond issue that equals the insurer's relative
11 share of assessment liability under this subsection. An
12 insurer shall not be required to purchase the bonds to the
13 extent that the department determines that the purchase would
14 endanger or impair the solvency of the insurer. The authority
15 granted by this sub-subparagraph is additional to any bonding
16 authority granted by subparagraph 6.

17 3. The plan shall also provide that any member with a
18 surplus as to policyholders of \$20 million or less writing 25
19 percent or more of its total countrywide property insurance
20 premiums in this state may petition the department, within the
21 first 90 days of each calendar year, to qualify as a limited
22 apportionment company. The apportionment of such a member
23 company in any calendar year for which it is qualified shall
24 not exceed its gross participation, which shall not be
25 affected by the formula for voluntary writings. In no event
26 shall a limited apportionment company be required to
27 participate in any apportionment of losses pursuant to
28 sub-sub-subparagraph 2.d.(I) or sub-sub-subparagraph 2.d.(II)
29 in the aggregate which exceeds \$50 million after payment of
30 available plan funds in any calendar year. However, a limited
31 apportionment company shall collect from its policyholders any

1 emergency assessment imposed under sub-sub-subparagraph
2 2.d.(III). The plan shall provide that, if the department
3 determines that any regular assessment will result in an
4 impairment of the surplus of a limited apportionment company,
5 the department may direct that all or part of such assessment
6 be deferred. However, there shall be no limitation or
7 deferment of an emergency assessment to be collected from
8 policyholders under sub-sub-subparagraph 2.d.(III).

9 4. The plan shall provide for the deferment, in whole
10 or in part, of a regular assessment of a member insurer under
11 sub-sub-subparagraph 2.d.(I) or sub-sub-subparagraph 2.d.(II),
12 but not for an emergency assessment collected from
13 policyholders under sub-sub-subparagraph 2.d.(III), if, in the
14 opinion of the commissioner, payment of such regular
15 assessment would endanger or impair the solvency of the member
16 insurer. In the event a regular assessment against a member
17 insurer is deferred in whole or in part, the amount by which
18 such assessment is deferred may be assessed against the other
19 member insurers in a manner consistent with the basis for
20 assessments set forth in sub-sub-subparagraph 2.d.(I) or
21 sub-sub-subparagraph 2.d.(II).

22 5.a. The plan of operation may include deductibles and
23 rules for classification of risks and rate modifications
24 consistent with the objective of providing and maintaining
25 funds sufficient to pay catastrophe losses.

26 b. The association may require arbitration of a rate
27 filing under s. 627.062(6). It is the intent of the
28 Legislature that the rates for coverage provided by the
29 association be actuarially sound and not competitive with
30 approved rates charged in the admitted voluntary market such
31 that the association functions as a residual market mechanism

1 to provide insurance only when the insurance cannot be
2 procured in the voluntary market. The plan of operation shall
3 provide a mechanism to assure that, beginning no later than
4 January 1, 1999, the rates charged by the association for each
5 line of business are reflective of approved rates in the
6 voluntary market for hurricane coverage for each line of
7 business in the various areas eligible for association
8 coverage.

9 c. The association shall provide for windstorm
10 coverage on residential properties in limits up to \$10 million
11 for commercial lines residential risks and up to \$1 million
12 for personal lines residential risks. If coverage with the
13 association is sought for a residential risk valued in excess
14 of these limits, coverage shall be available to the risk up to
15 the replacement cost or actual cash value of the property, at
16 the option of the insured, if coverage for the risk cannot be
17 located in the authorized market. The association must accept
18 a commercial lines residential risk with limits above \$10
19 million or a personal lines residential risk with limits above
20 \$1 million if coverage is not available in the authorized
21 market. The association may write coverage above the limits
22 specified in this subparagraph with or without facultative or
23 other reinsurance coverage, as the association determines
24 appropriate.

25 d. The plan of operation must provide objective
26 criteria and procedures, approved by the department, to be
27 uniformly applied for all applicants in determining whether an
28 individual risk is so hazardous as to be uninsurable. In
29 making this determination and in establishing the criteria and
30 procedures, the following shall be considered:

31

1 (I) Whether the likelihood of a loss for the
2 individual risk is substantially higher than for other risks
3 of the same class; and

4 (II) Whether the uncertainty associated with the
5 individual risk is such that an appropriate premium cannot be
6 determined.

