408.05 State Center for Health Statistics.--

(5) PUBLICATIONS; REPORTS; SPECIAL STUDIES.--The center shall provide for the widespread dissemination of data which it collects and analyzes. The center shall have the following publication, reporting, and special study functions:

(a) The center shall publish and make available periodically to agencies and individuals health statistics publications of general interest, including health maintenance organization report cards;publications providing health statistics on topical health policy issues;~~,~~publications which provide health status profiles of the people in this state;~~,~~and other topical health statistics publications.

Section 2. Subsections (2) and (11) of section 408.7056, Florida Statutes, 1998 Supplement, are amended to read:

408.7056 Statewide Provider and Subscriber Assistance Program.--

(2) The agency shall adopt and implement a program to provide assistance to subscribers and providers, including those whose grievances are not resolved by the managed care entity to the satisfaction of the subscriber or provider. The program shall consist of one or more panels that meet as often as necessary to timely review, consider, and hear grievances and recommend to the agency or the department any actions that should be taken concerning individual cases heard by the panel. The panel shall hear every grievance filed by subscribers and providers on behalf of subscribers, unless the grievance:

(a) Relates to a managed care entity's refusal to accept a provider into its network of providers;

(b) Is part of an internal grievance in a Medicare managed care entity or a reconsideration appeal through the Medicare appeals process which does not involve a quality of care issue;

(c) Is related to a health plan not regulated by the state such as an administrative services organization, third-party administrator, or federal employee health benefit program;

(d) Is related to appeals by in-plan suppliers and providers, unless related to quality of care provided by the plan;

(e) Is part of a Medicaid fair hearing pursued under 42 C.F.R. ss. 431.220 et seq.;

(f) Is the basis for an action pending in state or federal court;

(g) Is related to an appeal by nonparticipating providers, unless related to the quality of care provided to a

subscriber by the managed care entity and the provider is involved in the care provided to the subscriber;

(h) Was filed before the subscriber or provider completed the entire internal grievance procedure of the managed care entity, the managed care entity has complied with its timeframes for completing the internal grievance procedure, and the circumstances described in subsection (6) do not apply;

(i) Has been resolved to the satisfaction of the subscriber or provider who filed the grievance, unless the managed care entity's initial action is egregious or may be indicative of a pattern of inappropriate behavior;

(j) Is limited to seeking damages for pain and suffering, lost wages, or other incidental expenses, including accrued interest on unpaid balances, court costs, and transportation costs associated with grievance procedures;

(k) Is limited to issues involving conduct of a health care provider or facility, staff member, or employee of a managed care entity which constitute grounds for disciplinary action by the appropriate professional licensing board and is not indicative of a pattern of inappropriate behavior, and the agency or department has reported these grievances to the appropriate professional licensing board or to the health facility regulation section of the agency for possible investigation; or

(l) Is withdrawn by the subscriber or provider. Failure of the subscriber or the provider to attend the hearing shall be considered a withdrawal of the grievance.

(11) The panel shall consist of members employed by the agency and members employed by the department, chosen by their respective agencies; a consumer appointed by the

Governor; a physician appointed by the Governor, who shall serve as a standing member; and physicians with expertise relevant to the case to be heard, who shall serve on a rotating basis. The agency may contract with a medical director and a primary care physician who shall provide additional technical expertise to the panel. The medical director shall be selected from a health maintenance organization with a current certificate of authority to operate in Florida.

Section 3. Subsection (5) of section 627.6471, Florida Statutes, is renumbered as subsection (6), and a new subsection (5) is added to said section to read:

627.6471 Contracts for reduced rates of payment; limitations; coinsurance and deductibles.--

(5) Any policy issued under this section which does not provide direct patient access to a dermatologist must conform to the requirements of s. 627.6472(16). Nothing in this subsection shall affect the amount the insured or patient must pay as a deductible or coinsurance amount authorized under this section.

Section 4. Subsection (36) is added to section 641.31, Florida Statutes, 1998 Supplement, to read:

641.31 Health maintenance contracts.--

(36)(a) Notwithstanding any other provision of this part, a health maintenance organization which meets the requirements of paragraph (b) may, through a point-of-service rider to its contract providing comprehensive health care services, include a point-of-service benefit. Under such a rider, a subscriber or other covered person of the health maintenance organization may choose, at the time of covered service, a provider with whom the health maintenance

organization does not have a health maintenance organization provider contract. The rider shall not require a referral from the health maintenance organization for the point-of-service benefits.

(b) A health maintenance organization offering a point-of-service rider under this subsection must have a valid certificate of authority issued under the provisions of the chapter, must have been licensed under this chapter for a minimum of 3 years, and must at all times that it has riders in effect maintain a minimum surplus of $5 million, inclusive of the surplus requirements in s. 641.225.

(c) Premiums paid for the point-of-service riders may not exceed 15 percent of total premiums for all health plan products sold by the health maintenance organization offering the rider. If the premiums paid for point-of-service riders exceed 15 percent, the health maintenance organization must notify the department and must, immediately upon discovery that the premium cap has been exceeded, cease offering such a rider until compliance with the premium cap is restored.

