9 Section 1. Section 240.553, Florida Statutes, is
10 created to read:

11 240.553 Florida College Savings Program.--

12 (1) LEGISLATIVE INTENT.--The Legislature recognizes
13 that affordability and accessibility of higher education is
14 essential to the welfare and well-being of the residents of
15 the state and is a critical state interest. Promoting and
16 enhancing financial access to postsecondary institutions
17 serves a legitimate public purpose. Accordingly, as a
18 supplement and alternative to existing programs that promote
19 timely planning for postsecondary attendance, it is the intent
20 of the Legislature to allow the Florida Prepaid College Board
21 to establish a Florida College Savings Program to allow
22 persons to make contributions to a trust account that is
23 established for the purpose of meeting some or all of the
24 qualified higher education expenses of a designated
25 beneficiary, consistent with federal law authorizing such
26 programs. There is not any guarantee by the state that such
27 contributions, together with the investment return on such
28 contributions, if any, will be adequate to pay for qualified
29 higher education expenses. It is the intent of the Legislature
30 that this program enable participants in the Florida College
31 Savings Program to save for qualified higher education

1 expenses. It is further the intent of the Legislature that
2 this program provide a choice to persons who determine that
3 the overall educational needs of their families are best
4 suited to a savings program or who wish to save to meet
5 postsecondary educational needs beyond the traditional 4-year
6 curriculum. Finally, it is the intent of the Legislature that
7 the program be conducted as a public-private partnership to
8 maximize program efficiency and effectiveness.

9 s. 529 of the Internal Revenue Code.

10 (3) FLORIDA COLLEGE SAVINGS PROGRAM; CREATION.--

11 (a) The board is authorized to create and establish
12 the Florida College Savings Program to promote and enhance the
13 affordability and accessibility of higher education in the
14 state. Such program shall enable persons to contribute funds
15 that are combined and invested to pay the subsequent qualified
16 higher education expenses of a designated beneficiary. The
17 board shall administer the program and shall perform essential
18 governmental functions, as provided in this section.

19 (b) The amounts on deposit in the program shall remain
20 therein and shall be available solely for carrying out the
21 purposes of this section. Any contract entered into by or any
22 obligation of the board on behalf of and for the benefit of
23 the program does not constitute a debt or obligation of the
24 state but is an obligation of the program. The state has no
25 obligation to any designated beneficiary or any other person
26 as a result of the program. The obligation of the program is
27 limited solely to those amounts deposited in the program. All
28 amounts obligated to be paid from the program are limited to
29 amounts available for such obligation. The amounts on deposit
30 in the program may only be disbursed in accordance with the

9 contributions, except as applied for purposes of the
10 designated beneficiary and for purposes of maintaining and
11 administering the program as provided in this section. Nothing

13 permits any contributions or corresponding interest in the
14 program to be used as security for a loan by a benefactor or
15 designated beneficiary.

16 (d) All amounts attributable to penalties shall be
17 used for purposes of the program, and other amounts received
18 other than contributions shall be properties of the program.
19 Proceeds from penalties shall remain with the program and may
20 be used for any costs or purposes of the program.

21 (e) The board may not receive deposits in any form
22 other than cash. A benefactor or designated beneficiary may
23 not direct the investment of any contributions or amounts held
24 in the program other than the specific fund options provided
25 by the board, if any.

26 (f) Appropriations, moneys acquired from other
27 governmental or private sources, and moneys remitted in
28 accordance with participation agreements, shall be deposited
29 into the Florida Prepaid College Trust Fund in accordance with
30 s. 240.551(4).

31

1 (g) Deposits and contributions to the program, the
2 property of the board, and the earnings on the college savings
3 accounts are exempt from taxation.

4 (4) PROGRAM ADMINISTRATION.--

5 (a) The Florida College Savings Program shall be
6 administered by the Florida Prepaid College Board as an agency
7 of the state. The Florida Prepaid College Board has all the
8 powers of a body corporate for the purposes delineated in this
9 section.

10 (b) The assets of the program shall be continuously
11 invested and reinvested in a manner consistent with the
12 purposes of the program, expended on expenses incurred by the
13 operation and management of the program, or refunded to the
14 benefactor or designated beneficiary under the conditions
15 provided in the participation agreement. The board is not
16 required to invest directly in obligations of the state or any
17 political subdivision of the state or in any investment or
18 other fund administered by the state.

