19 opportunity to develop systematic, ongoing inservice training  
20 programs, to assure the dissemination and application of  
21 educational research developments to classroom instruction,  
22 and to develop new curricula and curricular materials  
23 specifically designed to meet the educational needs of the  
24 students served, the Commissioner of Education shall, from  
25 funds appropriated for this purpose and subject to the  
26 procedures established in this section, provide funds to  
27 school boards to plan, establish, and operate teacher training  
28 centers.

29                 (1) As used in this section, the term:

30                 (a) "Teacher training center" means any site  
31 established by a school board, or consortium of school boards,

- 1 pursuant to this section to provide professional support  
2 services to teachers within the state in order to:
- 3 1. Assist teachers in diagnosing learning needs,  
4 experimenting with the use of multiple instructional  
5 approaches, assessing student outcomes, assessing staff  
6 development needs and plans, and training other school  
7 personnel in effective pedagogical approaches.
  - 8 2. Provide demonstration and training sites where  
9 instructional personnel are trained specifically in the use of  
10 computers as teaching aides and as delivery systems.
  - 11 3. Develop and produce curricula and curricular  
12 material designed to meet the educational needs of the  
13 students being served through the application of educational  
14 research, and new or improved teaching methods, practices, and  
15 techniques.
  - 16 4. Provide training to enable teachers improve skills  
17 in order to meet the educational needs of the pupils they  
18 serve.
  - 19 5. Provide a location for collaboration and the  
20 sharing of resources, ideas, methods, and approaches related  
21 to classroom instruction and management.