7
8 The acceptance or rejection of a risk by the association
9 pursuant to such criteria and procedures must be construed as
10 the private placement of insurance, and the provisions of
11 chapter 120 do not apply.

12 e. The policies issued by the association must provide
13 that if the association obtains an offer from an authorized
14 insurer to cover the risk at its approved rates under either a
15 standard policy including wind coverage or, if consistent with
16 the insurer's underwriting rules as filed with the department,
17 a basic policy including wind coverage, the risk is no longer
18 eligible for coverage through the association. Subject to
19 approval by the department, the association may establish
20 depopulation procedures.~~Upon termination of eligibility, the~~
21 ~~association shall provide written notice to the policyholder~~
22 ~~and agent of record stating that the association policy must~~
23 ~~be canceled as of 60 days after the date of the notice because~~
24 ~~of the offer of coverage from an authorized insurer. Other~~
25 ~~provisions of the insurance code relating to cancellation and~~
26 ~~notice of cancellation do not apply to actions under this~~
27 ~~sub-subparagraph.~~

28 f. Association policies and applications must include
29 a notice that the association policy could, under this
30 section, be replaced with a policy issued by an authorized
31 insurer that does not provide coverage identical to the

1 coverage provided by the association. The notice shall also
2 specify that acceptance of association coverage creates a
3 conclusive presumption that the applicant or policyholder is
4 aware of this potential.

5 6.a. The plan of operation may authorize the formation
6 of a private nonprofit corporation, a private nonprofit
7 unincorporated association, a partnership, a trust, a limited
8 liability company, or a nonprofit mutual company which may be
9 empowered, among other things, to borrow money by issuing
10 bonds or by incurring other indebtedness and to accumulate
11 reserves or funds to be used for the payment of insured
12 catastrophe losses. The plan may authorize all actions
13 necessary to facilitate the issuance of bonds, including the
14 pledging of assessments or other revenues.

15 b. Any entity created under this subsection, or any
16 entity formed for the purposes of this subsection, may sue and
17 be sued, may borrow money; issue bonds, notes, or debt
18 instruments; pledge or sell assessments, market equalization
19 surcharges and other surcharges, rights, premiums, contractual
20 rights, projected recoveries from the Florida Hurricane
21 Catastrophe Fund, other reinsurance recoverables, and other
22 assets as security for such bonds, notes, or debt instruments;
23 enter into any contracts or agreements necessary or proper to
24 accomplish such borrowings; and take other actions necessary
25 to carry out the purposes of this subsection. The association
26 may issue bonds or incur other indebtedness, or have bonds
27 issued on its behalf by a unit of local government pursuant to
28 subparagraph (g)2., in the absence of a hurricane or other
29 weather-related event, upon a determination by the association
30 subject to approval by the department that such action would
31 enable it to efficiently meet the financial obligations of the

1 association and that such financings are reasonably necessary
2 to effectuate the requirements of this subsection. Any such
3 entity may accumulate reserves and retain surpluses as of the
4 end of any association year to provide for the payment of
5 losses incurred by the association during that year or any
6 future year. The association shall incorporate and continue
7 the plan of operation and articles of agreement in effect on
8 the effective date of chapter 76-96, Laws of Florida, to the
9 extent that it is not inconsistent with chapter 76-96, and as
10 subsequently modified consistent with chapter 76-96. The board
11 of directors and officers currently serving shall continue to
12 serve until their successors are duly qualified as provided
13 under the plan. The assets and obligations of the plan in
14 effect immediately prior to the effective date of chapter
15 76-96 shall be construed to be the assets and obligations of
16 the successor plan created herein.

17 c. In recognition of s. 10, Art. I of the State
18 Constitution, prohibiting the impairment of obligations of
19 contracts, it is the intent of the Legislature that no action
20 be taken whose purpose is to impair any bond indenture or
21 financing agreement or any revenue source committed by
22 contract to such bond or other indebtedness issued or incurred
23 by the association or any other entity created under this
24 subsection.

25 7. On such coverage, an agent's remuneration shall be
26 that amount of money payable to the agent by the terms of his
27 or her contract with the company with which the business is
28 placed. However, no commission will be paid on that portion of
29 the premium which is in excess of the standard premium of that
30 company.

