**Substitute Amendment for Amendment (544915)**

On page 33, line 31 of the bill after the period

insert: Unless otherwise approved by the agency, licensed nurses counted towards the minimum staffing requirements for certified nursing assistants must exclusively perform the duties of a certified nursing assistant for the entire shift and shall not also be counted towards the minimum staffing requirements for licensed nurses. If the agency approved a facility's request to use a licensed nurse to perform both licensed nursing and certified nursing assistant duties, the facility must allocate the amount of staff time specifically spent on certified nursing assistant duties for the purpose of documenting compliance with minimum staffing requirements for certified and licensed nursing staff. In no event may the hours of a licensed nurse with dual job responsibilities be counted twice.