(d) Notwithstanding the limitations of deductibles and copayment provisions in this part, a point-of-service rider may require the subscriber to pay a reasonable copayment per visit for services provided by a noncontracted provider chosen by the subscriber at the time of the service. The copayment may either be a specific dollar amount or a percentage of the reimbursable provider charges covered by the contract and must be paid by the subscriber to the noncontracted provider upon receipt of covered service. The point-of-service rider may require that a reasonable annual deductible for the expenses associated with the point-of-service rider be met and may include a lifetime maximum benefit amount.

(e) The rider must include language as required in s. 627.6044 and must comply with copayment and deductible limits described in s. 627.6471. The provisions of s. 641.315(2) and (3) are inapplicable to a point-of-service rider authorized under this subsection.

(f) The term "point of service" may not be used by a health maintenance organization except with riders permitted under this section or with forms approved by the department in which a point-of-service product is offered with an indemnity carrier.

(g) A point-of-service rider must be filed and approved under ss. 627.410 and 627.411.

Section 5. Subsection (4) is added to section 641.3155, Florida Statutes, 1998 Supplement, to read:

641.3155 Provider contracts; payment of claims.--

(4) Any retroactive reductions of payments or demands for refund of previous overpayments which are due to retroactive review of coverage decisions or payment levels must be reconciled to specific claims, unless the parties agree to other reconciliation methods and terms. Any retroactive demands by providers for payment due to underpayments or nonpayments for covered services must be reconciled to specific claims, unless the parties agree to other reconciliation methods and terms. The look-back period may be specified by the terms of the contract.

Section 6. Subsections (8), (9), and (10) of section 641.51, Florida Statutes, are amended to read:

641.51 Quality assurance program; second medical opinion requirement.--

(8) Each organization shall release to the agency data that ~~which~~ are indicators of access and quality of care. The

agency shall develop rules specifying data-reporting requirements for these indicators. The indicators shall include the following characteristics:

(a) They must relate to access and quality of care measures.

(b) They must be consistent with data collected pursuant to accreditation activities and standards.

(c) They must be consistent with frequency requirements under the accreditation process.

(d) They must include chronic disease management measures.

(e) They must relate to preventive health care for adults and children.

(f) They must include prenatal care measures.

(g) They must include child health checkup measures.

The agency shall develop by rule a uniform format for publication of the data for the public which shall contain explanations of the data collected and the relevance of such data. The agency shall publish such data no less frequently than every 2 years.

~~(9) Each organization shall conduct a standardized customer satisfaction survey, as developed by the agency by rule, of its membership at intervals specified by the agency. The survey shall be consistent with surveys required by accrediting organizations and may contain up to 10 additional questions based on concerns specific to Florida. Survey data shall be submitted to the agency, which shall make comparative findings available to the public.~~

(9)~~(10)~~ Each organization shall adopt recommendations for preventive pediatric health care consistent with child

health checkup ~~early periodic screening, diagnosis, and treatment~~ requirements developed for the Medicaid program. Each organization shall establish goals to achieve 80-percent compliance by July 1, 1998, and 90-percent compliance by July 1, 1999, for their enrolled pediatric population.

Section 7. Subsection (4) of section 641.58, Florida Statutes, is amended to read:

641.58 Regulatory assessment; levy and amount; use of funds; tax returns; penalty for failure to pay.--

(4) The moneys ~~so~~ received and deposited into the Health Care Trust Fund shall be used to defray the expenses of the agency in the discharge of its administrative and regulatory powers and duties under this part, including conducting an annual health maintenance organization member satisfaction survey, contracting with physician consultants for the statewide provider and subscriber assistance panel; ~~the~~ maintaining ~~of~~ offices and necessary supplies, essential equipment, and other materials, and salaries and expenses of required personnel;~~,~~ and discharging ~~all other legitimate expenses relating to the discharge of~~ the administrative and regulatory powers and duties imposed under this ~~such~~ part.

Section 8. (1) The Agency for Health Care Administration shall establish an advisory group on the submission and payment of health claims.

(1) The advisory group shall be composed of eight members, including three members from health maintenance organizations licensed in Florida, one representative from a not-for-profit hospital, one representative from a for-profit hospital, one representative who is a licensed physician, one representative from the Office of the Insurance Commissioner,

and one representative from the Agency for Health Care Administration.

(2) The advisory group shall study and make recommendations on:

(a) Trends and issues relating to legislative, regulatory, or private-sector solutions for timely and accurate submission and payment of health claims.

(b) Development of electronic billing and claims processing for providers and health care facilities that provide for electronic processing of eligibility requests, benefit verification, authorizations, precertifications, and claims status, including use of models such as the Florida Shared System.

(c) The form and content of claims.

(d) Measures to reduce fraud and abuse relating to the submission and payment of claims.

(3) The advisory group shall be appointed and shall convene its first meeting by July 1, 1999. All meetings of the advisory group shall be in Tallahassee. Members of the advisory group shall not receive per diem or travel reimbursement. The advisory group shall submit its recommendations in a report, by January 1, 2000, to the President of the Senate and the Speaker of the House of Representatives.

(2) This section shall take effect upon becoming a law.

Section 9. There is appropriated to the Agency for Health Care Administration for fiscal year 1999-2000 the sum of $1,439,000 from the Health Care Trust Fund, for 12 months of funding for the purpose of implementing this act.

Section 10. Except as otherwise provide herein, this act shall take effect July 1, 1999.