19 (5) FLORIDA COLLEGE SAVINGS PROGRAM; BOARD
20 DUTIES.--The board shall:

21 (a) Appoint an executive director to serve as the
22 chief administrative and operational officer of the board and
23 to perform other duties assigned to him or her by the board.

24 (b) Receive and hold all payments, deposits, and
25 contributions intended for the program, as well as gifts;
26 bequests; endowments; federal, state, or local grants; any
27 other public or private source of funds; and all earnings,
28 until disbursed to pay qualified higher education expenses or
29 refunds as authorized in this section.

30 (c) Invest the contributions in a manner reasonable
31 and appropriate to achieve the objectives of the program,

1 exercising the discretion and care of a prudent person in
2 similar circumstances with similar objectives. The board shall
3 give due consideration to rate of return, risk, term of
4 maturity, diversification of total portfolio within the
5 program, liquidity, projected disbursements and expenditures,
6 and expected payments, deposits, contributions, and gifts to
7 be received. Moneys in the program are exempt from s.
8 215.20(1), state securities law, and the investment
9 requirements of s. 18.10, but are subject to the investment
10 restrictions contained in s. 215.472.

11 (d) Solicit proposals and contract, pursuant to s.
12 287.057, for a trustee-services firm to hold and maintain
13 assets of the board in conjunction with the operations of
14 product providers contracted under this section. Such firm may
15 also provide for the short-term investment of the board's
16 assets. In selecting a trustee-services firm, the board shall
17 seek to obtain the highest standards of professional trustee
18 services, to allow all qualified firms interested in providing
19 such services equal consideration, and to provide such
20 services to the state at no cost and to the participants at
21 the lowest cost possible. The trustee services firm shall
22 agree to meet the obligations of the program to designated
23 beneficiaries if money in the fund fails to offset the
24 obligations of the program as a result of imprudent selection
25 or supervision of short-term investments or in the event of
26 the loss of securities by such firm. Evaluations of proposals
27 submitted under this paragraph must include, but need not be
28 limited to, the following criteria:

29 1. Adequacy of trustee services to hold and maintain
30 assets of the board, including current operations and staff
31 organization and commitment of management to the proposal.

1 2. Capability to execute program responsibilities
2 within time and regulatory constraints.

3 3. Past experience in trustee services and current
4 ability to maintain regular and continuous interactions with

7 the proposal and any additional requirements of benefactors.

8 5. Adequacy of technical assistance and services
9 proposed for staff.

10 6. Adequacy of a management system for evaluating and
11 improving overall trustee services to the program.

12 7. Adequacy of facilities, equipment, and electronic
13 data-processing services.

14 8. Detailed projections of administrative costs,
15 including the amount and type of insurance coverage, and
16 detailed projections of total costs.

17 (e) Solicit proposals and contract, pursuant to s.
18 287.057, for one or more investment consultants to advise the
19 board regarding investment management and performance. In
20 selecting investment consultants, the board shall seek to
21 obtain the highest standards of investment consulting, to
22 allow all qualified firms interested in providing such
23 services equal consideration, and to provide such services to
24 the state at no cost and to the participants at the lowest
25 cost possible. The investment consultants shall agree to meet
26 the obligations of the programs to designated beneficiaries if
27 money in the fund fails to offset the obligations of the
28 program as a result of imprudent supervision of the board's
29 investments. Evaluations of proposals submitted under this
30 paragraph must include, but need not be limited to, the
31 following criteria:

1 1. Capability to execute program responsibilities
2 within time and regulatory constraints.
3 2. Past experience in investment consulting and
4 current ability to maintain regular and continuous
5 interactions with the board and product providers.
6 3. Adequacy of technical assistance and services
7 proposed for staff.
8 4. Detailed projections of administrative costs.
9 (f) Solicit proposals and contract, pursuant to s.
10 287.057, for product providers to develop investment
11 portfolios on behalf of the board to achieve the purposes of
12 this section. Product providers shall be limited to authorized