31

1 8. Subject to approval by the department, the
2 association may establish different eligibility requirements
3 and operational procedures for any line or type of coverage
4 for any specified eligible area or portion of an eligible area
5 if the board determines that such changes to the eligibility
6 requirements and operational procedures are justified due to
7 the voluntary market being sufficiently stable and competitive
8 in such area or for such line or type of coverage and that
9 consumers who, in good faith, are unable to obtain insurance
10 through the voluntary market through ordinary methods would
11 continue to have access to coverage from the association. When
12 coverage is sought in connection with a real property
13 transfer, such requirements and procedures shall not provide
14 for an effective date of coverage later than the date of the
15 closing of the transfer as established by the transferor, the
16 transferee, and, if applicable, the lender.

17 9. Notwithstanding any other provision of law:

18 a. The pledge or sale of, the lien upon, and the
19 security interest in any rights, revenues, or other assets of
20 the association created or purported to be created pursuant to
21 any financing documents to secure any bonds or other
22 indebtedness of the association shall be and remain valid and
23 enforceable, notwithstanding the commencement of and during
24 the continuation of, and after, any rehabilitation,
25 insolvency, liquidation, bankruptcy, receivership,
26 conservatorship, reorganization, or similar proceeding against
27 the association under the laws of this state or any other
28 applicable laws.

29 b. No such proceeding shall relieve the association of
30 its obligation, or otherwise affect its ability to perform its
31 obligation, to continue to collect, or levy and collect,

1 assessments, market equalization or other surcharges,
2 projected recoveries from the Florida Hurricane Catastrophe
3 Fund, reinsurance recoverables, or any other rights, revenues,
4 or other assets of the association pledged.

5 c. Each such pledge or sale of, lien upon, and
6 security interest in, including the priority of such pledge,
7 lien, or security interest, any such assessments, emergency
8 assessments, market equalization or renewal surcharges,
9 projected recoveries from the Florida Hurricane Catastrophe
10 Fund, reinsurance recoverables, or other rights, revenues, or
11 other assets which are collected, or levied and collected,
12 after the commencement of and during the pendency of or after
13 any such proceeding shall continue unaffected by such
14 proceeding.

15 d. As used in this subsection, the term "financing
16 documents" means any agreement, instrument, or other document
17 now existing or hereafter created evidencing any bonds or
18 other indebtedness of the association or pursuant to which any
19 such bonds or other indebtedness has been or may be issued and
20 pursuant to which any rights, revenues, or other assets of the
21 association are pledged or sold to secure the repayment of
22 such bonds or indebtedness, together with the payment of
23 interest on such bonds or such indebtedness, or the payment of
24 any other obligation of the association related to such bonds
25 or indebtedness.

26 e. Any such pledge or sale of assessments, revenues,
27 contract rights or other rights or assets of the association
28 shall constitute a lien and security interest, or sale, as the
29 case may be, that is immediately effective and attaches to
30 such assessments, revenues, contract, or other rights or
31 assets, whether or not imposed or collected at the time the

1 | pledge or sale is made. Any such pledge or sale is effective,
2 | valid, binding, and enforceable against the association or
3 | other entity making such pledge or sale, and valid and binding
4 | against and superior to any competing claims or obligations
5 | owed to any other person or entity, including policyholders in

13 STATEMENT OF SUBSTANTIAL CHANGES CONTAINED IN
14 COMMITTEE SUBSTITUTE FOR
15 Senate Bill 1886

16 Reinserts the provisions of current law that state that if the
17 Windstorm Underwriting Association (FWUA) obtains an offer of
18 coverage from an authorized insurer to insure a homeowner or
19 other risk at its approved rates under either a standard or
20 basic policy including wind coverage, the risk is no longer
21 eligible for coverage through the FWUA.

22 Authorizes the FWUA to establish depopulation procedures,
23 subject to the approval of the Department of Insurance.

24 Adds an insurance agent to the board of the FWUA, to be
25 appointed by the Insurance Commissioner. The agent must be
26 writing insurance with the FWUA at the time of appointment.

27 Revises the definition of "hurricane coverage" for purposes of
28 residential property insurance policies, which affects whether
29 the hurricane deductible and other coverage limitations for
30 hurricane losses apply. The definition would require that the
31 damage occur in a county in which the Division of Emergency
Management of the Department of Community Affairs, based upon
official forecasting information from the National Weather
Service, declares within 24 hours after the storm system
enters a county that an area in the county sustained winds
that were part of the storm system.