14 658.12, associations as defined in s. 665.012, authorized
15 Securities and Exchange Commission investment advisers, and
16 investment companies as defined in the Investment Company Act
17 of 1940. All product providers must have their principal place
18 of business and corporate charter located and registered in
19 the United States. Each product provider must agree to meet
20 the obligations of the program to designated beneficiaries if
21 moneys in the fund fail to offset the obligations of the
22 program as a result of imprudent investing by such provider.
23 Each authorized insurer must evidence superior performance
24 overall on an acceptable level of surety in meeting its
25 obligations to its policyholders and other contractual
26 obligations. Only qualified public depositories approved by
27 the State Insurance Commissioner and Treasurer are eligible
28 for consideration. Each investment company must provide
29 investment plans as specified within the request for
30 proposals. In selecting a product provider, the board shall
31 seek to provide all participants with the most secure,

1 well-diversified, and beneficially administered college
2 savings plan possible, to allow all qualified firms interested
3 in providing such services equal consideration, and to provide
4 such services to participants at the lowest cost possible.

5 Evaluations of proposals submitted under this paragraph must

17 4. Financial history and current financial strength
18 and capital adequacy to provide products, including operating
19 procedures and other methods of protecting program assets.

20 (g) Establish an investment plan for the purposes of
21 this section with the approval of the State Board of
22 Administration. The investment plan must specify the
23 investment policies to be used by the board in its
24 administration of the program. The board may place assets of
25 the program in savings accounts or purchase fixed or variable
26 life insurance or annuity contracts, securities, evidence of
27 indebtedness, or other investment products pursuant to the
28 investment plan and in the proportions that are designated or
29 approved under the investment plan. The insurance, annuity,
30 savings, or investment products must be underwritten and
31 offered in compliance with the applicable federal and state

1 laws and rules by persons who are duly authorized by
2 applicable federal and state authorities. Within the
3 investment plan, the board may authorize investment vehicles,
4 or products incident thereto, as are available or offered by
5 qualified companies or persons. A benefactor may not direct
6 the investment of his or her contribution to the program and a
7 designated beneficiary may not direct the contribution made on
8 his or her behalf to the program. Board members and employees
9 of the board are not prohibited from participating in the
10 program by virtue of their fiduciary responsibilities as
11 members of the board or official duties as employees of the
12 board.

13 (h) Administer the program in a manner that is
14 sufficiently actuarially sound to defray the obligations of

18 contributions on behalf of a designated beneficiary in excess
19 of those necessary to provide for the qualified higher
20 education expenses of the beneficiary.

21 (j) Maintain separate accounts for each designated
22 beneficiary and establish other accounts within the program as
23 necessary to appropriately account for all funds held in the
24 program.

25 (6) FLORIDA COLLEGE SAVINGS PROGRAM; BOARD

29 with the property, assets, and activities of the program or

10 sums or installments.

16 (r) Delegate responsibility for administering the
17 investment plan required in paragraph (5)(g) to a person the

2 287.057, for the services of a records administrator. The
3 goals of the board in selecting a records administrator shall
4 be to provide all participants with the most secure,
5 well-diversified, and beneficially administered postsecondary
6 education expense plan possible, to allow all qualified firms
7 interested in providing such services equal consideration, and
8 to provide such services to the state at no cost and to
9 participants at the lowest cost possible. Evaluations of
10 proposals submitted under this paragraph must include, but
11 need not be limited to, the following criteria:

12 1. Fees and other costs charged to purchasers which
13 affect account values or operational costs related to the
14 program.

15 2. Past experience in records administration and

10 program" for federal tax purposes under the Internal Revenue
11 Code of 1986, as defined in s. 220.03(1). The board shall
12 inform participants of changes to the tax or securities status
13 of participation agreements.

14 (8) PARTICIPATION AGREEMENTS.--

15 (a) A participation agreement may be freely amended
16 throughout its term in order to enable the benefactor to
17 increase or decrease the level of participation, change
18 designated beneficiaries, and carry out similar matters
19 permitted by this section and the Internal Revenue Code. A
20 participation agreement may provide for periodic deposits by
21 the benefactor.

22 (b) Deposits to the program by benefactors may only be
23 in cash. Benefactors may contribute in a lump sum, in
24 installments, or through electronic funds transfer or employer
25 payroll deductions.

26 (c) The board may establish plans to permit
27 benefactors to prepay the qualified higher education expenses
28 associated with enrollment in state public and private
29 colleges or universities and may establish a procedure to
30 permit account contributions in excess of such projected
31 expenses. The board shall prescribe by rule the methodology

1 and information sources that shall be used to determine the
2 projected costs of qualified higher education expenses for
3 designated beneficiaries of prescribed ages. Decisions by the
4 board regarding the need for excess account contributions are
5 subject to chapter 120.

6 (d) The board shall establish consistent provisions
7 for each participation agreement, including, but not limited
8 to:

27 person, or any combination of these persons.

28 7. The terms and conditions under which an account may
29 be terminated, modified, or converted, the name of the person
30 entitled to any refund due as a result of termination of the
31

1 account pursuant to such terms and conditions, and the amount
2 of refund, if any, due to the person so named.

3 8. Penalties for distributions not used or made in
4 accordance with s. 529 of the Internal Revenue Code.

5 9. Any charges or fees in connection with the
6 administration of the trust.

7 10. Other terms and conditions deemed by the board to
8 be necessary or proper.

9 (e) Each participation agreement must clearly state
10 that participation in the program does not guarantee that
11 sufficient funds will be available to cover all qualified
12 higher education expenses for any designated beneficiary.

13 (f) Each participation agreement must clearly state
14 that participation in the program does not guarantee admission
15 to or continued enrollment at an eligible educational
16 institution.

17 (9) DURATION OF PARTICIPATION AGREEMENT.--The board
18 shall specify a period of time after which each participation
19 agreement shall be considered to be terminated. Upon
20 termination of an agreement, the balance of the account, after
21 notice to the benefactor, shall be declared unclaimed and
22 abandoned property and subject to disposition as such under
23 chapter 717. Time expended by a designated beneficiary as an
24 active-duty member of any of the armed services of the United
25 States shall be added to the period specified pursuant to this
26 subsection.

27 (10) DISTRIBUTIONS FOR QUALIFIED HIGHER EDUCATION
28 EXPENSES.--

29 (a) The board shall establish requirements and
30 procedures for beneficiaries to realize the benefits of
31 participation agreements. In establishing such requirements

1 and procedures, the board shall make distributions in as
2 efficient and expeditious manner as is prudent and possible.

3 (b) Each distribution of benefits from a participation
4 agreement shall consist of a pro rata distribution of
5 contributions and investment earnings or investment losses and
6 shall be consistent with the regulations of the United States
7 Treasury Department or Internal Revenue Service.

8 (c) All distributions made during a taxable year shall
9 be treated as one distribution.

10 (d) Distributions from accounts that lack a valid
11 social security number are subject to penalties and
12 withholding taxes at the time of distribution.

13 (11) REFUNDS.--

14 (a) A benefactor may request a refund of the principal
15 amount of his or her contributions, plus actual investment
16 earnings or minus actual investment losses on the
17 contributions, less any applicable penalty, and less any
18 amounts used to provide benefits to the designated
19 beneficiary.

20 (b) Notwithstanding paragraph (a), a penalty may not
21 be levied if a benefactor requests a refund from the program
22 due to:

23 1. Death of the beneficiary.

24 2. Total disability of the beneficiary.

25 3. Scholarship, allowance, or payment received by the
26 beneficiary to the extent that the amount of the refund does
27 not exceed the amount of the scholarship, allowance, or
28 payment in accordance with federal law.

29 (c) If a benefactor requests a refund of funds
30 contributed to the program for any cause other than those
31 listed in paragraph (b), there shall be imposed a penalty of

1 10 percent of the earnings of the account and any applicable
2 taxes, or the penalty prescribed in the Internal Revenue Code
3 or by rule of the Internal Revenue Service. Earnings shall be
4 calculated as the total value of the participation agreement,
5 less the aggregate contributions, or in the manner prescribed
6 in the Internal Revenue Code or by rule of the Internal
7 Revenue Service.

8 (12) MATERIAL MISREPRESENTATION; PENALTY.--If the
9 benefactor or the designated beneficiary makes any material
10 misrepresentation in the application for a participation
11 agreement or in any communication with the board regarding the
12 program, especially regarding the withdrawal or distribution
13 of funds therefrom, the account may be involuntarily
14 liquidated by the board. If the account is so liquidated, the
15 benefactor is entitled to a refund, subject to a 10-percent
16 penalty or the amount required by the Internal Revenue Code.
